

Fairgrounds
August 7, 1961

The meeting was called to order by President Lindow at 8:25 P.M.

The minutes of the previous meeting were read and approved as read.

Mr. Giles, Master of the Aloha Grange and Mr. and Mrs. Jacob Kemmer of the Aloha Grange met with the board to discuss the Grange Booth scoring. They recommended that the booth scoring be changed and suggested the board consider the score sheet of the Multnomah County Fair as a guide. They have the following breakdown:

1. Grains (bundles and shelled) - 10 points
2. Grasses - 10 points
3. Vegetables (for home use) - 10 points
4. Berries - 10 points
5. Fruits (other than berries) - 10 points
6. Field crops (potatoes, corn, kale, etc.) - 10 points
7. Other farm crops (nuts, honey, etc.) - 10 points
8. Poultry and dairy products - 10 points
9. Canned products (all products canned, preserved, pickled or specially prepared for home use) - 20 points
10. Arrangement and decoration - 30 points

The board advised them this would be considered and asked them to return to a board meeting after the first of the year.

Mr. Art Lind of Portland attended the meeting in regards to the possibility of playing for a public dance on Saturday, August 26th. He stated he had a 5 piece band and would charge the normal union fee of \$18.00 per member plus 10% additional for the leader. This would mean a guarantee of \$99.00 even if they played at a percentage basis of 40-60%. After some discussion it was agreed that it would be too risky to plan on a good crowd and ^{ordered} ~~advised~~ the Secretary to call him and advise him of their disssion. If he would paly on a 70-30 percentage as he first offered, the board would reconsider.

As nothing has been done concerning the signs for the county roads, Mr. Abts was asked to again contact the County Road Master, County Court, or the County Engineer.

It was decided some sppt annoucements be made on the radio and some advertising put into the special edition of the Oregonian on the 20th of August.

The Cascade Piano and Organ Company had approached the Manager in regard to having an organ musical twice daily at the ~~amory~~ during the fair. It was agreed this would be fine free entertainment.

Mr. Harris Hanson reported to the Board that he had heard from the Oregon State Fair and we will be able to enter our winner of the local talent contest in the competition at the State Fair. The talent contests will be the same as last year with 1st, 2nd, and 3rd place winners on the first and second nights.

Mr. Ball reported the new fencing by the band cost \$360.00.

The Civil Defense asked if they could put up a fallout shelter on the fair grounds. This would be a permanent and working model, approximately 10 x 12 feet. The board agreed this would be fine but no definite place was named at this time.

The following bills were submitted and ok'd for payment:
