Discussion of matters pertaining to the coming fair were had.

It was agreed that the people in the 4-H Department finding it necessary to feed stock or pick up their children should be allowed a pass for \$1.00 upon the signed statement from the 4-H office.

A letter was read from Governor Patterson regretting his inability to be present at the fair but suggested he would be glad to send a wire of greetings if the board desired. The secretary was instructed to write Mr. Patterson that we would be glad to receive his wire.

The secretary asked if the fair board would be willing to buy a desk and after discussion motion was made by Sahnaw and seconded by Abts that she be allowed to purchase a steel desk.
