2017 Western Fairs Association Achievement Awards Program Marketing and Media Form

Fair Name: The Big Fresno Fair

Division # and Title: Division 5 – Social Media Campaign: Facebook "Win Front Row Seats" Contest

Class: 4 – Mega Fair

Marketing Goal:

Create buzz and interest for The Big Fresno Fair's Table Mountain Concert Series by holding a series of "Win Front Row Seats" contests on Facebook.

Form of Promotion (what type of promotion was it and where did it appear):

To create buzz for our various Table Mountain Concert Series acts and up the Fair's profile on social media, two front row seat tickets to all except one of the Fair's concerts were given away on Facebook. To qualify to win, Facebook users had to follow the following steps: 1. Like the Post; 2. Share the Post; and 3. Tag a Friend.

Each concert contest was posted roughly one week prior to the show to enable time for the buzz to generate. Additionally, each post was "boosted" by \$50 to get it started showing up in the 65,000+ news feeds of our fans.

Who was your target market?:

Our target market for each concert varied, but our primary target was adults 18 – 49. We first targeted our 65,000+ Facebook fans and their friends, but reached more through their shares.

What was the reach?:

The number of people reached varied by each concert ranging from 5,000 people to 160,000+ plus with each post. See the support section for a detailed breakdown of totals for each concert that were promoted through the "Win Front Row Seats" Contest, as well as screen shots.

What was the ROI or outcome? :

The Facebook "Win Front Row Seats" campaign was met with very positive response in its second year. As noted above, more than 770,000 people were reached with the Fair's message keeping the Fair top of mind in the community and promoting the Fair's concert line-up which boasts <u>SIX</u> sold out shows!

Campaigns like this are part of what helped draw big numbers for the 2017 Big Fresno Fair with 609,036 people. For only the third time in the Fair's 134-year history it broke 600,000 people in attendance as a 12-day event.

Support: Below are the individual stats on each concert post as part of the contest.

- Chris Young Concert on Wednesday, October 4:
