FAIR REGULATIONS

ALCOHOL

Alcohol is not allowed to be brought onto the fairgrounds. There will be 2 Beer Gardens & limited bar on the grounds for purchase of alcoholic beverages.

CONCESSIONS

We are conscientious in granting concessions and always try to avoid having any objectionable characters on our fairgrounds during the fair, so that no man, woman, or child can have any cause for complaint. We want our fair to be clean in every respect.

AUTO PARKING

Automobiles will be required to park in places designated by those in charge of the parking. The Fair Management assumes no obligation and no liability for any thefts or damages that may occur. Please note rule 14.

ADVERTISEMENTS

The promiscuous distribution of handbills or other advertising matter is strictly prohibited, and no tacking or posting of advertising bills, cards, etc., will be permitted on any of the buildings or elsewhere. Exhibitors may advertise at, and distribute from, their places of exhibit only.

RULES

While the greatest possible care will be taken by the management to protect patrons of the Washington County Fair, each individual will be held personally responsible for his or her actions, and the management will not be responsible for any injury. The Board of Directors of the Washington County Agricultural Society reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto and otherwise arising out of, connected with, or incident to, the Fair.

1. The entry of articles or animals must be made in the name of the owner or a duly authorized agent and shown on entry application and livestock must be owned 30 days before the Fair opens.
2. No premium money will be paid on discretionary exhibit.
3. Judges will not award animal or article a premium unless in their judgment it is entitled to the premium awarded.
4. No animals or articles shall be removed from the grounds before the time appointed, the last day of the Fair, without consent of the President. Any violation of this rule incurs a forfeit of any or all premiums that may be awarded on the animal or article removed.
5. Any animal that is determined to be unmanageable, or could be a safety hazard to the public, may be removed from the Fairgrounds after consultation with the representation from the Show Committee, Ag Society (Fair Board) President and Extension 4H staff. The determined ruling will be final.
6. Every possible precaution will be taken for the safekeeping of articles on exhibition after their arrival and arrangement, but the society will not be responsible for any damages or losses that may occur.
7. All articles must be marked by cards furnished by the secretary designating class and number. These cards must not be removed until the close of the Fair.
8. All entries must be made in strict compliance with premium lists and awards made in accordance. Parties must therefore take pains to have stock and articles just as they want them.
9. Superintendents will go over and verify their work with the secretary's office and hand in their books.
10. Animals entered as purebreds must be eligible to registry. In livestock classes, the animals shown shall have been the property of the exhibitor at least thirty days prior to the opening of the Fair.
11. Exhibitors are requested to carefully read these rules and get blank applications for entry.
12. Those who wish to promote their political philosophy or specific point of view may rent a booth and provide material from the booth but may not promote their political view or philosophy outside of their booth or on the fairgrounds in general.
13. FFA and 4-H. No more than the assigned number of livestock can be entered.
14. No vehicle parking or unloading after 6 p.m. Friday in center road of fairgrounds.

SANITARY REGULATIONS

15. All buildings, stalls and pens containing livestock will be disinfected under competent supervision previous to the opening of the Fair.

DECORATE A WHISKEY BARREL

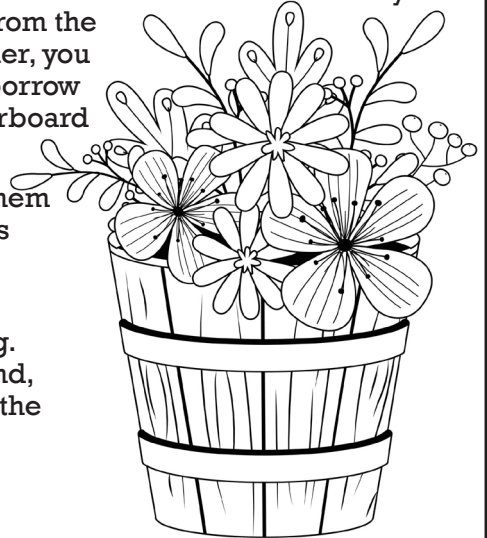

Decorate and/or plant flowers of your choice in a half whiskey barrel that will be provided by the fairboard. The whiskey barrels will then be placed around the fairgrounds, according to your request for full sunlight, partial shade, or full shade, for all spectators to enjoy.

1. Barrels are available for pickup after April 1 if you choose to transport the entire barrel. You may also purchase or borrow a 7 inch liner that fits in the whiskey barrel from the fairboard, making transportation much easier. If you purchase the liner, you may take your display home with you after the fair. If you choose to borrow a liner or plant the barrel, they are on loan and will be retained as fairboard property after the fair.

2. You may plant the barrel or liner anytime after April and may use them around your home or business until the fair. The barrels and/or liners must be delivered to the fair grounds on Friday between Noon and 8:00 pm along with an entry form from the fair website.

3. A panel of three judges will judge the barrels on Saturday morning. Ribbons will be awarded along with \$100 for first place, \$50 for second, and \$25 for third place. The top three will have bragging rights until the next fair and winners will be announced during evening activities.
