 The Freezer Sale gives you, the supporters of the youth of Wharton County, the opportunity to encourage and compensate an exhibitor for his time and effort. Because of the increased number of projects each year, competition is keener and some have to learn the hard lesson of disappointment for not making the Sale of Excellence. These fine young people have taken on the responsibility of caring for their project, following the rules and fulfilling their commitment, as well as investing time and money. We wish to congratulate each exhibitor for their fine effort and encourage them to try again next year. You can provide your encouragement by supporting this effort and purchasing one of these projects.
