

June 6th, 1960

The regular meeting of the Washington County fair board was called to order by the president Al Lindow.

Mr. J. B. Thomas of the F.F.A. met with the board to submit desired changes in this years program. After perusing the attached copies the motion was made by Tony Abts, seconded by Earl Simantel to accept the changes as submitted in this years F.F.A. Schedule. Motion carried.

Lola Thomas will not be able to be with the fair this year and the secretary asked Mr. Thomas if it would be at all possible for him to find a girl to take care of the F.F.A. department during the fair. It seems that to find someone not otherwise employed to do the work for jst a period of a week is rather hard so it will be necessary for the fair board to hire their own personnel.

Charles Pope representing the findings of the Washington Horsemens Assoc. reported that the surveyor did know where the tile in the race track was laid and would be happy to give his time and aid in the locating of them toward the end of getting rid of the drainage problem on the field, during the wet months of the year.

#478 Public employees retirement fund chck for \$72.00 was approved by a motion made by Earl Simantel and seconded by Tony Abts and carried.

Minutes of the previous meeting were read and accepted.

As there was no further business the meeting was adjourned at 10:15 P.M.

Respectfully submitted,

Earl M. Simantel
