Dear West Texas Fair & Rodeo Livestock exhibitors, families, and supporters –

Congratulations on a successful spring season! We have been preparing for months to see your happy faces and the projects you've worked tirelessly on. I appreciate your patience and welcoming smiles as I've transitioned into this role. It is my expectation that these changes will benefit you directly as we navigate an ever-changing industry. Please understand that none of these decisions were made lightly, and the West Texas Fair & Rodeo Livestock department prioritizes you and your involvement in the West Texas Fair & Rodeo Livestock Shows, and the agricultural industry.

The West Texas Fair & Rodeo Livestock Shows provide an opportunity for junior exhibitors to learn, grow, and find their place in the agricultural industry. I believe these changes will help us accomplish these goals! It is also a place for open exhibitors to spotlight a strong commitment to their respective breed and provides a stage for the best genetics to be showcased. These changes have been made with this in mind. It is my sincere hope that the West Texas Fair & Rodeo Livestock Show will continue to serve its exhibitors, the community of Abilene, and the state of Texas as a whole.

I encourage you to read this letter through the end, so that we may all collaboratively work toward a better show and in turn, a better industry. If you have any questions, please contact me directly by phone, (325) 795-6704, or email, mholder@expoctc.com. The 2023 Premium Book can be found on the WTF&R website, for reference. I look forward to meeting you all in September and am excited about the growth that is undoubtedly coming our way.

Kindest Regards,

Madeline Holder

Madeline Holder

Livestock Secretary and Marketing/Media Coordinator

Thank You Cards

The WTF&R is incredibly fortunate to have generous award, premium, and cash prize sponsors and donors. Individuals, ranches, businesses, and associations selflessly give their resources to the WTF&R Livestock Shows. In order to receive your award, you *must* write a "Thank You" card to the individual, ranch, business, or association. The WTF&R will provide blank "Thank You" cards and cover the postage expense. At the conclusion of your class, if you have won an award, visit the Livestock Office located in the First Financial Pavilion, and write your "Thank You" card(s). Envelopes will be handled by the Livestock Secretary and the WTF&R will cover postage expenses. The WTF&R appreciates your understanding and shares your gratitude for the individuals, ranches, businesses, and associations that are dedicated to the growth of the agricultural industry.

Premiums

Beginning in 2023, exhibitors will no longer be presented premium cash vouchers. The Accounting and Sponsorship Coordinator of the Expo Center of Taylor County and the Livestock Secretary will pre-package envelopes before the show with a placing ribbon and the cash value of that placing. These envelopes will be sealed, labeled, and given directly to the Superintendent on the day of the show. At the conclusion of placings, the Superintendent and their volunteers will hand the sealed envelope to exhibitors. The WTF&R believes that this new method of payouts will encourage accountability and improve the efficiency of the Livestock Shows. The allocated premium amount for placings will be outlined in the 2023 West Texas Fair & Rodeo Premium Book.

Calf Scramble

The Calf Scramble is open to FFA and 4-H members in the following counties: Taylor, Nolan, Fisher, Jones, Shackelford, Callahan, Coleman, Runnels, Coke, Eastland, Brown, Sterling, Mitchell, and Scurry. Please note the addition of 5 counties. Here at the WTF&R, we believe that the youth of Texas should have access to higher education. We hope that expanding our entry eligibility for the Scholarship Calf Scramble will provide more students with the opportunity to pursue higher education at a junior college, trade school, or four-year university. Please see the Calf Scramble special rule sheets in the Premium Book for more information.

Beyond the Ring Junior Livestock Association

All eligible Jr. Livestock Shows are sanctioned by Beyond the Ring Junior Livestock Association. Eligible breeds include Jr. Steers, Youth Market Lambs, Youth Meat Goats, and all Jr. Heifer exhibitors. Placings will be recorded by the Livestock Secretary and sent to BTRJLA at the conclusion of the WTF&R Livestock Shows to be filed with BTRJLA.

