## Electrical Connection:

One (1) 5-amp outlet is provided with your Vendor Space. GFCI protection is required for all 120V 20-amp receptacles as required in 2005 NEC 210.8B, and that is to be provided by you, as the Vendor. You are also required to provide all cords you will need, and they must be in good working condition. All End Caps must be in place. The Hard-Wiring of cords will not be allowed. The Washington County Fair reserves the right to refuse to hook up any vendor. Any electrical equipment will be inspected by our licensed electrician and must meet all current electrical code requirements. Beyond that first 5-amp outlet that comes with your space, **any extra electrical needs must be requested in advance.** An additional 120 V 20-amp circuit cost is \$125.00

each. There are a very limited number of 50-amp 240V 4 wire connections available, and they must also be requested in advance at a cost of \$175.00 per drop. All these electrical prices will be outlined in the application where you will be able to request them at the time you apply. If you are issued a License, the Electrical Fees must be paid for at the same time you pay the License Fee.

### **Forklift or Indoor Pallet Jack Needs:**

If you will need a Forklift to off-load/re-load items for your booth, or a Pallet Jack they will be available on a limited basis. The cost for the Forklift and Operator will be a minimum \$100.00 fee per each 30 minutes use (meaning off-load into the booth, and re-loading into your vehicle during the move-out are 2 separate charges) and each will be required to be **scheduled and paid for in advance**. The Forklift Service will be able to be scheduled between 8 AM and 4 PM on each load-in day and for the load-out, if you need Forklift Service, it will only be available on Monday, July 29, 2024, from 8 AM to 4 PM by appointment. The use of the Pallet Jack will cost \$30.00 and you will be able to request it on-site during the load-in and it will be available only on a limited basis, depending on the demand for it.

### **Water Services:**

If you require a water hook-up you will need to **order and pay for this service in advance** after you are extended a License, at a cost of \$75.00 per water service hook-up, and you will pay for it at the same time you pay the License Fee.

### **Vendor Parking Area Season Pass:**

The Washington County Fair offers vendors the opportunity to park in a lot which is reserved exclusively for vendors on the South side of the Wingspan Event & Conference Center. Space is limited and is available daily on a first come, first serve basis. Once the vendor lot is full, vendors will park in regular grass public parking lots. Each contracted company will receive one (1) Season Vendor Parking Pass or ten (10) individual daily parking passes. Additional parking passes are available at a discounted rate. Cost is \$6.00 per day, per pass.

### **Signage:**

All signs used by vendors at the Washington County Fair must be professionally made, so this could be an added cost for you to consider. This includes the required company sign, pricing signs, informational signs, and booth identification signs. ***Handwritten signs, of any type, are NOT allowed.***

### **Decorator/Tents:**

You may provide your own booth supplies, however if you need rental items you must use our in-house decorator. No outside decorators are allowed on-site. If you need a tents or canopy those are required to come from our decorator, we do not allow pop up canopies or tents. Please let us know what you need, and we will get you a price quote that can be added to your vending license.

### **PLEASE NOTE:**

- This is only a partial listing of vendor space information and guidelines.
- The complete 2024 Washington County Fair Vendor Handbook will be provided to you if you are extended a Vending License.
- The number of Commercial Vendor applications received each year is always greater than the space we have available. Unfortunately, this means not all applicants will receive a Vendor License.
- New applicants are selected based on the following criteria:
  - Uniqueness of the product, lack of duplication with what we currently have.
  - Availability of space.
  - Prior experience and/or written recommendations.
- Please **do not send a deposit with your application**, as submitting an application does not guarantee a space at the Washington County Fair.
- If your application is selected, you will be promptly notified, and a Vendor License Agreement will be sent to you.

If you have any questions, please let us know. Good luck and thank you for your interest in joining us for BIG FAIR FUN at the 2024 Washington County Fair!
