2023 YOUTH LIVESTOCK AND POULTRY GENERAL RULES AND REGULATIONS

Livestock Superintendents: Donald Kmiec, Denny Mears & Kevin Till

ALL RULES WILL BE STRICTLY ENFORCED

Rules & dates are subject to change. Please refer to the web site for most current rulebook.

1. Opening day of the Wharton County Youth Fair (WCYF) will be March 24, 2023, unless postponed or extended by the Board of Directors. The WCYF will close at midnight, Saturday, April 1, 2023. Check out times will be 8:00 a.m. until 9:00 a.m. Sunday, April 2, 2023, unless specified differently in departmental rules. ANY EXHIBITOR WHO DOES NOT COMPLY WITH THE CHECK OUT RULES MAY FORFEIT AWARDS, SALE MONEY AND THE RIGHT TO COMPETE IN SUBSEQUENT FAIRS.
2. As a condition for participation in the Junior Market Shows, every Exhibitor must agree to submit DNA validation samples of any and all animals entered by Exhibitor for purposes of identification. The WCYF requires that the animal exhibited at the Show be the same as the animal entered at the tag-in. WCYF specifically reserves the right to obtain and maintain hair and/or blood DNA samples and have analysis made on any animal entered for the competition. The conclusion reached by the testing companies/laboratories shall be final, without recourse against the WCYF or its service providers. In the event the animal's identity (Show sample) is found to differ from its validation sample, WCYF is authorized to permanently bar the Exhibitor and his or her family from any further participation in the Fair. The Exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums, and scholarships if the animal and/or Exhibitor is disqualified.
3. Competition shall be limited to members in good standing in a Wharton County 4-H Club or Wharton County FFA Chapter, and who live in and/or attend a primary or secondary school in Wharton County. All exhibitors must have been enrolled in a Wharton County 4-H Club or Wharton County FFA Chapter by January 31, 2023. Exhibitors may enter any project that has not been tagged in or ordered prior to this date.
4. Exhibitors must be 8 years old and in 3rd grade to be eligible to participate.
5. In attempting to comply with the No-Pass, No-Play rules of the area schools, all youth exhibitors will be responsible for their grades. The WCYF office will verify eligibility on all exhibitors prior to packet pick up. This rule will be enforced by the WCYF for kindergarten through 12th grade exhibitors. If the exhibitor is not passing, they will not be allowed to show their projects in the WCYF.
6. In order for home school students to show in the WCYF, they must have been passing the last six weeks for which they were enrolled in public or private school. This rule does not apply to exhibitors who have been enrolled in home schooling prior to beginning of the current school year. Home schooled students must present verification of passing grades three weeks prior to the Fair.
7. Exhibitors are strongly encouraged to submit their entries online. It's fast, easy and leaves less room for errors. The online site will be live September 1st and the link will be posted on the Fair website at whartoncountyyouthfair.org. Complete and submit the entry form and print a copy for your records. Upon submission, exhibitors will be emailed an entry receipt. Please print this receipt and bring to tag-in along with your printed and signed form, payment (if not paid online), release of liability and W-9 for (first-time exhibitors only). **You will have the option to submit payments online. A convenience fee will apply.**

8. Entry fees for all market animals will be \$30.00 per head (NOT exhibitor) and will be due at the time of validation or tag-in, whichever is appropriate. Entry fees MUST accompany the entry or the ENTRY IS NOT VALID. Entries for Jr. Breeding Beef, Ag Mechanics, Open Horse and Dairy must be paid at the respective entry deadline or Progress Shows. They are \$30.00 per entry. Late entry forms for Open Horse, Ag Mechanics, Jr. Breeding Beef and Dairy may be accepted at the discretion of the Department Chairman, provided that a late entry fee of \$60 per entry is paid up to 10 days after the original due date.
9. Livestock and Poultry entries will be limited to one entry per division, with the exception of Jr. Breeding Beef, Open Horse, Ag Mechanics and Dairy.
10. Family tag-in will be allowed in the Steer, Commercial Heifers Lamb, Rabbit, Market Goat, Swine, Poultry and Pen of Three divisions. This will be interpreted as immediate family living in the same household. An exhibitor may tag-in no more than two animals per division, excluding Pen of Three Heifers, Rabbit and Poultry (see division rules). Each exhibitor must tag-in an animal in the division to be in a family tag-in. Example: John and Mary both must tag-in a lamb; the family also has the option to tag-in an alternate or an alternate for each child, for an additional fee. Then exhibitors may choose any of the tagged in lambs for the show. If an exhibitor is listed on the exhibitor card for family tag-in, that child must have an animal in that division tagged in. Remember to list each child's name on the entry forms for family tag-in.
11. Scales in each department are official. One scale will be used to determine the weights of the animals in that department. If for any reason there is a question about a weight, the animal may be backed off the scale, the scale balanced, and the animal re-weighed IMMEDIATELY, but only ONE additional time. No time shall lapse between first and second weighing. Re-weighs do not apply to rabbits.
12. Exhibitors should familiarize themselves with the check-in times and dates of the different departments. Exhibitors showing two or more exhibits may have to make more than one trip to the Fairgrounds, and should plan accordingly. Check-in days and times will be strictly followed.
13. If an animal dies within two weeks after the tag-in date, the exhibitor has the option of finding another animal, as long as an alternate was NOT tagged in (Excluding Rabbits & Poultry). Broilers or Roasters can be re-banded up to 10 days after pickup.
14. The Livestock Superintendents will assign all stall and tie out spaces. No person shall take possession of a stall without having been assigned. Shavings will be allowed in the Ammann and Johse Barn. WCYF will provide the initial shavings in the Amman & Johse Barn; if an exhibitor wants to add shavings to their stalls or pens, they must provide their own. It will be the responsibility of the exhibitor to remove all shavings from their stall area or be charged a fee of \$25.00. Stalls and tie outs must be cleaned by the end of checkout on Sunday, April 2, 2023.
15. Exhibitors must have ALL stalling equipment unloaded and/or set up no later than 5 p.m. Friday, March 24, 2023. Stall must be completed by Sunday, March 26th at 12 p.m. No vehicles or trailers will be allowed into the fairgrounds after 5 p.m. on Friday, March 24th unless you have a parking pass or are unloading animals on designated check-in days. Stalling equipment should not include any elements that will block the flow of air in the barn.
16. All exhibitors must display signs with their name, club, breeder and/or sponsor (if applicable) above their entry, including dairy merit.
17. All exhibits must have been owned, fed, and groomed by the exhibitor since the beginning of the project.

