Fairs.com provides digital tools and services to help event organizers streamline operations and enhance the experience for vendors and attendees. Our platform supports online registration, ticketing, and real-time scheduling updates. We offer vendor and exhibitor management features such as booth assignments, payment processing, and communication tools. We also assist with marketing and promotion through customizable event pages, email campaigns, and social media integration. For attendees, we provide mobile-friendly access to event maps, personalized schedules, and live updates. After events, organizers can access data insights and downloadable reports to evaluate success and improve future planning.

United Rentals – Powering the Fairgrounds United Rentals supports state and county fairs across Washington with everything it takes to keep the show running—from aerial lifts, generators, and lighting towers to power, climate control, sanitation, and ground-support equipment.

Our experienced event team provides reliable on-site service before, during, and after each fair, ensuring safe, efficient operations and minimal downtime. With our Total Control® fleet and asset management platform, you gain real-time visibility into your equipment, costs, and performance—helping you plan smarter and work safer.

Backed by United Academy® safety training and 24/7 support, United Rentals is the trusted partner behind the scenes that helps your fair shine safely and smoothly.

United Rentals – One call. One partner. Every fair need.
