

Some people are more likely to get sick: babies, toddlers, pregnant women, older adults, and those with weakened immume systems.

Stay Healthy:

- No food, drinks, baby bottles, pacifiers, toys, or strollers in animal areas.
- Watch kids & those with intellectual disabilities around animals.
- Make sure kids don't put their fingers or other things in their mouths.
- Wash hands with soap & water right after visiting the animals.

STOP GERMS!
