8. Natchez, Mississippi

Natchez is located along the Mississippi River, and it makes the most of the rambling waters that border it. Take a walk along the Natchez Trail for nature views, or launch into a waterway to see the sights up close. It's one of the best paddling towns in the state, and there are lots of guided tours on offer that will take you through the area's picturesque swamps, creeks, and lakes.

Plan your visit.