18. The WCYF is subject to the rules of the Texas Animal Health Commission, and encourages all exhibitors to read the rules that are posted in the Office Complex. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All market animals entered into livestock competition will be subject to a random drug test for any unapproved medication or foreign substances that exceed levels established by the FDA, FSIS, USDA, or EPA. No medication or injections of any kind may be administered to any animal after check-in without the supervision of the Livestock Superintendents. The delegate may be the WCYF President, Official Veterinarian, or individual Department Chairman. If an animal becomes ill after check-in, the WCYF will make every effort to contact the exhibitor or the family of the exhibitor. If the animal is in danger of dying, and the exhibitor cannot be reached, the WCYF will use its own discretion on calling a veterinarian. The expense will be incurred by the exhibitors and not the WCYF. Each exhibitor eligibility form will include a place for the exhibitor to sign authorizing the WCYF to act on his/her behalf in case of such an emergency. The WCYF will not assume any responsibility in case of damage, death of animal, or any financial loss.
19. Feed and supplies are the responsibility of the exhibitor as specified in each department. Cattle may be fed and watered in the stalls, provided the feeding and watering is supervised and that it is done during the following times: prior to 7:30 a.m.; 11:00 a.m. to noon; and 4:00 to 6:00 p.m. Exhibitors must clean stalls and pens before 8:00 a.m., and feed at regular times. However, all feed and supplies must be removed from aisles and the area around the stalls kept neat and clean. Exhibitors will be allowed to feed hay in the barn, excluding pen of three and goats. Hay MUST be stored in designated area and/or tack area.
20. All owners of property or livestock shall care for, guard, protect, and preserve the same, as the WCYF will not undertake to do so, unless specified in the department rules. The WCYF will not be held responsible in the case of loss, death, or injury to property, livestock, poultry, or possessions. Any exhibitor who neglects his or her project will be subject to disciplinary action by the Executive Board, which may include elimination from show and/or sale.
21. The WCYF strictly prohibits any grooming or further care for show of any youth livestock project by anyone other than the exhibitor or his or her immediate family, (immediate family consists of brother, sister, mother, father, grandfather, or grandmother), County Extension Agent (CEA), Ag Teacher (AST), 4-H Club Manager and Project Leaders (leader must be from Wharton County), or member of the 4-H or FFA.
22. No animal will be awarded a prize unless removed from its pen or stall and exhibited for judging. Any animal in the opinion of the ring steward or department chairman that is deemed uncontrollable will be eliminated from showing.
23. No premium or award shall be given if the project or display is not deemed worthy, or if the opinion of the Executive Board is that it is not the work of the exhibitor.
24. If an animal dies before final placing, it will be ineligible for further competition, except in the Roaster and Broiler competitions, where it will be at the discretion of the Poultry Committee and Livestock Chairman.
25. The decision of the judges, and classifiers once given, is final; only if fraud is involved will the decision be debated and rescinded.
26. Premiums and showmanship premiums for Dairy and Jr. Breeding Beef will be paid in cash on the day of the show. Premium money is donated by the Wharton County Commissioners Court. WCYF

will pay premium checks for Merit Heifers from contributions made to that program after the close of the WCYF.

27. It is the exhibitor's responsibility to notify the buyer if his/her animal has had any medication with restrictions concerning slaughter and consumption.
28. All sale items must be delivered to the buyer within TWO weeks of the Sale, unless other arrangements have been made with the buyer. ALL SALES ARE FINAL. The exhibitor must deliver the project(s) as per the buyer's instructions. If the delivery is not made, the exhibitor may forfeit any proceeds and the right to any future participation in the WCYF at the discretion of the WCYF Executive Board. Exhibitor must contact the buyer if they plan to substitute the animal purchased with a different animal
29. The WCYF, its officers, or agents are in no case responsible for the loss of property, injury, or damages to persons or property. The exhibitors shall indemnify the WCYF against any legal or other proceedings in regard thereto, as well as damages or injury to any person or property caused by the exhibitor (or any animals exhibited), or arising out of or in any way connected with such exhibition.
30. The Livestock Chairmen shall interpret and enforce any and all rules and regulations of the Livestock and Poultry Division of the WCYF.
31. Showmanship contests will be divided into age groups by the exhibitor's birth date and age as of January 1, 2023.
32. Exhibitors are not allowed cell phones in the judging area.
33. Any exhibitor's animal on the WCYF grounds is subject to use during in the Livestock Judging contest. When an exhibitor is called upon to furnish one or more animals for the livestock judging contests, he or she will cooperate with the Show. Refusing to allow an animal to be used in this manner, without Show approval, will result in the forfeit of any prizes or other action the Show deems necessary. Selection will be made under the direction of the department superintendent. Every attempt by the livestock judging committee will be made not to injure or harm any animal. Animals will be returned to their stalls once judging is complete.
34. Once the animal has entered the fairgrounds and has been checked in, the animal will not be allowed to leave the interior fence of the fairgrounds until check out time. Be familiar with the times on the livestock schedule.
35. ALL EXHIBITORS WILL BE REQUIRED TO COME TO THE FAIRGROUNDS SUNDAY, April 2, 2023 FROM 8 to 9 A.M. TO RECEIVE FINAL BUYER INFORMATION. 37. Any exhibitor who violates a rule in the Wharton County Youth Fair Livestock Rulebook will be subject to a penalty, which will be determined by the Executive Board.
38. All protests must be in writing, signed and brought to the Fair Office, with the \$100 fee. In the event the protest is upheld, the \$100 will be refunded. Acceptable protests will be at the discretion of the Executive Board.

39. All first-year exhibitors must turn in a W9 form. Release of Liability Forms are required every year.

HEALTH REGULATIONS

The WCYF is subject to the rules and regulations of the Texas Animal Health Commission. On May 20, 1991 the Commission adopted rules exempting Texas livestock and poultry entering INTRASTATE shows in Texas (including the Wharton County Youth Fair) from requirements established for entry into the state. This means that a Certificate of Veterinary Inspection (health certificate) is not required for livestock and poultry for our show. A current (within the past 12 months) negative EIA test is required for horses. Cattle are not required to be tested for brucellosis and tuberculosis. The Pullorum-typhoid test is not required for poultry.

DISCLAIMER: IT IS POSSIBLE THAT THE RULES AND REGULATIONS MAY IN SOME WAY BE ALTERED BETWEEN THE PUBLICATION OF THIS SUPPLEMENT AND THE TIME OF THE SHOW. NEITHER THE EXECUTIVE COMMITTEE NOR STAFF IS RESPONSIBLE FOR LOSS OR PERSONAL DAMAGE THAT MAY RESULT FROM ANY RULE CHANGE AND RESERVES THE RIGHT TO ALTER OR AMEND ANY RULE IT DEEMS NECESSARY.

PARENT WORK RULE

A parent/guardian of any exhibitor exhibiting a project at the Wharton County Youth Fair (excluding Bucket Calf) is required to work a minimum of three (3) hours per exhibitor. If a parent has helped on a committee for at least one year and the chairman has added the parent to that committee list, those hours will count for one exhibitor. It is the parent's responsibility to sign in with the chairman to receive the credit. If you have more than one exhibitor, you must work the other hours at one of the places listed below (WORK AREAS). If a parent cannot work the 3 hours, they may ask a family member or friend to work for them; all workers must be 21 or older. A link to view the schedule and choose a work time will be available on the website in early 2023. Parents/Guardian must sign up on or before March 1, 2023. Parents choosing not to work a three (3) hour shift will be assessed a fee of **\$300** per exhibitor. Parents/Guardian of exhibitors who choose not to work must make payment to the Fair Office by March 1st.

If payment is not received the \$100 fee will be deducted from the exhibitor's Sale Check. Failure to comply with the Parent Work Rule may forfeit the right to future participation in the WCYF.

This includes all directors & associate directors. No changes of work hours will be accepted after March 1, 2023. DO NOT CALL THE FAIR OFFICE. It will be the parents' responsibility to find a replacement.

Work Areas: Main Gate, Exhibitor Gate, Ag Adventures Barn

There will be links at www.whartoncountyyouthfair.org for each online sign-up location.

Drug Policy

All animals shown at the Wharton County Youth Fair shall be drug free at the time the animals are checked in at the WCYF grounds, and the animal shall remain drug free during the time such animals are at the WCYF grounds.

Further, no animal may be shown at the WCYF that has ever, during its life, been administered any quantity of an unapproved drug. The purpose of this Policy is to protect the food chain and to insure a fair competition among exhibitors. As used in this Policy, the term “drug” shall mean any drug, chemical, medication, or feed additive. The details of the Policy are set forth below:

Exhibitor’s Responsibility for Any Drug Use

The use by non-veterinarians of animal drugs, or other substances, in any manner other than in accord with the labeling approved by the FDA is a violation of federal law. Exhibitor or exhibitor’s parent and/or guardian, agree that:

1. They are, absolutely, the persons responsible for the care and custody of the exhibitor’s animal.
2. As a condition for participation in the Show, exhibitor agrees to submit his/her animal to any drug test required by the WCYF. The WCYF shall be entitled to disqualify any exhibitor whose animal tests positive for any drug - even if the exhibitor and the exhibitor’s parents are innocent of any wrong doing and did not administer the drug and even if the source of the drug is unknown:
3. The drug test results of the testing laboratory used by WCYF, shall be final and binding and without recourse by the exhibitor against the WCYF, its Directors & Associate Directors, Officers, Managers, Representatives, Agents, or Employees.

Exhibitor/Animal Disqualification for Drug Use

1. Unapproved Drug Use

An exhibitor is prohibited from showing an animal that has, at any time in its life, been administered any quantity of any unapproved drug, chemical, or medication. Such drugs include, but are not limited to, any diuretic, unapproved growth stimulator, or other unapproved medication. Unapproved means not approved by the FDA and/or USDA for slaughter animals, including animals that may be destined for human consumption. All animals shown at the WCYF will be subject to random drug testing at the time of the show as detailed below.

2. Approved Drug Use

All animals that are shown at the WCYF shall be drug free at the time the animals are checked in at the WCYF grounds. If prior to check-in, an animal has been administered a drug that is FDA and/or USDA approved for that species, sufficient time must have passed so that the animal does not test positive for that drug on the fairgrounds. Stated plainly, all animals must be free and clear of all drug and chemical residues at the time the animals are judged at the Fairgrounds. All animals shown at the WCYF will be subject to random drug testing at the completion of the specific show. Please note that elimination time is generally longer than the labeled withdrawal time for most approved drugs. Under this Policy, a drug that

is not approved by the FDA and/or USDA for the specific species to which that drug is administered is an unapproved drug. Also, if an approved drug is administered by a route, in a dosage, or for a condition that is not approved by the FDA and/or USDA, that drug, as so misused, is an unapproved drug.

Drug Testing of Animals

Random Drug Testing

Immediately after the show for a market division, at the discretion of the Livestock Chairmen and the Executive Board, the Champion and Reserve Champion animal may be tested, and one per class of such market division may also be randomly tested for drugs. When an animal is initially drug tested, the test samples will be split into two samples; such that, if the animal tests positive on the initial drug test, the remainder of the split sample will be available for a confirming drug test. An Exhibitor whose animal tests positive on the initial drug test can request a Confirming Test, provided however, that the Confirming Test will be conducted at the EXHIBITOR'S EXPENSE and at a laboratory chosen by the WCYF. The Exhibitor requesting such Confirming Test must pay the WCYF for the full cost of such Confirming Test, before the WCYF will submit the sample to the laboratory.

Penalties for Drug Use

Unapproved Drug - Any exhibitor whose animal tests positive for any unapproved drug will be disqualified and shall forfeit all prizes, sale proceeds, and awards. The disqualification of an exhibitor will not alter the placing of the class of animals or the sale order. Further, the disqualified exhibitor shall be prohibited from exhibiting at the WCYF for 3 years. The exhibitor must attend one 4-H or FFA chapter/club meeting and speak on the use of unapproved and approved drugs and the consequence on testing positive. The exhibitor must bring a signed statement from the club leader stating that you have spoken with the club/chapter. If this rule is not followed, the exhibitor shall be prohibited from exhibiting at the Wharton County Youth Fair for another year.

Approved Drug - Any exhibitor whose animal tests positive for any approved drug will be disqualified and shall forfeit all prizes, sale proceeds, and awards. The disqualification of an exhibitor will not alter the placing of the class of animals or the sale order. The exhibitor must attend one 4-H or FFA chapter/club meeting and speak on the use of unapproved and approved drugs and the consequence on testing positive. The exhibitor must bring a signed statement from the club leader stating that you have spoken with the club/chapter. If this rule is not followed, the exhibitor shall be prohibited from exhibiting at the Wharton County Youth Fair for another year.

Emergency Treatment at WCYF grounds - If an animal requires emergency treatment while on the Grounds, the exhibitor shall notify the Livestock Chairman prior to the treatment of the animal, and the Livestock Committee Chairman shall witness such emergency treatment of the animal. Only a licensed veterinarian will be allowed to administer any drug, chemical, or feed additive(s) to the animal. If the drug, chemical, or feed additive (s) administered by the veterinarian prior to the time the animal is shown and judged at the Show, the animal will be disqualified. If the drug, chemical, or feed additive (s) administered by the veterinarian after the time the animal has been shown and judged in the Show, the animal will not be disqualified, but the animal MUST be withheld from slaughter for the full withdrawal time and be drug and chemical free at the time of slaughter.

No Exception May Be Granted To This Policy - No Director, Officer, Manager, Livestock Committee Chairman, or any other agent or representative of the WCYF, has the authority to grant an exception to this policy. Such persons, therefore, cannot grant an exception of any kind to this Policy, and no alleged exception – even if granted by such person – will be binding upon, or honored by, the WCYF, and any such alleged exception will not, in any manner, effect, excuse, or prevent, the enforcement of this Policy.

Procedure - It is suggested that the collecting Veterinarian or Residue Avoidance Chairman assign (the exhibitor, parent or guardian of the exhibitor or agent designated by the exhibitor) to each animal to be collected. The animal to be collected will be designated by show officials (ring steward, superintendent, etc.). The Residue Avoidance Chairman or Veterinarian should explain to the responsible party what is being done by the collection of urine samples to facilitate cooperation.

1. As the animal to be collected leaves the show arena, it should be separated to the collection area. The collecting veterinarian should complete the collection information sheet and explain to the responsible person the requirements for collection:

- a. A responsible person is required to stay with the animal until all collection procedures are completed. Refusal to stay with the animal may result in disqualification and forfeiture of the placing and prizes. The collection veterinarian should clearly identify the responsible person for the animal. Do not assume the person standing nearby is a responsible person.
- b. The responsible person(s) are responsible for the care of the animal until collection is completed. The Residue Avoidance Chairman should remind the responsible person(s), as needed that at least one of them **MUST** remain with the animal. If they leave the animal unattended it should be called to the collecting veterinarian's attention.
- c. Only the responsible person should be administered any water, feed, electrolyte solution, etc... It is the responsible person's responsibility to monitor administration of such substances.
- d. Any abusive or inappropriate technique to stimulate urination should not be allowed (examples: choking, running).

2. After urine is collected by the exhibitor, parent or guardian of the exhibitor, or designated agent, the collecting veterinarian will remove two sealed urine specimen containers. The sample will be divided equally between the two containers. At least 30 cc's per container is requested.

