

The Volunteer Group Appreciation Award is awarded to a true volunteer group that receives no monetary compensation for their volunteer service. Only one overall winner is selected unlike the other categories where one per district is awarded.

Volunteer Group Appreciation Award: District 1

The Volunteer Group Appreciation Award is presented to Cornerstone Church. The members of Cornerstone Church are not afraid of hard work, and bring positive energy to the Central Wisconsin State Fair. Over the past seven years, their enthusiastic volunteers have expanded their efforts from one to now working two admission gates, all day and every day during the fair.

In 2021, the fair received 9 inches of rain which resulted in closing all parking. Cornerstone Church provided two tractors and two transport wagons to create a shuttle service from offsite parking. Two years ago, they helped organize and conduct a Sunday morning church service. The service was so successful that this year along with their help, the Central Wisconsin State Fair held two church services.

Cornerstone Church is committed to making the fair a place for fairgoers to create memories. This makes them a cherished partner of the Central Wisconsin State Fair.

Congratulations to Cornerstone Church!
