

Member Referral

Everyone wins when you refer new members!

World Trade Center Seattle is excited to introduce our brand-new referral program designed to encourage our members to continue growing our thriving community of professionals and organizations. It's also our way of saying thank you for believing in our mission of bringing Seattle leaders together.

How It Works:

- **Spread the word:** Tell your colleagues about the benefits and perks of being a World Trade Center Seattle member and invite them to visit.
- **Refer a colleague, get lunch on us:** WTC Seattle members who refer new members will receive lunch for two at World Trade Center Seattle for successfully referring new members who join our community.
- **No limit on referrals:** There is no limit to how many new members you can refer. When you help grow our community, you will always be rewarded!

Ready to Get Started? Here's How:

- Ask your member referral to reach out to our Director of Membership, Alison Scott, at ascott@wtcseattle.com to schedule a visit or begin the process of becoming a member.
- Successfully refer a member, and your next lunch for two is on us. Just show our serving staff the member referral confirmation email and your lunch will be taken care of.
