Mr. Jossy reported a member of the County Road Department had come out to look over the race track to see what work would be involved. They suggested that the grass be killed first as right now it would take 40 hours to blade it off. The Board advised him to proceed with this operation, but first call the county to see what charges there would be.

The 4-H horse club members requested that the juniors be allowed to leave on Tuesday night. The Board denied this request. Every horse is to leave at 3 p.m. on Wednesday.

Mr. Van Dyke stated the Draft Horse Association voted not to support the activities at the Yamhill County Fair.

Mr. Atwood was to be advised that no money will be paid on Holstein stters. This premium to come from the Holstein Association only.

As there was no further business, the meeting was adjourned.

Respectfully submitted,  
Betty Shearer, Sec.
