ENTRY REQUIREMENTS:

- **Size:** The print, without any mounting or borders, must be a minimum of 5x7 and a maximum of 16x20. Any print smaller than or larger than the above-mentioned sizes will be disqualified from judging and displayed if room allows. (may still be displayed but won't be judged)

- **Requested Adhesive:** Mounting **MUST** be secure! Use adhesive that can stand high heat, double stick tape, craft glue, or spray adhesive. Do not use rolled tape of any kind.
- **Disqualifications:** Prints improperly sized, mounted, with advertising, names or watermarks will be disqualified from judging. Copyright infringement will be grounds for disqualification.
- **Print Labels:** The Exhibitors name and title of the photo **MUST** be displayed on the back. **TOP** should be written on the back top of the photo, if the print is questionable, so that it is judged and displayed properly.

Superintendent Notes:

- **Mounting:**

- **Judging:**
- **Is your subject in focus?**
- **Does your entry meet the definitions of the class you are entering it in?**

*Superintendent may advance any entry to AOC if entry shows high skillset and/or if exhibitor has won previous years.
