### **General Food Concession Information**

#### **Commission Rates:**

Concessionaires at the Washington County Fair pay a guarantee deposit of a minimum of \$600, depending on booth size, and a 27% commission on all gross sales. The deposit amount will be credited back to you as part of your commission payment. We require you to have a Point of Sale System to operate and Wi-Fi access is not available. Our Food Vendor Auditing Program will require you to report your sales daily.

#### Credit/Debit Cards:

All Food Vendors are required to accept credit/debit cards at their stand. Food vendors may not charge an additional fee to customers who choose to use a credit and/or debit card. Food Vendors may, at their own discretion, require a minimum sale of \$10.00 as a condition of credit and/or debit card acceptance. This requirement must be clearly posted to the customers.

#### Menu:

Your application will require you to provide us with your full menu, INCLUDING PRICES, and it's all subject to approval by the Washington County Fair, which reserves the right to add, delete, or modify the menu items and prices. If your application is accepted and a license is issued to you to be a Food Vendor at the 2024 Washington County Fair, all requests for food price or menu changes after that point, including during the run of the Fair, must be submitted in writing and approved in writing by Washington County Fair Management.

#### Soda, Waters, and Energy Drinks:

There is no soft drink exclusivity. Food Vendors may source their own soft drinks, energy drinks, and bottled water. The price of bottled water cannot exceed \$3.00 per bottle.

#### **Trailer Food Concessions:**

If you operate your food concession out of a trailer, you will be required to provide us with the exact measurements, including the tongue, awnings, counters, etc., on the application. <u>All Trailer Concessions must have Food</u> <u>Service/Sales Counters out in front of the trailer</u>. Cooking happens in the trailer, but the sales and service must take place at counters out front. It's very important that you detail the exact space needed for your entire operation, including your prep and storage space, as space is limited.

#### **Non-Trailer Food Concessions:**

All non-trailer Food Concession spaces must use a 20' x 20' canopy that is open on at least 3 sides. Canopies must come from Washington County Fair's exclusive provider; All Star Tents and Rentals. 503-585-9408, <u>info@allstartents.com</u>. No outside tent providers or vendor owned tents are allowed.

#### Small, Non-Cooking Operations:

Smaller non-cooking operations that can be conducted under a smaller 10' x 10' canopy can get approval, depending on the needs and the space available. This includes operations to sell items like Sno-Cones, Lemonade, etc.

#### Move-In Days for Food Concessions:

Move-in for all concessionaires will begin Sunday July 14 at 10:00 a.m. You will coordinate your move-in date and time with the food concession manager at least one-week prior to move-in. Move-in must be complete on Wednesday July 17 at 8PM. <u>NOTE:</u> Before you apply, if you know these move-in dates do not work for your schedule, you must get prior approval to get alternative move-in dates <u>before a Vending License is issued to you</u>.

#### Additional Costs to Consider:

Along with the cost of your Food Concession space, there are additional costs to be considered upon being accepted as a vendor at the Washington County Fair.

#### **Electrical Connection:**

One (1) 20-amp outlet is provided with your Vendor Space. GFCI protection is required for all 120V 20-amp receptacles as required in 2005 NEC 210.8B, and that is to be provided by you, as the Vendor. You are also required to provide all cords you will need, and they must be in good working condition. All End Caps must be in place. The Hard-Wiring of cords will not be allowed. The Washington County Fair reserves the right to refuse to hook up any vendor. Any electrical equipment will be inspected by our licensed electrician and must meet all current electrical code requirements.

Beyond the first 20-amp outlet that comes with your space, any extra electrical needs must be requested in advance. Each additional 120 V 20 amp circuit you need will cost \$125.00 each. There are a very limited number of 50-amp 240V 4 wire outlets available, and they must also be requested in advance at a cost of \$175.00 per outlet. All these electrical prices will be outlined in the application where you will be able to request them at the time you apply. If you are issued a License, the Electrical Fees must be paid for at the same time you pay the License Fee.

#### Water/Gray Water Service:

If you will need a water service hook-up, including the gray water tanks, it will cost \$75.00 per water service hook-up, and you will need to **request this service in advance**. If you are extended a Vending License, the Water Services Fee must be paid for at the same time you pay the License Fee.

#### Vendor Parking Area Season Pass:

The Washington County Fair offers food vendors the opportunity to park in a lot which is reserved exclusively for food vendors in the parking lot closest to the food court & RV park. Space is limited and is available daily on a first come, first serve basis. Once the vendor lot is full, vendors will park in regular grass public parking lots. Each food booth space comes with one (1) Season Vendor Parking Pass or ten (10) individual daily parking passes. Additional parking passes are available at a discounted rate. Cost is \$6.00 per day, per pass.

#### **RV Camping:**

There are a limited number of RV spaces available to be utilized by vendors during the Fair. This includes 7 spaces with limited water and power at \$600.00 each, and 16 dry lot spaces at \$300.00 each. If you are extended a Food Vendor License, the RV Camping Space Fees must be paid for at the same time you pay the License Fee. NO TENT CAMPING IS ALLOWED.

#### Insurance:

All vendors shall supply a Certificate of Comprehensive General liability Insurance covering personal injury and property damage with at least \$1,000,000 limit per occurrence and \$2,000,000 in aggregate coverage listing Washington County, Washington County Fair Board, their officers, elected officials, employees and volunteers as additional insured no later than July 1<sup>st</sup>. Failure to supply the correct insurance certificates by the deadline will result in termination without refund. The Washington County Fair can purchase insurance on your behalf. Please contact the Vendor Manager if you need insurance. Also, proof of Workers' Compensation Coverage must also be provided for any vendor with paid employees (including family members). You are required to show proof of Auto Insurance. Please Note: ID Cards are not a valid proof of insurance. If you are issued a Food Vendor License more details will be provided on these requirements.

#### Signage:

All signs used by vendors at the Washington County Fair must be professionally made, This includes the required company sign, pricing signs, informational signs, and booth identification signs. *Handwritten or homemade signs, of any type, are NOT allowed.* 

#### PLEASE NOTE:

This is only a partial listing of concession information and guidelines. The complete Washington County Fair Concession Handbook is located on the website <u>www.bigfairfun.com</u>.

#### SELECTION PROCESS

The number of new Food Concession applications received each year is always greater than the space we have available since we have a very high return rate with our vendors. Unfortunately, this means not all applicants will receive a Vendor License.

New applicants are selected based on the following criteria:

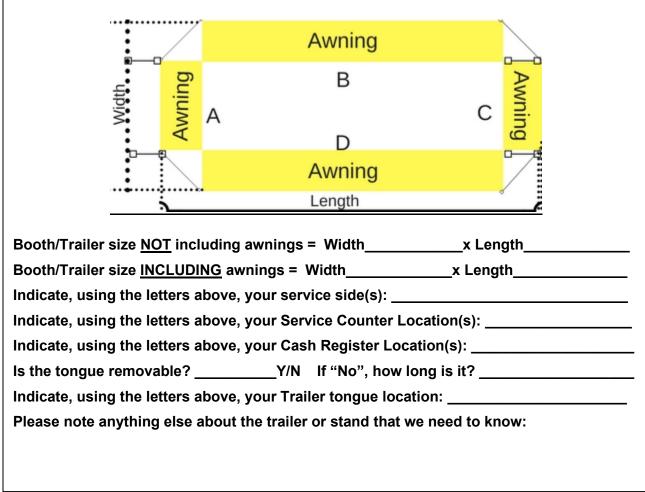

- Uniqueness of the menu, lack of duplication with what we currently have.
- Appearance of the Food Concession in the color photos submitted with the application.
- Availability of space.
- Prior experience or written recommendations.
