

# LOOKING AT ART

# BEST OF SHOW 2023

NOTICE

Pause and take a deeper look at a single piece of art. With so much to see at the Arts Festival it's good to slow down. Look for SHAPES, COLORS, MATERIALS & LINES.

FEEL

How did the art make you feel? Happy, Sad, Excited, Humorous. What might the artist have intended you to feel?

DISCOVER

What did you find in the art? How would you describe it to a friend?

ASK

Find the artist and ask them to tell you about a particular piece. The beauty of an arts festival is having the creator of the work present to tell you all about it!

# OUR IMPACT

## DISCOVER HOW WE MAKE ART MATTER

For nearly two decades The Woodlands Arts Council has impacted Montgomery County with over \$1.4 Million in giving. In 2023-2024 our programs have facilitated over \$130,000 in Art Microgrants and Student Art Scholarships!

The Woodlands Arts Council has awarded Student Art Scholarships since 2005. This year, 17 students were awarded a total of \$49,800. They submitted portfolios of 2D, 3D, and literary works of art for judging and an interview process. Images of their work have been compiled into the Student Art Anthology Volume II.

## MY ARTISTIC JOURNEY: A TALE OF LUCK & DETERMINATION

When people compliment my artistic skills, I don't consider myself talented. Rather, I attribute my success to luck and determination. I wasn't a child prodigy with a paintbrush in hand. In fact, I wasn't interested in art until I turned 15. My family was moving to the US, and I had one year of high school left to complete. My father proposed private painting lessons as an alternative to attending school. I jumped at the chance to learn. Shortly after, we moved to Los Angeles, and I found myself in a high school where everyone spoke English except me. Art became my favorite class because I didn't need to speak. I knew I wanted to be a traditional painter, but training opportunities were scarce 30 years ago. My journey led me to several schools and locations, such as Loyola Marymount University, Art Center College of Design, Florence Academy in Italy, and Student League in New York. Despite attending all of these schools, I felt lost and confused. It wasn't until I met David Leffel, a master painter, that things started to click.

David was my guide for the next seven years, and he often said, "Painting is logical and therefore learnable." I desperately wanted to learn, so I painted hundreds of bad paintings until something finally shifted. Every artist's journey is unique, and mine was long and winding. However, I feel lucky every day to be painting, learning, and discovering new things.

## LETTER FROM THE TWAC PRESIDENT

Welcome to the 19th Annual The Woodlands Waterway Arts Festival produced by The Woodlands Arts Council. We are proud to have you in Town Green Park and along The Woodlands Waterway for three full days of artistic discovery!

As a long time volunteer & TWAC Board President, nothing beats the thrill of a few hundred fine artists descending on our beautiful town, setting up their tents and presenting us with their special work.

This year's featured artist, Regina Lyubovnaya, comes to us by way of Los Angeles. Her painting, "Water Break," has encouraged us all to contemplate what can be learned from pausing and noticing the world around us. I hope you all stop by her booth in Watercolor Terrace to see her incredible work!

