

2017 WFA ACHIEVEMENT AWARDS PROGRAM Innovations & Management Excellence

Fair Name: Nevada County Fair

Class: 2

Division: 13
(New Exhibits, Competition)

What was the goal?

We are always looking for fun and new competitions to add to our exhibit program, as well as competitions that engage adults and youth, so this year we created a youth and adult competition/division called “Beach Art.” Because we had a theme of “Sea You at the Fair,” this new exhibit division tied nicely to our theme.

How did you achieve the goal?

We created a Beach Art exhibit division for both youth and adults in the Arts and Collectibles Department. The rules were simple –using items found on a beach or beach-related items, create a piece of beach art - beach glass jewelry or mosaic; decorated beach balls, hat, flip flops or sunglasses; oar art or pebble art; lighthouse made from clay pots; sand bowls; sea shell picture frame; wind chimes; a wreath; or an item of your choice

What were the results?

A popular addition to our competitive exhibit program! We had 73 entries combined in the adult and youth division, including a basket made entirely of dried seaweed and items made of driftwood from faraway places.
