WALLA WALLA FAIR & FRONTIER DAYS.....

“COMIN’ IN HOT”

WALLA WALLA FAIR & FRONTIER DAYS BOARD OF DIRECTORS

Welcome to the 156th Walla Walla Fair & Frontier Days. It's time to come and enjoy the Fair again, the event that brings people and families together, generation after generation for good times and great memories.

We might remember the Fair because we showed an animal or baked a pie. Maybe we came to the Fair with friends and family and rode our favorite rides. Maybe we remember our favorite Fair food or a great concert or rodeo night. Whatever the reason, the Walla Walla Fair & Frontier Days is here again, and new memories are ready to be made.

We are working to make some changes to dress things up and to make your Fair experience even better.

We are starting the Fair off with a great Brothers Osborne concert on Wednesday night, followed by the always sold-out Demolition

Derby on Thursday, and then three nights of PRCA rodeo.

There are many new and exciting things at the Fair this year; it is truly “Comin’ In Hot”. Come and see pigs that race, jumping dogs that almost fly, plus comedy and stunts.

I would like to thank the hundreds of volunteers who work to make this Fair such a wonderful experience for us all. We couldn't do it without you.

On behalf of the Walla Walla Fair & Frontier Days Board of Directors, the Fair Manager and staff, and the Walla Walla Board of County Commissioners, I would like to welcome everyone to the celebration of the 156th Walla Walla Fair & Frontier Days. Take some time to come out and enjoy the Fair.

Sincerely, President Mike Charlo

Welcome to the 2022 Walla Walla Fair and Frontier Days!
With one year as Fair Manager under my belt, I am proud to be writing this letter for our Exhibitor Handbook. We have a great team that is working very hard every day putting together the 2022 Walla Walla Fair and Frontier Days -- what we believe will be a Fair everyone will enjoy and appreciate!

Our Fair theme is "Comin' in Hot". It seemed fitting because of all the big projects we are doing this year. I have said that we will see more changes in this year's fair than any other fair we have experienced in the past. We have lots of new projects and changes to our programming so we really will be going 100 miles an hour and "Comin' in Hot" to be ready for opening day.

There is no way we could produce the quality fair we do without the time, effort, and support of our many volunteers. We are beyond grateful for everything they do. We have created committees this year that will expand our volunteer force

to help our Fair grow to new levels. If you are not volunteering and want to, please call our main office.

As General Manager of the Walla Walla Fair & Frontier Days, I am very proud to be leading the oldest fair in Washington State. It is easy to see why this Fair has been so successful over the years. It's traditions and community support are unmatched by all fairs that I am familiar with. This was particularly evident in 2021 and we were so fortunate to have the amount of support we received last year.

All of our staff, Fair Board, County Commissioners, and volunteers are working very hard to keep our traditions alive and continue to have our Fair evolve. We all believe that this could be the best fair ever ... so far! We look forward to seeing you in September!

Comin' in Hot!
Sincerely, Greg Lybeck CFE

LIVESTOCK EMERGENCY PROCEDURES

*****In case of a livestock emergency during the Fair, follow these procedures*****

- Call or Find the Owner of the animal or the Department Superintendent. *Superintendents/Livestock Director phone #s will be posted in each barn.

- If unable to contact the owner, the Superintendent/Livestock Director will make the decision whether or not to contact the on-call

Veterinarian. Owners will be liable for any veterinary expense incurred.

- On-call Veterinary phone #s and information will be posted in each barn.

- An Animal Incident Report (available in the Exhibitors Office) must be filled out and turned in immediately after the incident occurs.

Need help during the Fair?

Call the Exhibitors Office

@ 509-527-3251 (7 am – 7 pm)

- After hours, call the numbers posted on Emergency Posters located in all livestock barns.

2022 WALLA WALLA FAIR EXHIBIT RELEASE POLICY

Walla Walla Fair is implementing a new Safety Plan for the release of all exhibits, including livestock.

- All exhibits, including livestock, will be released on Monday, Labor Day, between 6:30am and noon.

- A haul-out map for Monday morning will be released prior to Fair.

- Stall decorations, tack etc may not be removed until Monday. NOTHING is to be removed on Sunday.

We have made this change for the following reasons:

1. Animals will be released in the daylight so drivers can see animals and kids better as there is a lot of traffic.

2. Staff and exhibitors are tired, and tempers do flair due to a long Fair and the late hour.

3. Even though the public is supposed to be gone by 11pm, they are not. When animals are standing in the parking and barn areas in the dark with noise, traffic, and the carnival lights running, it is not safe for exhibitors or public that are in the way.

4. Drivers can see gate people, flaggers, and personal better to navigate the serpentine.

5. There will be by far less regular traffic as it is a holiday, and the public will not be leaving the Fair at the same time.

