## **FACTS**

### **THANK YOU FOR YOUR INTEREST IN BECOMING A VALUED FAIR SPONSOR.**

The Washington County Fair is an event that not only encompasses our entire community but draws attention from surrounding counties. Each year, our combination of first-class exhibits, competitors, rodeo, special attractions and headliner entertainment attracts over 50,000 fair attendees. The Washington County Fair is a non-profit 501(c)3 organization with the purpose of providing scholarships to the deserving youth of our county. Our mission is to promote and encourage agriculture, horticulture and home economics through the exhibition of related products with a principal goal to support youth activities through education and scholarship.

We hope that you will consider joining our family of sponsors. Your sponsorship dollars help us to continue the great traditions that are a part of the Washington County Fair while helping the many children of our county.

# Thank You
