In this handbook 4-H, Grange & FFA “fitting and showing” will be referred to as ‘Fitting and Showmanship.’ In Fitting and Showmanship, the emphasis is on the knowledge & performance of the 4-H, Grange & FFA members. A 4-H, Grange & FFA member must prepare their own animal for show. The word “fitting” means more than just feeding the animal for slaughter or exhibit, it includes preparing and grooming the animal in a way to present its best qualities. The word “showing” includes properly handling/showing the animal and knowing the principles of care, management, and breed specifics of that species. Caring for and preparing the animal for a show is the responsibility of the individual exhibiting member. All large and small animals have fitting and showing 4-H, Grange & FFA contests. ‘Fitting and Showing’ is a unique term used in the 4-H program.

## **4-H, Grange & FFA All-Around Large Animal Fitting and Showmanship Contest**

*Staci Maiden (509) 531-4164*

The champions from Beef, Swine, Sheep, Goat, Dairy Goat, Dairy Cattle and Horse divisions will be automatically entered in the All-Around Fitting and Showmanship Contest. If there is no champion, then the highest scoring showman goes to the All-Around Contest. There will be separate contests and awards for 4-H, Grange & FFA and FFA top showman. The contestants will be showing the same type of animal against one another in the timed event. The showmen will rotate until all species are shown. If there is a species that does not have a showman in the All-Around Contest that species will still be shown in the All-Around Contest. In the event that there are not enough animals of any one species to supply all showmen with an animal, that species will not be shown. However, the top showman of that species will get to compete in all other species of the contest. There will be a 12- minute time limit for each class. The showman with the most points will be named the All-Around Showman and receive an award. All 4-H, Grange & FFA contestants must follow the 4-H, Grange & FFA attire requirements for their species, except that no hats will be allowed (helmets ok).