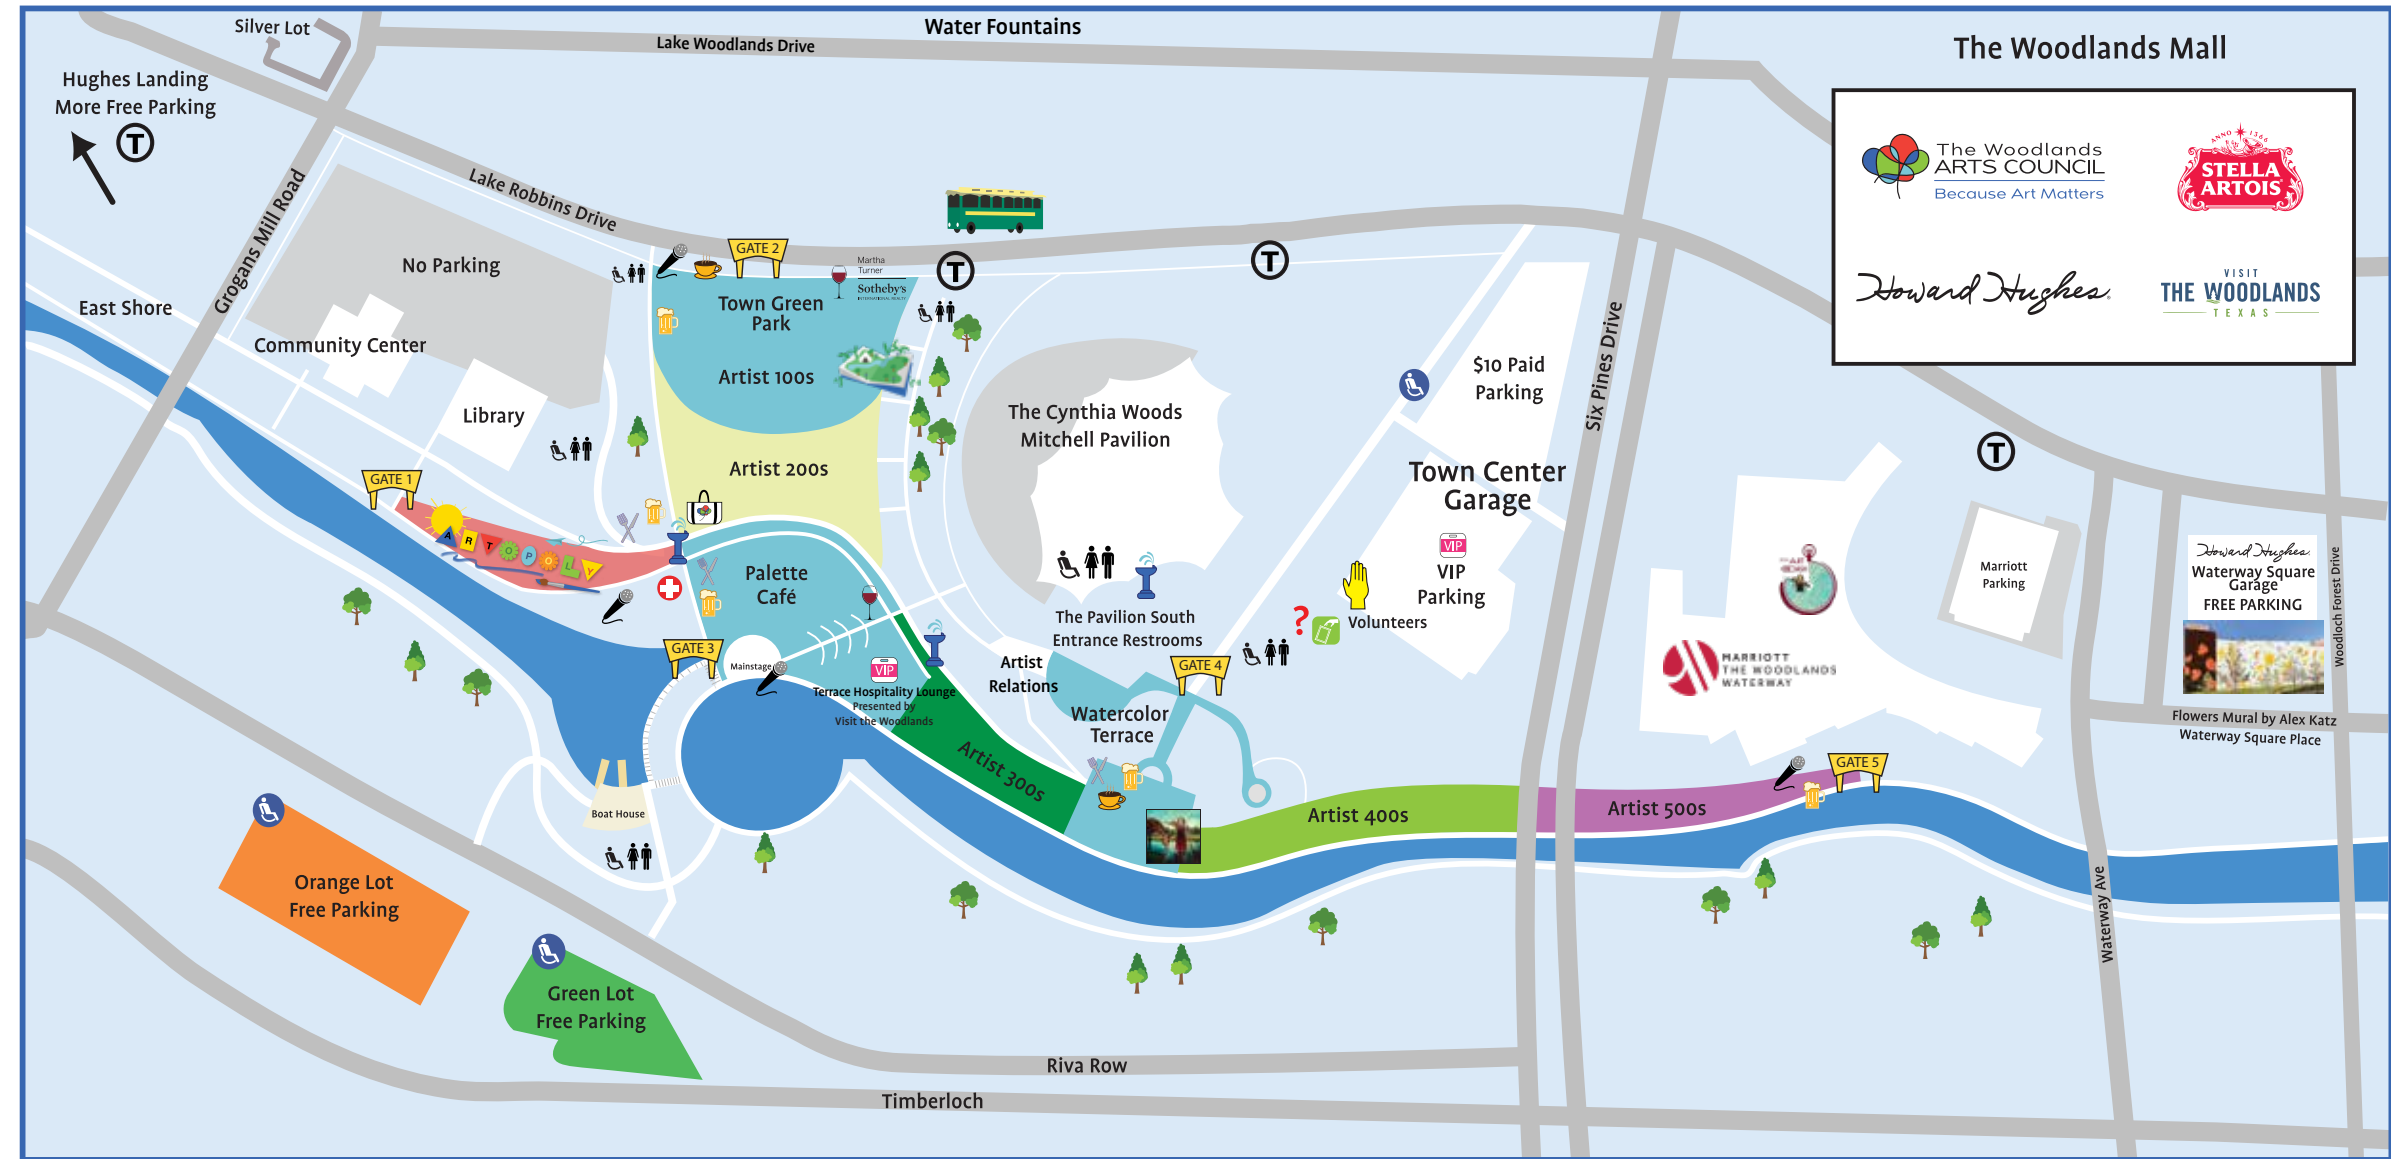

There is truly something for everyone and so much inspiration available all weekend long.

We would like to express our gratitude to our wonderful community partners and sponsors, The Woodlands Compounding Pharmacy, Woodforest National Bank, The Woodlands Waterway Marriott Hotel, Howard Hughes, Visit the Woodlands, Patten Properties, and Martha Turner Sotheby's. This weekend would not be possible without the volunteers that contribute their time & energy to our mission, the TWAC Board, Committees, Festival Team and Staff.

The success of this festival has enabled The Woodlands Arts Council to facilitate over \$130,000 in Arts Microgrants and Student Art Scholarships in the last calendar year.

Thank you for helping us make ART matter year round in Montgomery County. I hope you enjoy the festival.

Yours in Art,  
 Glen Rector  
 TWAC Board President
