

A NATURAL BEAUTY

Explore Tyler's charm as you drive our historic brick streets, browse our antique shops, and peruse our specialty stores. Enjoy natural beauty at our multiple lakes, golf courses, and campgrounds. Centrally located in northeast Texas, Tyler serves as a regional hub with convenient access to major cities—perfect for your vacation, weekend getaway, or meeting. Come experience it firsthand and see for yourself.

It all starts with a visit!

Unwind in the *beauty of* Tyler

Attractions

Explore Tyler's recreational wonders, from Caldwell Zoo and Tyler State Park to the Municipal Rose Garden. With lakes for fishing and water activities, bird watching, golf courses, and city parks, it's a haven for nature enthusiasts.

Dining

Tyler's culinary scene has blossomed as much as our gardens. International flavors abound including Mediterranean, Asian, Latin, and Italian cuisines, to name a few. With the best culinary selection in East Texas, a unique variety of dining options is available for every taste.

Shopping

From antiques and one-of-a-kind boutiques to historic shopping centers and retail chains, Tyler is a regional hub for shopping in northeast Texas. Find top name brands, unique gifts, and local art for that hard-to-shop-for individual.

Sports

Tyler offers a range of sports activities including disc golf, hiking, mountain biking, pickleball, and golf. You can also enjoy collegiate competitions in volleyball, basketball, football, tennis, soccer, softball, and baseball.