6. Security for the barns will be provided Sunday evening.

7. It will reduce safety issues with vendors driving through grounds Sunday night.

4-H|GRANGE|FFA FITTING AND SHOWMANSHIP

4-H, Grange, and FFA members with animal projects entered in competition must enter and participate in a Fitting and Showmanship contest. Ribbons will be awarded on the Danish System. Exhibitors must PRE-ENTER Fitting and Showmanship under individual departments.

In this handbook 4-H|Grange “fitting and showing” will be referred to as ‘Fitting and Showmanship.’ In Fitting and Showmanship, the emphasis is on the knowledge & performance of the 4-H|Grange member. A 4-H|Grange member must prepare their own animal for show. The word “fitting” means more than just feeding the animal for slaughter or exhibit, it includes preparing and grooming the animal in a way to present its best qualities. The word “showing” includes properly handling/showing the animal and knowing the principles of care, management, and breed specifics of that species. Caring for and preparing the animal for show is the responsibility of the individual exhibiting member. All large and small animals have fitting and showing 4-H|Grange contests. ‘Fitting and Showing’ is a unique term used in the 4-H program.

All-Around Large Animal Fitting and Showmanship Contest

Tierra Kessler (509-876-0884)

The champions from beef, swine, sheep, goat, dairy and horse divisions will be automatically entered in the All-Around Fitting and Showmanship Contest. If there is no champion then the highest scoring show-

man goes to the All-Around Contest. There will be separate contests and awards for 4-H|Grange and FFA top showman. The contestants will be showing the same type of animal against one another in the timed event. The showmen will rotate until all species are shown. If there is a species that does not have a showman in the All-Around Contest that species will still be shown in the All-Around Contest. In the event that there are not enough animals of any one species to supply all showmen with an animal, that species will not be shown. However, the top showman of that species will get to compete in all other species of the contest. There will be a 12- minute time limit for each class. The showman with the most points will be named the All-Around Showman and receive an award. All 4-H|Grange contestants must follow the 4-H|Grange attire requirements for their species, except that no hats will be allowed (helmets ok). All FFA contestants must follow the FFA attire requirements for their species.

4-H|Grange Small Animal All Around Fitting and Showmanship Contest

Pam Castoldi (509-525-8776)

The champions from cat, dog, rabbit, cavy, pocket pets and poultry divisions will be automatically entered in the Small Animal All Around Fitting and Showmanship Contest. YOUTH MARKET STOCK SALE

Chairman: Joe Chvatal 509.520.2853

• A Youth Market Stock Sale will be held on **SUNDAY, THE LAST DAY OF THE FAIR, AT 12 PM | NEW TIME.**

• Entries in the sale will be limited to regular entries in beef, sheep, goat and swine market classes (animals sold in this order.) Livestock Judging, including Oral Reasons, is mandatory for all Market Sale Exhibitors to be eligible to show in market classes. Exhibitors may participate in the judging contest on the first Saturday in August before Fair or the contest during Fair on Wednesday. You must participate in one or the other to be eligible for Market Sale Classes, per Walla Walla Fair rules. Those eligible to enter this sale will be 4-H, Grange, and

FFA members residing in Asotin, Columbia, Garfield, Milton-Freewater School District and Walla Walla Counties. Sale animals may be removed after the sale at the discretion of the sale committee. Sale animals must be exhibited in the market sale classes and shown by weight. ***There will be absolutely NO TAKE HOMES. All animals will go to designated custom processing or to floor buyer.***

• All exhibitors are expected to be present during the weigh-in, loading and unloading of animals and at load out time after the sale. Each exhibitor may only show and sell one market animal in the market sale class. They may show a separate animal in the non-sale or feeder class.

General Sale Rules

• “Thank You” notes must be written to all individuals and/or business that supported and floored the Exhibitors animal. These must be presented in addressed and stamped envelopes to receive market stock sale checks from the Extension Office.

• A total of one animal per exhibitor may be sold. Exhibitors are responsible for care and health of sale animals until the close of the fair or until delivered to the buyer, whichever is later.

• Animals entered in sale classes are not to be shown in breeding classes. Sick animals will not be allowed in the sale ring.

• Exhibitors must pre-enter the appropriate Mar-

ket Sale class on the Animal Entry form by August 5th, to be eligible to sell at the Youth Market Sale. However, a market animal is not deemed a “sale animal” until after it is judged and qualified. “Sale Animal” cards will be issued by the sale committee or ribbon clerk to the exhibitors of qualifying animals after each market class is judged.

- There will be a 4% commission charge on all sales, to be used for sale promotion, brand inspection, advertising, insurance, clerical expenses and death loss occurring after an animal has been sold in the sale.