3. The collecting veterinarian shall replace and firmly attach the lid of each urine specimen container, seal containers with evidence tape provided, and will take care to seal the entire rim of the container with one continuous piece of evidence tape.

4. Have the responsible person inspect each container and ask if the samples are sealed to his/her satisfaction.

5. Label the lids and sides of each specimen bottle with the ear tag number from the animal, and have the responsible person inspect each container and ask if the samples are labeled with the animal's ear tag number to their satisfaction.

6. Have the responsible person sign on the evidence tape and place their initials from evidence tape to lid from evidence tape to container. Have the collecting veterinarian do the same.
7. Have the responsible person sign the collection form in the column provided.
8. Unlock each lock box separately and place each specimen container in the appropriate box with the responsible person observing one of the two specimens in one of the lock boxes and the second specimen in the other lock box.
9. Lock each box immediately upon placing each sample in the boxes. The key(s) to the lock(s) are transferable only to the collecting veterinarians or Residue Avoidance Chairman, not to exhibitors, committee members, etc. The locked samples boxes should be attended at all times until transported to Veterinarians Clinic and/or Texas Veterinary Medical Diagnostic Laboratory (TVMDL).
10. Upon completion of all collections for the species for the day, the locked sample boxes shall be transported to the Veterinarians Clinic. A collecting veterinarian shall accompany the samples at all times during movement, etc., until transported to Texas Veterinarian Medical Diagnostic Lab.
11. Texas Medical Diagnostic Lab officials should collect samples from the lock box. Notify the superintendent of abusive or unruly people in the collections areas. Security guards can be assigned if necessary.

Further, no letter of explanation, note, or excuse, from a veterinarian or a vocational agriculture teacher, county extension agent to an exhibitor, or to the WCYF, as to the administering of any drug, chemical, medication, or feed additive to an animal shall grant an exception to this Drug Policy. No such letter of explanation, note, or excuse from any such person will be honored by the WCYF, and any such alleged exception will not, in any manner, effect, or excuse, or prevent, the enforcement of this Policy.

2. Broilers must be ordered through the WCYF Office.
3. All birds will be banded bearing official WCYF wing bands. Each exhibitor will be assigned a wing band number. Only wing-banded birds will be allowed to show. Broiler chicks will be a straight run commercial type. A minimum of 25 broilers must be ordered. Additional broilers may be ordered in increments of 25, not to exceed 75. Broilers must be ordered in the individual exhibitor's name, not one order per family.
4. All birds of the same division will be of the same hatch and of the same breed.
5. It will be acceptable to show either or both sexes in the Broiler division.
6. Family Exhibitors will be allowed to show any pen of broilers that was ordered by an exhibitor living under the same household. Once a pen of broilers plus alternate is selected for show, the wing band numbers of that entire pen must match. Wing band numbers between family exhibitors cannot be combined to make up a pen.
7. All broiler exhibitors will have a card in their exhibitor packet that **MUST** be completed with the Broiler wing band number the exhibitor is showing. This card **MUST BE BROUGHT TO CHECK IN**.

Should a bird die or become injured before sifting starts, it can be replaced by the alternate. If a Broiler dies after sifting and before the final judging, the exhibitor must report it to the chairman and request permission from the chairman to substitute an alternate.
11. To eliminate confusion during the scoring of birds, observers will not be allowed in the Poultry judging area. Due to the congestion and out of consideration for the next exhibitor, each exhibitor is asked to move on after his/her birds are judged, and to move boxes or cages out of the area. Parents or

two other persons are allowed to assist the exhibitor in holding the birds. However, if the exhibitor or assistant fails to move as directed after scoring, they may be disqualified.

12. Grand and Reserve Champion Exhibitors will provide their own feed, and be responsible for feeding and watering their broilers during fair week. The WCYF will exercise every precaution in caring for the birds, but will assume no liability or legal responsibility in case of loss or death of birds while they are on the fairgrounds.

13. If a bird dies any time after judging, scoring, and placing, it may be replaced by a bird of similar quality for sale.

14. If there is any question about the breeding of a bird, the judge's opinion will serve as the final answer.

15. Only "Grade A quality" birds will be considered for the Sale of Excellence or the Freezer Sale. Sifted birds will not be sold in the freezer sale or sale of excellence and these birds must be removed from the Fairgrounds immediately after the judging is completed.

16. Broiler exhibitors will take all broilers home after judging. ONE Grand Champion and ONE Reserve Champion Broiler must remain at the fairgrounds until check-out date.

17. All birds are subject to drug testing.

18. Broilers will sell as individual lots in the Sale of Excellence.

19. Broilers will be released by the check-out schedule only. ALL BROILER EXHIBITORS will be required to come to the Fairgrounds on Sunday, April 2, 2023 from 8 a.m. to 9 a.m., to receive final buyer information and disposition instructions. DAIRY MERIT HEIFERS

Chairmen: Grace Glaze, Ross Glaze, Mike Smaistrila, Scott Valenta Danielle Valenta & Denise Anderson

VALIDATION & ENTRY FEE:	Saturday, October 29, 2022	8 - 9 a.m./\$30.00
PROGRESS SHOW:	Sunday, January 29, 2023	1:30 p.m.
FAIR CHECK-IN:	Monday, March 27, 2023	11 a.m. – 12 p.m.
SHOW DATE:	Thursday, March 30, 2023	10:30 a.m.
CHECK-OUT:	Sunday, April 2, 2023	8 – 9 a.m.

The purpose of the Dairy Merit Program is to develop interest and enthusiasm in the WCYF Dairy Department and to provide participants interested in raising a project for the WCYF an opportunity to participate in a breeding program. This program is not a terminal project; that is, it is not designed for ending with the sale of the animals. Rather, it is hoped that the award of a Dairy Merit Heifer will be the basis for many years of participation in the WCYF. After the initial Dairy Merit Show, the Dairy Merit Heifer can be shown in the regular Dairy classes for years to come.

PEN OF THREE HEIFERS

Chairmen: Richard Lockley & Bennie Woodruff

TAG-IN & ENTRY FEE:	Saturday, October 22, 2022	\$30 for first 3 head an additional \$30 for anything over 3
	<i>Wharton Livestock Auction Barn</i>	8 - 10 a.m.
MANDATORY MEETING:	Wednesday, March 22, 2023	6:30 p.m.
FAIR CHECK-IN:	Wednesday, March 29, 2023	7 - 8 a.m.
INTERVIEW/SHOW	Wednesday, March 29, 2023	9 a.m./2 p.m.
CHECK-OUT:	Thursday, March 30, 2023	7 - 8 a.m.

1. Exhibitors must read and be familiar with the "General Livestock and Poultry Rules and Regulations", including Drug Policy, Parent Work Rule, Sale and Livestock Schedule.
2. Pen of Three Heifers must be assigned to a pen; three to five heifers constitute a pen. Only three heifers will be eligible to be shown. Example: At tag-in heifers must be assigned to a family member/individual exhibitor. Those heifers must stay in that pen but the family member exhibitor may switch pens. Example: Tom, Mary, and Sue checked in pens #1, 2 and 3 respectfully. Tom is a Sr. this year and Sue's pen is the better set of heifers so at check-in the family decides to let Tom show her pen and she will show his pen.
3. Each family may have one alternate, not to exceed five heifers per pen, including the alternate. An exhibitor is allowed to show any pen under that family name. Example: If you tag in more than 3 heifers per pen your alternate is in that pen. Example: Tom and Mary Jones each tag in a pen of heifers. Tom's pen has 4 heifers and Mary's has 5 heifers. Therefore, the pen in Tom's name will have to choose three heifers from the four in that pen. The pen in Mary's name will have to choose three heifers from the five in that pen. You cannot take one heifer from Tom's pen to Mary's pen. Example: Tom, Mary and Sue Jones each tag in a pen of heifers. Tom's pen has 4 heifers, Mary's and Sue's has 3 heifers. One of the heifers in Tom's pen can be used in either Mary's or Sue's pen but the heifer that the alternate replaces cannot go to another pen.
4. ALL heifers must have all baby teeth at tag in and will be checked by the committee.
5. Animals may be grazed or fed, and will be judged as replacement heifers.
6. Heifers **DO NOT** have to be vaccinated for Brucellosis. Palpation certificate must be turned in at mandatory meeting, Wednesday, March 22, 2023. Exhibitor will be disqualified if this certificate is NOT turned in. No exceptions!
7. Classes will be divided into Bred Class or Open Class. All exhibitors must designate bred or open at the mandatory meeting on Wednesday, March 22, 2023. If the exhibitor has any heifers in their pen that is bred the pen will show in bred Class.
8. Exhibitors must furnish a palpation certificate on ALL heifers open or bred from a licensed veterinarian. NO blood test will be accepted. Heifers must be palpated March 1st or later.

9. Individual heifers that have calved before check-in at the fair will not be eligible to show. If a heifer calves after check-in while on fairgrounds, heifer can still be shown.
10. Exhibitors will be required to participate in an interview beginning at 9 a.m. on the day of the show. Exhibitors are NOT allowed to take anything into the interview with them.
11. If the Heifers are deemed unsafe by the Committee & Livestock Superintendents the cattle will not be judged in the show ring but will be judged in their assigned pens.
12. Exhibitors may not use hay for bedding or feed during the WCYF. It is the responsibility of each exhibitor to clean his/her pen and alley daily. Each exhibitor is responsible for getting his or her pens ready after the mandatory meeting Wednesday, March 22, 2023 and before check-in day.
13. The OVERALL Champion and Reserve Champion Pen of Three are required to sell in the Sale of Excellence. The sale of other pens is optional. Exhibitors who do not wish to sell their heifers must scratch them from the Sale of Excellence. The deadline for scratching from the Sale of Excellence is one hour after the last Market Show results are posted. Heifers not in the Sale of Excellence may be entered into the Replacement Heifer Sale. The deadline for entering heifers in the Replacement Heifer Sale is Wednesday, March 29, 2023 at 8:00 p.m.
14. Exhibitors who do not want to sell their heifers in the Sale of Excellence or Replacement Heifer Sale will be checked-out Thursday, March 30th, from 7:00 a.m. to 8:00 a.m.

Wing band numbers between family exhibitors cannot be combined.

8. All roaster exhibitors will have a card in their exhibitor packet that must be filled out and brought to check in.

9. Birds with missing wing bands will not be allowed to show. Bands that are not legible will not be allowed to show.

10. Evidence of tampering with wing bands will not be tolerated. The decision of the judge is final.

11. No person may take possession of a pen without being officially assigned by a chairman.

12. An exhibitor will be allowed one alternate bird per category. That alternate must be with the exhibitor when he/she checks in with the birds. Should a bird die or become injured before sifting starts, it can be replaced by the alternate. If a Roaster dies after sift and before the final judging, the exhibitor must report it to the chairman and request permission from the chairman to substitute an alternate.

