Once disqualified due to an illegible permanent identification mark, animals cannot be re-tattooed/branded and rechecked at the show. Original BBU Certificate of Breeding must be presented for each animal shown (BBU Certificate of Breeding application on calves 30 days and younger).

4. FITTING: This is a Blow-and-Go show. Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or the use of ANY false hair), use of graphite, powders, hemp or other similar substances externally; steroids, growth stimulants, or artificially filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.

5. EXHIBITORS: Only one person at a time shall lead animals into the show ring. Exhibitors must be a member of the Junior Beefmaster Breeders Association to show. Exhibitors must be at least 6 years old on January 1, 2025 but not over the age of 21. Entries may be completed online by the exhibitor, and there is no limit to the number of heifers an exhibitor may enter.

6. PEDIGREE: All heifers must be registered with the Beefmaster Breeders United as a purebred and out of a BBU Certified purebred dam, second cross dam, or otherwise stated in the BBU bylaws. Heifers will be inspected to ensure that identification numbers and brands/tattoos match identically with the BBU Certificate of Breeding.

7. JOINT OWNERSHIP: When both owners are JBBA members, joint ownership will be accepted. However, animals must be entered and exhibited in the name of one of the owners. Parent-youth joint ownership will not be eligible.

8. PREG-CHECK: Animals 2 years of age or older on the day shown must be palpated safe in calf by a licensed veterinarian and so state on the health certificate, with the exception of cows nursing their natural calf-at-side (under 6 months of age), in which case the animal will show open.

9. SHOW DISMISSAL/REMOVAL FROM GROUNDS: Any heifer that, in the opinion of the designated BBU official, would be a detriment to the breed shall be removed from the show, regardless of any prior classification. Examples would be heifers exhibiting signs of low fertility, genetic or physical defects. Any uncontrollable heifer will be dismissed from the ring at the discretion of the judge. Failure to comply with these rules or to cooperate with show management shall be grounds for removal.

HOP INTO THE JUNIOR RABBIT SHOW!

FRYER CLASSES are made up of rabbits, exhibited in uniform **pens of 3**, with the intended purpose of going to market. These animals are similar in muscle mass and are typically judged on weight, size, condition, appearance, fur, and fleshing. Consistency and uniformity across your market pen are key to a successful show. All rabbits exhibited in the West Texas Fair & Rodeo Junior Rabbit Show Fryer Classes must be of the New Zealand or California breed and shown in a pen of 3. New Zealand and California rabbits are the only eligible breeds to be shown in the Fryer Classes. Fryer pens will have a combined rabbit weight of no less than 9 pounds. The maximum weight for a fryer pen will be 15 pounds, with a maximum weight per rabbit of 5 pounds.

BREEDING CLASSES are made up of single rabbits, exhibited in their respective age classes, that **exemplify the ideal characteristics of the breed**. These animals are judged on bone structure, conformality, fur, muscle type and condition, any other unique characteristics of the breed. If you breed, own, or show New Zealand, Californian, or Satin rabbits – they will be shown in Breeding Classes #01. through #09. Rabbits in classes #01. - #09. will be divided based on age: Senior Bucks & Does (over 8 months), 6-8 month Bucks & Does, and Junior Bucks & Does (under 6 months).

4 CLASS rabbits are any of the following breeds: American Fuzzy Lop, American Sable, Angora (English, French, or Satin), Belgian Hare, Britannia Petite, Chinchilla (Standard), Dutch, Dwarf, Dwarf Hotot, Dwarf Papillon, English Spot, Florida White, Harlequin, Havana, Himalayan, Holland Lop, Jersey Wooly, Lilac, Lionhead, Mini Lop, Mini Rex, Mini Satin, Netherland Dwarf, Polish, Rhinelander, Silver, Silver Martin, Tan, Thrianta. **4 Class** rabbits are grouped by age and judged as a single entry. Rabbits in this grouping are generally smaller breeds with a mature weight **under 9 pounds**. Rabbits will then be grouped by age: Senior Bucks & Does (over 8 months) and Junior Bucks & Does (under 6 months). If you breed, own, or show any of the above breeds, your rabbits will be entered in the 4 Class Division at the West Texas Fair & Rodeo Junior Rabbit Show.

6 CLASS rabbits are any of the following breeds: American, Angora (Giant), Argent Burn, Beveren, Blanc de Hotot, Champagne d'Argent, Checkered Giant, Chinchilla (American, Giant, Standard), Cinnamon, Crème d'Argent, English Lop, French Lop, Flemish Giant, Giant Lop, Hotot, Palomino, Rex, Silver Fox. **6 Class** rabbits are grouped by age and judged as a single entry. Rabbits in this grouping are generally larger breeds with a mature weight **over 9 pounds**. Rabbits will then be grouped by age: Senior Bucks & Does (over 8 months), 6-8 month Bucks & Does, and Junior Bucks & Does (under 6 months). If you breed, own, or show any of the above breeds, your rabbits will be entered in the 6 Class Division at the West Texas Fair & Rodeo Junior Rabbit Show.

If you have questions about showing rabbits or would like to brush up on Rabbit Showmanship skills, the Livestock Secretary recommends the ARBA Standard of Perfection, the Washington State University Extension 4-H Rabbit Round Robbin Question Guide, and the Texas A&M AgriLife Extension Rabbit Project webpage.

2. QUALIFICATIONS FOR CONTESTANTS:

 - 4-H and FFA members must reside in the following counties: Brown, Callahan, Coke, Coleman, Eastland, Fisher, Jones, Mitchell, Nolan, Runnels, Scurry, Shackelford, Sterling, and Taylor.
 - Must have been actively participating in 4-H club activities for one year OR enrolled in Vocational Agriculture prior to scrambling.
- OR BE THE FOLLOWING:
 - Senior aged students who plan to attend technical school, junior college, or a four (4) year university.
 - 4-H and FFA members must reside in the following counties: Brown, Callahan, Coke, Coleman, Eastland, Fisher, Jones, Mitchell, Nolan, Runnels, Scurry, Shackelford, Sterling, and Taylor.
 - Must have been actively participating in 4-H club activities for one year OR enrolled in Vocational Agriculture prior to scrambling.
3. The Calf Scramble will take place during the performance of the PRCA Pro Rodeo on Saturday, September 6.
4. Twenty-five (25) contestants will compete. Contestants will be selected by 4-H and FFA supervisors.
5. Alternates: ONLY alternates that are present during roll-call will be considered for the scramble.
6. Ten (10) calves will be turned out into the arena.
7. Contestants and calves will be placed in the arena as determined by management.
8. Contestants will carry into the arena a halter with an attached ten (10) foot rope. Neither the halter or the rope will be used as a lariat. The halter must be placed on the calf in the usual way. The WEST TEXAS FAIR & RODEO will supply the halter and rope.
9. No shoes with spikes, cleats, or knobs on soles will be worn. No open-toed shoes will be worn. No slip-on shoes will be worn. Shoes must be cowboy boots or shoes with laces.
10. No jewelry, earrings, rings, necklaces, or large belt buckles will be worn. No large holes in pants or jeans will be allowed.
11. Contestants will not be allowed to work as a team. Each contestant will attempt to catch and halter one of the calves themselves. Each contestant catching a calf will be required to lead that calf across the finish line without aid. After catching a calf and placing a halter on the calf, the contestant will not be allowed to fasten the rope to themselves in any manner to aid in leading the calf across the finish line.
12. If a contestant has a hold on a calf, no other contestant will be allowed to touch the calf until it breaks away.
13. If a contestant has caught and haltered a calf and the calf gets away, the contestant can re-catch the calf by the halter. However, once the calf gets free, it is available for anyone to catch – but not by the halter. The new contestant must catch the calf – not by the halter, take the old halter off, and re-halter the calf with their own halter.
14. If a calf is caught by the tail, the contestant catching the calf shall be allowed a reasonable amount of time to place the halter; however, at the discretion of the referee, the contestant will let the calf go.
15. If two or more contestants catch the same calf, they will be ordered by the referee to release the calf.
16. Poor sportsmanship will disqualify any contestant automatically and the referee will not tolerate undue roughness. Any mistreatment of an animal will not be tolerated and is grounds for disqualification.
17. This scramble will be refereed by a group of no less than four (4) referees.
18. The CEA/AST must submit applications to scramble at the WEST TEXAS FAIR & RODEO CALF SCRAMBLE no later than 5:00 pm on August 22, 2025. Only entries that have all paperwork (Entry Form and Release Form) submitted by the deadline will be considered to scramble. Entries can be submitted three ways:

22. A purchase certificate must be used for the purchase of livestock, which will be the contestant's 4-H or FFA project. The breed and sex of livestock is to be determined by the contestant and their CEA/AST. All projects purchased must be shown the following year at the WEST TEXAS FAIR & RODEO. Contestants may use the purchase certificate for breeding or market beef cattle, sheep, goats, swine, rabbits, or poultry. Animals need to be of a breed that is exhibited at the WEST TEXAS FAIR & RODEO. Certificates MUST be completed and received by the Fair office no later than September 1 the following year after the certificate is awarded.
23. Scholarships will be paid in full within the first year to the institution in which the scrambler is enrolled. The institution must be a technical school, junior college, or a four (4) year university.
24. Participants will not be allowed to purchase animals from themselves, immediate family members or their ranches (family ranches or partnerships), or any CEA/AST. If livestock is purchased for less than the amount of the certificate, the remaining amount can be used for the purchase of ANOTHER animal to be shown at the WEST TEXAS FAIR & RODEO. A check will be issued to the seller from the WEST TEXAS FAIR & RODEO for the amount outlined in the purchase certificate. Checks will not be issued to 4-H Clubs or FFA Chapters.
25. Steers and heifers must be purchased by July 1, all other livestock (sheep, goats, swine, and poultry) must be purchased by August 1. Rabbits must be purchased forty-five (45) days prior to show. At purchase time, the seller will notify the WEST TEXAS FAIR & RODEO of the purchase by sending the purchase certificate and a billing invoice to the WEST TEXAS FAIR & RODEO. A check will be cut when a purchase certificate is received by the seller.
26. The entire program, including the selection of animal, the care and management, and the purchase process will be under the supervision of the CEA/AST. That supervisor will be the CEA/AST of the county/school currently resides under.
27. Scramblers may not transfer their scramble project from their original 4-H Club or FFA Chapter without written approval by the WEST TEXAS FAIR & RODEO.

Participants who fail to fulfil their obligations as stated in these rules, will result in revocation of the Purchase Certificate and the participant will be required to repay the certificate amount value to the WEST TEXAS FAIR & RODEO.