- Sale order will be: Beef, Lambs, Goats & Swine. Each species will begin with Grand Champion and Reserve Grand Champion selling first and second. The following order will be made up by taking the next highest-ranking animal from each class in order by rate of gain.

- If an exhibitor wishes to donate funds from their sale animal, provided it qualifies for the market sale, to an outside charity, they must contact the sale chairman two weeks in advance of the fair for approval.

- The announcement of this will only be made after the bidding of the market animal is complete.

- The buyers will be able to add-on money to the sale that will be combined with the donation amount from exhibitor/seller and contributed directly to the charity by the WWCC in the name of exhibitor/seller. The 4% commission will apply to this donation.

- Beef and pork check-off money will be deducted from Exhibitors sale checks. Any animal sold at the sale and turned becomes the property of the floor buyer. There will be absolutely NO TAKE HOMES. This is a TERMINAL sale. All animals will go to designated custom processing or to floor buyer.

Pre-Weigh-In:

- Exhibitor may weigh in 2 animals. One of those animals will be considered a back-up animal. A back up animal may be shared by a family member. Family member is defined as immediate family only. Immediate family shall include children, step children, foster children and adopted children.

- FFA Chapter Barn back up animal. Back-up animal will only be available to the students that are raising their projects at the FFA Chapter barn. The Chapter may tag a total of 2 lambs, swine or goats as chapter back-ups. FFA Advisors MUST present a list of the exhibitors that are raising their projects at the Chapter barn when animals are weighed and tagged in pre-fair. If there is no list, they will not be allowed to weigh a back-up.

- During the weighing of any animal, if there is a question as to the animal’s weight the animal will be removed from the scale, the scale will be balanced and the animal will be placed immediately back on the scale.

Fair Weigh In:

- Exhibitor will present completed quality assurance papers at time of weigh in. Beef exhibitors must have quality assurance and Tyson affidavit, as well as a Bill of Sale.

- Exhibitor will identify which animal will be placed in market class, non-sale or feeder class at time of weigh in.

- During the weighing of any animal, if there is a question as to the animals weight, the animal will be removed from the scale, the scale will be balanced and the animal will be placed immediately back on the scale.

- Any market animal without a sale tag at weigh-in will be deemed ineligible to participate in the market stock sale. Lost tags must be replaced prior to the fair weigh-in by contacting the sale chairman.

- All animals must have clean & healed castration by Fair time Weigh-In.

FREQUENTLY ASKED QUESTIONS ABOUT THE MARKET STOCK SALE

Who organizes and operates the sale?

- The Walla Walla County Cattlemen’s Board of Directors, with the cooperation of the Walla Walla Fair & Frontier Days.

What is the Pool?

- The Cattlemen solicit and collect money from businesses and individuals who wish to support the Youth Sale but are not able to attend the sale or do not wish to purchase an entire animal. This money is considered “pool” money. The Cattlemen organizes 4-6 buyers who spend this money throughout the sale. Pool money is largely responsible for keeping the bidding prices up so that all exhibitors receive an average price. An animal purchased through the pool may have numerous buyers attached to it.

What is the floor price?

- The Floor Price is the current market price offered for each species.

Who pays the floor price?

- The floor price is paid by the company or individual that offers the best current market price.

What is the support price?

- The support price is all the money paid above the floor price.

Who pays the support price?

- Individuals and businesses that want to support and encourage the youth of this area pay the support price.

What is an add-on?

- An add-on is money added to the sale price of the animal after the animal has sold. Individuals or businesses wanting to help support the exhibitor give this money.

What is the commission and what is it used for?

- The commission is a fee charged in order to support the cost of operating the sale. Example costs are promotion, insurance, advertising, brand inspection, clerical and virtual sale expenses. Any unused commission is distributed to the following year’s pool fund, to continue supporting youth exhibitors. The Cattlemen’s Association does not profit in any way from the Youth market sale, it is managed as a community service.

What is the Exhibitors responsibility?

- BEFORE THE SALE: To educate themselves on the project they have chosen. To select an animal and prepare it properly to be worthy of being sold at the sale.

- DURING THE SALE: The exhibitor must be appropriately dressed (see 4-H/Grange/FFA show attire) and must present his/her animal and themselves in a clean, well-groomed fashion.

- AFTER THE SALE: The exhibitor is responsible for the care of the animal until it is time to load out. At that time, the exhibitor is responsible for getting the animal to the appropriate truck or trailer that will be delivering it to its next destination.

What happens should your animal receive a white ribbon in the show ring?

- The animal will NOT be allowed to sell at the Youth Market Stock Sale. This insures that the buyers purchase a finished quality animal.
