4. Lambs will be ear tagged, ~~tattooed~~ and weighed June 1, 2024.

 - a) Ram lambs must be castrated prior to tag-in or they will not be ear tagged.
 - b) Exhibitor may tag in three (3) lambs or a family may tag three (3) lambs per exhibitor. They do not need to specify which lamb(s) belong to which exhibitor at tag-in. Each exhibitor can enter only one (1) lamb in the show. Lambs must be specified to an exhibitor before they are weighed in at the show and will not be changed under any circumstances.
5. Lambs must meet the following criteria:

 - a) Must have milk teeth (central incisors)
 - b) Shorn from nose to knee, including underbelly. No leg wool/hair above hock. They should be clean upon arrival. Lambs will be checked at time of weigh-in.

The committee reserves the right to cover any tag(s) prior to the Show.
 - f) Lambs must be stalled and remain in their assigned pens.
 - g) At the time of weigh in, if an exhibitor does not agree with the weight of the lamb, they may ask for a re-weigh while the lamb is on the scale. At that time the lamb will be brought back to the scale, scale will be zeroed, lamb will be re-weighed and the new weight will be the official weight entered.
6. Lambs will be divided into four (4) equal weight classes.
 7. Only the exhibitor and the lamb are allowed in the staging area prior to their class.
