Molly's Choose Your Own Adventure – the Musical!

The Source Management Group

Molly's Choose Your Own Adventure – the Musical! is an engaging show for audiences of all ages. Families clap, cheer, dance, and sing-along as they journey with Molly to find her missing script. Along the way, they meet unforgettable characters, including a book-loving pirate and an overwhelmed elephant. Each character provides a problem that Molly and the audience need to solve, creating lots of laughs and some valuable lessons. And of course, there are lots of opportunities to grab a prop, dance, and sing along!

Full of colorful costumes and fun set pieces, Molly wows audiences with her powerhouse vocals. Some of the songs in the show include:

- *Mean* by Taylor Swift
 - *Roar* by Katy Perry
 - *Come Sail Away* by Styx
 - *Hit Me With Your Best Shot* by Pat Benatar
- ... and even more of your audience's favorites

We even have a FREE activity book for kids, that parents and teachers can download from our website. The activity book contains puzzles, colouring pages, and writing activities as a fun way to fan children's creative flames and keep the fun going after the show is over. We have also created a separate parent/teacher guide with all the puzzle answers and discussion points.
