The Woodlands Arts Council - Phase VI Public Art Benches

What would you like your artist to know about what went into your decision to underwrite an Art Bench?

Our campaign for our 15-year anniversary has been #TWYAGIVESBACK. We are blessed to have an established business in The Woodlands for 16 years now. We would like to give back to the community that has supported us throughout our years in business. Those that have entrusted their kids to us. The staff that we consider family that have worked for us, started their educational careers with us and especially those that are still working with us today. As a preschool, we are also very thankful that we were one of the preschools to survive COVID.

What went into your decision in selecting the specific site location for the bench you are Underwriting?

Northshore Park is the perfect area for us. The park hosts many families and it's the perfect area for us to support TWAC and give back to the community.

What feelings do you want this bench to convey?

We want this bench to be fun, colorful, and interactive. We want it to draw children in with fun activities for them to interact.
