

Wasatch County Parks and Recreation 2022 Track Club

Welcome to Wasatch Track Club! We are looking forward to a great season filled with fun times as we learn the fundamentals of Track & Field; enjoy participating in track meets, and getting to know each other. Wasatch Track will introduce participants to all events throughout the course of the season. The goal is to introduce the kids to as many events as possible so they can learn where their interests are. Also please remember to act responsibly as you are representing yourself, your family & community.
