JUDGING

The Washington County Fair uses the Danish System of judging which judges an entry based upon established criteria of quality for each type of product. In this system each exhibit is judged according to how well it meets the criteria rather than how well it compares with other exhibits. The Danish System of Judging does not compare one person's work to another. All judges' decisions are final. The following ribbon colors are used to indicate how the exhibit meets the criteria:

- Purple — Excellent. It is outstanding in all respects and needs no improvement.
- Blue — Exceeds all minimum criteria, but there may be a few minor areas of improvement.
- Red — Average. Met all minimum criteria but needs improvement.
- White — Failed to meet the minimum criteria and needs major improvement.