Jr. Steer Show

The Jr Steer Show is implementing a 17-Breed Classification system for 2023. Steers must weigh a minimum of 700 pounds to be eligible to show. There will be a 5% tolerance on both sides of the minimum weight. There will be *no* Prospect or Progress divisions – steers will be classified by breed and weight. Weight breaks will be made appropriately by the Jr. Steer Superintendent and the Livestock Secretary. For a full outline of the Jr. Steer Show, see the special rule sheet in the Premium Book. As a result of this new format, Grand Champion and Reserve Grand Champion prize monies has increased. The Grand Champion and Reserve Grand Champion steers will still be hair tested. Once test results have been filed with the Livestock Secretary, the Grand Champion and Reserve Grand Champion Jr. Steer exhibitors will be *mailed* their prize money.

Jr. Hereford Heifer Show

To encourage overall breed growth and membership, the Jr. Horned Hereford Heifer Show and Jr. Polled Hereford Heifer Show have been combined into a single show – the Jr. Hereford Heifer Show. For a full outline of the Jr. Hereford Heifer Show, see the special rule sheet in the Premium Book. This combination is relevant with the Texas Hereford Association show practices and allows Jr. Hereford Heifer exhibitors to be eligible for larger premium amounts and encourages competition for the overall betterment of the Hereford breed. The Jr. Hereford Heifer Show has been approved by the Texas Hereford Association and the Jr. Hereford Superintendent. Registered Horned and Polled Hereford Heifers are eligible to show in the West Texas Fair & Rodeo Jr. Hereford Heifer Show.

Open Poultry

The new entry deadline for Open Poultry exhibitors is August 19th, 2023. This deadline has been implemented to encourage healthier, higher quality birds at the WTF&R Open Poultry Show.

Jr. and Open Llama

There is a new division for the Jr. and Open Llama Show – Sub Junior 7 & Under. This division is open to youth aged 7 and under. Classes will include Showmanship, Obstacle, and Public Relations. Prizes for Sub Junior 7 & Under exhibitors will be Premium B. For a full outline of the new division, see the special rule sheet in the Premium Book.

Open Beefmaster

The new show start time is 10:00 a.m. The WTF&R has made this change to allow Beefmaster exhibitors to travel home safely at the conclusion of the Open Beefmaster Show.

Pre-Junior and Junior Miniature Herefords

There is a new Showmanship division for 2023. Pre Jr. exhibitors will compete in the PeeWee Showmanship Division. Junior exhibitors will compete in Junior, Intermediate, or Senior Showmanship. Showmanship class breaks will be made according to exhibitor age. For a complete outline of the Showmanship divisions, see the special rule sheet in the Premium Book.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

3. **CONSIDERATION:** *For, and in consideration of, the opportunity to participate in any Brangus function, each exhibitor hereby releases the IBBA, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decisions there from.*
4. **DENTAL INSPECTION:** *All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by IBBA in order to determine whether dental development is within allowable limits for the class entered. If the veterinarian determines that, in his or her opinion, dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the*

veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the IBBA Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.

The exhibitor is responsible for the general custody, care, and feeding of their animals when possible, or to help when it is not possible to care of the animal unassisted. Family members and fellow participants may help with these tasks. B) All animals in this division MUST be completely broke to lead for the safety of the exhibitor and others in the show ring. Animals not deemed fit will be removed from the show ring and disqualified from the competition.
- 5. FITTING OF ANIMALS:** A) All animals will be fitted and presented in a proper condition for a beef show. Exhibitors are encouraged to help in any way that is safe and possible for them to do, but no endanger themselves, their animals, or others in the process. 10. **SHOWMANSHIP:** A) Any exhibitor who shows unassisted may compete in this class. B) Animals must be owned and entered by the participant to show in this class.
11. **SAFETY:** A) The purpose for these divisions is to offer the opportunity to young cattlemen and women to participate in cow shows despite their lack of age required to show in Junior/Youth shows. In many cases, these young people have spent hours at the barn with their parents and siblings working "show calves". To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, Safety is the most important factor in this event. We want these young agriculturalists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.
12. **ANIMAL HEALTH:** Animals entered must be within the guidelines of the Livestock Health Requirements. Certificate of Veterinary Inspection current, within 30 (thirty) days is required and must be presented upon arrival, at Gate 6/H, to be allowed onto the grounds. Brand inspections are required from areas within Brand Inspection Areas. Please carefully check the guidelines for each show, as they are similar but somewhat different.
