Hello Fair Family!!!!

It is hard to believe that it has been over 9 months since our 2013 WSFA Convention ended. It is true that the older one gets the faster time goes by.

I hope all of your fair planning is going well and it is my sincere wish that you all have the most successful fair ever!

Your WSFA Board has been working hard to put together the best possible program we can for your 2014 Convention. We want there to be something for everyone and will strive to provide that. If you have any ideas for seminars - please be sure to share that with me or another board member. We will make every attempt to accommodate your request.

We received a limited amount of survey results from last years' convention and have tried to respond to any comments that were made, both positive and negative. There will be a survey performed again this year - please make sure to participate by sharing your opinion. It is the only way we really know how we are doing. One thing we know for sure - there will be NO MORE SALAD WEDGES!!!!

This year we are working on a special arrangement for our entertainers' "jam session" and will be making an announcement regarding that in our next newsletter. I am very excited about it. I think it will be the best arrangement we have had in a long time.

That's all for now - I look forward to "Taking Our Fairs to a New Frontier" in Pasco, Washington October 23 through 25, 2014!
