4. Turkey exhibitors must start project in exhibitor's name when project is started.

5. Exhibitors must be in line by the end of the posted sift time (9:45 a.m.).
6. Turkeys will be sifted by the official judge, with judging to follow. Exhibitor may bring one (1) spare turkey to the sifting line. If birds are sifted by the judge(s), the

10. One (1) Showmanship award will be given to the exhibitor who has the best presentation of their livestock project—proper handling of bird, proper show dress, and behavior in show ring, etc. Showmanship will be judged during the Turkey Show and announced at the conclusion of the show. Only exhibitors showing their own project are eligible for showmanship.
11. Each exhibitor will be responsible for the following:
