2023 Sponsorship Opportunities

JOIN THE FUN!!!

August 4 –12, 2023

In the beginning...

In the beginning, a small group of individuals met to discuss the agri-tourism trend sweeping the country and how the Williamson County Ag Expo Park and the UT Extension Service could partner to capture that enthusiasm in our county. Thus the idea to bring back a traditional county fair was born and we held the new Williamson County Fair in 2005.

The Williamson County Fair is not a county entity and is not a part of the State of Tennessee government and thus receives no tax dollars or other subsidies. We are a 501(c)3 Non-Profit organization dedicated to our mission of providing a family friendly fair, promoting agriculture, bringing communities together and celebrating the traditions of Williamson County.

We would like to thank all of our Corporate Partners who have been with us since the Fair began in 2005, as well as those who have joined us along the way. We appreciate their continued commitment and support to the largest community event in Williamson County! Through these partnerships, the Williamson County Fair has grown annually, and has been recognized among the best by its peers at the state and international levels. We pride ourselves on providing a safe, clean, family friendly fair for all to enjoy.

Each sponsor's marketing needs are developed to meet your goals and objectives, offering a wide variety of opportunities to maximize your sponsorship dollars. Contact our Sponsor/Vendor Coordinator to Join the FUN!

2023 WILLIAMSON COUNTY FAIR SPONSORABLE ITEM DESCRIPTIONS

BMX Trickstars

A fair favorite returns in 2023! This team has a lineup of talent that reaches as high as a Gold Medal. They are class acts on and off the stage. It's amazing to see them perform as they pull off tricks that many would consider impossible. It's a must-see show...and generally draws some of the largest crowds. Performers feature brief verbal recognition of sponsor at each show, and there is written recognition as show sponsor.

Polka Dot Entertainment - Balloon Exhibit, Balloon Design, Strolling Act and More

Poppin' Penelope's exhibit starts from nothing and grows into a larger than life balloon wonderland. People will return every day to see what sprouted overnight. Every time she plants her balloon seeds the creation is different, from a 15' flamingo to a life sized Ferris wheel. The only limitation is her imagination! Penelope creates unique photo opportunities, social media buzz, and is a huge visual draw for newspapers and TV. Joined by husband Peter, he is an expert on stilts, at making balloons, and strolling entertainment.

Ninja Experience

The Ninja Experience offers highflying, jaw dropping, in your face action! Crowds will watch in amazement as these top athletes test their strength and agility on an intense obstacle course. Fairgoers become a part of the experience with hilarious audience participation and stunts that will have everyone on the edge of their seats.

Sea Lion Splash

The Sea Lion Splash is an entertaining and informative presentation that showcases the relationship between an "adopted family" of rescued sea lions and their handlers. Each of the sea lions being cared for by Sea Lion Splash LLC has been assigned to them by the National Marine Fisheries Service (informally known as NOAA Fisheries), a federal agency that is a division of the National Oceanic and Atmospheric Administration. Sea Lion Splash LLC is fully licensed by NOAA Fisheries, the U.S. Department of Agriculture, and the Florida Fish and Wildlife Conservation Commission. A huge hit at our 2022 fair, the Sea Lion Splash provided great entertainment for old and young alike!
