

FOR IMMEDIATE RELEASE:
July 28, 2020

**INAUGURAL WILLIAMSON COUNTY FAIR & RODEO
RESCHEDULED TO 2021**

WILLIAMSON COUNTY, TX – The Williamson County Fair Association has announced the rescheduling of the Inaugural Williamson County Fair and Rodeo. Previously scheduled for October 22-24, 2020, the fair and rodeo will debut October 21-23, 2021.

“The Williamson County Fair and Rodeo is an event designed to bring together the entire Williamson County community to celebrate our agricultural heritage,” said Scott Heselmeyer, President of the Williamson County Fair Association. “As much as we want to make that happen this fall, the board of directors has determined that the most responsible course of action for the community, our volunteers, and our sponsors is to reschedule the Inaugural Williamson County Fair and Rodeo for October 2021. For now, we want to focus on promoting the health and wellbeing of everyone in our community. Next year, we will look forward to putting on a first-class event that all of Williamson County can enjoy together.”

The association will continue efforts this fall toward programs that benefit youth in Williamson County. This will include continued planning of a youth livestock show and moving forward with a scholarship program. More details on these efforts will be released at a future date.