13. To eliminate confusion during the scoring of birds, observers will not be allowed in the Poultry judging area. Due to the congestion, and out of consideration for the next exhibitor, each exhibitor is asked to move on after his/her birds are judged, and to move boxes or cages out of the area. ONLY a Parent and the exhibitor are allowed to assist the exhibitor in holding the birds. However, if the exhibitor or assistant fails to move as directed after scoring, they may be disqualified. Everyone will be allowed back in the judging area as soon as the scoring and recording is completed.

14. Grand and Reserve Champion Exhibitors will provide their own feed and be responsible for feeding and watering their roasters during fair week. THE WCYF WILL EXERCISE EVERY PRECAUTION IN CARING FOR THE BIRDS, BUT WILL ASSUME NO LIABILITY OR LEGAL RESPONSIBILITY IN CASE OF LOSS OR DEATH OF BIRDS WHILE THEY ARE ON THE FAIRGROUNDS.

15. If a bird dies any time after judging, scoring, and placing, it may be replaced by a bird of similar quality for sale.

16. If there is any question about the breeding of a bird, the judge's opinion will serve as the final answer.

17. Only "Grade A quality" birds will be considered for the Sale of Excellence or the Freezer Sale. Sifted birds will not be sold in the freezer sale or sale of excellence and these birds must be removed from the Fairgrounds immediately after the judging is completed. Roaster exhibitors will take their Roasters home after judging. Grand and Reserve Champions MUST STAY.

18. All birds are subject to drug testing.

19. Roasters will sell as individual lots in the Sale of Excellence.

20. Roasters will be released by the check-out schedule only. SALE OF EXCELLENCE - Saturday, April 1, 2023 @ NOON

A total of 275 lots will be sold in the Sale of Excellence at the 2023 WCYF. The number of lots that sell in each division will be determined after entries from each division have been submitted. The calculated number of lots that will sell in each division in the Sale of Excellence will be posted at the Fair Office and on the WCYF website, prior to any animals being checked in at the 2023 WCYF. WCYF Executive Board retains the right to change the number of lots to sell if deemed necessary.

The following RULES AND REGULATIONS apply to the SALE OF EXCELLENCE:

1. The Sale Committee reserves the right to make additional rules and regulations with the approval of the Executive Board, when necessary, to handle the Sale in the most equitable way.
2. The Sale will be held on Saturday, April 1, 2023, unless re-scheduled by the Board.
3. Sale order is arranged by the Sale Committee. Sale numbers MUST BE PICKED UP Saturday morning, April 1, 2023 from 9:00 until 11:00 a.m. in Crescent Hall.
4. Sale order will be posted on the website and in the results case at the Main Office Complex Thursday, March 30, 2023. It is the responsibility of each exhibitor to check these lists and know his/her place in the Sale order. Alternates are sometimes moved up into the Sale of Excellence, so it is important to watch for the lists. If an exhibitor misses his/her place in line, he/she is disqualified and must sell later in the Freezer Sale. IT IS WORTH EXHIBITORS' TIME TO CHECK THE SALE ORDER CAREFULLY!
5. No project, regardless of placing, will be sold if it is deemed unworthy.
6. All Grand Champions and Reserve Grand Champions will sell, except for Dairy Merit, Dairy, Jr. Breeding Beef & Horse. If an exhibitor has more than one champion, he/she may sell all champions, making him/her ineligible to sell in the Freezer Sale or Replacement Heifer Sale.
7. Sellers/exhibitors must be present at the auction to sell. They must be in place at the appropriate time since the Sale cannot be held up for one person. If an exhibitor misses his or her place in the Sale order, he or she will be disqualified and may then sell only in the Freezer Sale.
8. In the event that an emergency, hospitalization, or death in the exhibitor's immediate family occurs, the exhibitor is to notify the Sale Chairman immediately. The Executive Board and the Sale Committee will determine at that time, what, if any, alternative arrangements can be made concerning the Sale of Excellence.

9. Exhibitors are requested to notify buyers if they have given medication for which withdrawal times have not expired.

10. All sales are final.

11. WCYF will assess 1.5 % interest per month to all outstanding invoice balances that are not paid within 60 days of the date of invoice.

12. All sellers/exhibitors must find out who their buyers are, and be responsible for determining where the buyer wishes the animal(s) to be delivered. IF DELIVERING TO A PACKING HOUSE, EXHIBITORS MUST CALL FOR AN APPOINTMENT PRIOR TO DELIVERY. For the exhibitors' own protection when an animal is delivered, they should have someone sign that he/she received the animal. In the case of packing houses, exhibitors should retain proof of delivery in case an animal's records are confused or lost. Exhibitors need to make sure they inform the packing house of the buyer's name or who should be called for processing instructions. Poultry and rabbits must be processed before delivery, unless otherwise specified. EXHIBITORS NEED TO PROTECT THEMSELVES BY KEEPING RECORDS OF THEIR DELIVERY! IN MANY INSTANCES, PROJECTS ARE RE-SOLD EITHER TO AN INDIVIDUAL OR TO A DESIGNATED MARKET. THE EXHIBITOR WILL BE RESPONSIBLE FOR FINDING OUT WHO THE FINAL BUYER IS AND MAKING DELIVERY ACCORDING TO HIS/HER INSTRUCTIONS. The Sale Committee will make every effort to provide accurate information at checkout on Sunday, April 2 from 8:00 a.m. to 9:00 a.m., concerning the buyer of the project(s).

13. A 5.5% commission will be charged on all lots sold in the Sale of Excellence, including add-ons.

FREEZER SALE

The primary purpose of the Freezer Sale is to help exhibitors whose animals did not make the Sale of Excellence. Since the WCYF competition has grown so strong, each year the percentage of animals not making the sale has also increased. These exhibitors, who invested so much of their time, have in the past left the WCYF feeling very disappointed. Some have had feed bills to pay and other expenses of the project to cover with little hope of breaking even on the sale of their animals. The WCYF feels the quality of the effort is worthy of some compensation, whether or not the quality of the animal was sufficient for a blue ribbon. The WCYF ask therefore, that everyone come out and make an effort to buy. It means a lot to the participants, and the cost is little more than a trip to the grocery store.

Market animals (Steers, Lambs, Goats, Swine, Rabbits and Poultry) that do not qualify for the Sale of Excellence are automatically entered in the Freezer Sale. Exhibitors not wanting to sell their projects must scratch the project from the Sale by 8 p.m. on Wednesday. Heifers (Pen of Three or Commercial Heifer) that do not make the Sale of Excellence may be entered into the Replacement Heifer Sale (see rules that follow).

1. Pre-Sale of Freezer Sale Projects will begin promptly at noon and close at 5:00 p.m. Friday, March 31, 2023, in the Freezer Sale Office in the Main Office Complex. Telephone pre-sales will not be taken until 1:30 p.m. on Friday, March 31, 2023.

2. Pre-Sale of Freezer Sale Projects will continue on Saturday, April 1, 2023, beginning 10 a.m. through the end of the Sale of Excellence, and will be located in Crescent Hall.
3. The exhibitors of Freezer Sale items will be assured of market price or better, but a maximum price for the project will be set.
4. Exhibitors need not be present to sell in the Freezer Sale if they find out their project has been pre-sold. Exhibitors are responsible for checking with the Freezer Sale Committee, located either in the Freezer Sale office or Crescent Hall, to determine if their animal was pre-sold. All Freezer Sale Projects not pre-sold will be auctioned immediately following the last lot in the Sale of Excellence.
5. Any exhibitor may withdraw an item from the Freezer Sale between 5 p.m. and 8 p.m., Wednesday, March 29, 2023. ALL SALES ARE FINAL. The exhibitor must deliver the animal as per the buyer's instructions. If the delivery is not made, the exhibitor may forfeit the right to any future participation in the WCYF. NO COMMISSION will be charged to exhibitors on Freezer Sale items.
6. ALL SALES who scratch from the Freezer Sale would still be eligible for the Sale of Excellence if enough exhibitors scratch in their division.

REPLACEMENT HEIFER SALE

The Replacement Heifer Sale provides an opportunity for exhibitors to be compensated for the time and expenses incurred in their projects. In an effort to provide a market for more animals, the Sale Committee will conduct the Replacement Heifer Sale in conjunction with the Freezer Sale, to give the exhibitor the availability of an additional avenue for selling his/her project.

This Sale differs from the Freezer Sale in that an exhibitor who wishes to take advantage of this market must come to the Freezer sale office of the main building and sign up to participate by 8:00 p.m., Wednesday, March 29, 2023.

1. The Sale Order will be posted in the result case at the Main Office Complex on Thursday, March 30, 2023.
2. Pre-Sale of Replacement Heifer Projects will begin promptly at noon and close at 5:00 p.m., Friday, March 31, 2023 in Freezer Sale Office, Main Office Complex. Telephone pre-sales will not be taken until 1:30 p.m. on Friday, March 31.
3. Pre-Sale Replacement Heifer Projects will continue on Saturday, April 1, 2023, beginning at 10:00 a.m. through the end of the Sale of Excellence and will be located in Crescent Hall.
4. Any Replacement Heifer Project not sold by the end of the Sale of Excellence on Saturday, April 1, 2023, will be taken home by the exhibitor.
5. ALL SALES ARE FINAL. The exhibitor must deliver the animal as per the buyer's instructions. If the delivery is not made, the exhibitor may forfeit the right to any future participation in the WCYF. No commission will be charged to exhibitors on the sale of Replacement Heifers.

IMPORTANT SCRATCH INFORMATION

An exhibitor can sell only one project in the Sale of Excellence. He or she must notify the Sale Committee Chairman or authorized person as to which project should sell. The deadline for scratching from the Sale of Excellence is one (1) hour after the results of the last Market Show are posted. The scratch room will open at 5 p.m. on Wednesday, March 29, 2023. If the Sale Committee is not notified, and the exhibitor has failed to scratch a project, it will be up to the discretion of the Committee to determine which animal will sell. Once the sale sheet has been completed and printed, no substitutions will be allowed. If the exhibitor does not want to sell the animal on the sheet, the exhibitor must withdraw from the Sale altogether.

Each exhibitor may sell only two items: one item in the Sale of Excellence and one item in the Freezer Sale or Replacement Heifer Sale; OR one item in the Freezer Sale and one item in the Replacement Heifer Sale; OR two items in the Freezer Sale; OR two items in the Replacement Heifer Sale. THE DEADLINE FOR SCRATCHING FROM THE FREEZER SALE or ENTERING THE REPLACEMENT HEIFER SALE IS 8 p.m., WEDNESDAY, March 29, 2023.

FLOORED ANIMALS

It will be the exhibitor's responsibility to check the website at www.whartoncountyyouthfair.org early Sunday, April 2nd or call the fair office to see if the project has been floored. If your animal was floored you MUST bring your animal back to the fairgrounds on Sunday, April 2nd between 8 a.m. and 9 a.m. to load on the truck. If the animal is NOT brought back to the fairgrounds on Sunday morning the exhibitor will be charged the floor price and will be responsible for paying that to the Wharton County Youth Fair. Floored animals that are not posted online will NOT be taken on Sunday morning. NO EXCEPTIONS.
