JUNIOR LIVESTOCK

The Junior Department is for youth who wish to enter in one of the categories described below to compete against other youth at the Yolo County Fair. Some exhibitors are members of organizations, such as 4-H and FFA, and there may be some classes and divisions limited to members of such organizations. The Yolo County Fair provides the opportunity for young people who are not members of such organizations to exhibit in Youth Yolo Living. In some cases, depending on the number of entries, these "independent juniors" compete in the appropriate class in direct competition with an organization member. In other cases there may be separate classes for independent juniors.

4-H DEPARTMENT

4-H Youth programs are non-formal voluntary educational programs, under the supervision of the University of California Cooperative Extension and the U.S. Department of Agriculture. The projects exhibited at fairs by members of these groups are the results of their efforts under the supervision of adult volunteers.

FFA DEPARTMENT

FFA is a national organization of students enrolled in high school vocational agriculture classes. The local unit is the chapter in each school offering vocational agriculture, under the supervision of the agricultural teacher who is also the local chapter advisor. The state unit includes all chapters in the state, under the supervision of the State Department of Education as represented by the Bureau of Agricultural Education, with its headquarters at the State Education Building, Sacramento, Calif. The national unit is the group of associates in each state and Puerto Rico, under the supervision of the Agricultural Education Division of the U.S. Office of Health, Education and Welfare in Washington, D.C.

Every Future Farmer project in livestock, poultry, fruit or crops is part of the practical education of the vocational agriculture student who owns it. The program includes the improvement of agriculture leading ultimately to the ownership of the farms and the development of good rural citizenship. Participation in fairs and livestock shows is recognized as having educational value as well as simulation for better results and finer projects, under supervision of the qualified chapter advisor and with the cooperation of the Fair Management.

GENERAL RULES & INFORMATION

1. All State and Local rules are applicable and will be strictly enforced.
2. All Junior Livestock Showmanship, Market, Feeder and Breeding classes are only open to Yolo County residents, or bona fide members of Yolo County 4-H, FFA or Grange.
3. **Youth for the Quality Care of Animals (YQCA) is a Statewide required training for anyone entering livestock in a 2022 California Fair (excluding horse, cavies & dogs). Exhibitors must go to the YQCA training site at <http://yqca.org/> and complete annual training. Proof of training must be provided at the time of entry. You will not be allowed to participate in the 2022 Yolo County Fair if you do not complete the course and submit proof by the entry deadline date.**
4. Overnight sleeping in barn area is prohibited.
5. No ropes, whips, skateboards, bicycles, roller blades or scooters are allowed in the barns.
6. Except at the sole discretion of fair management, livestock is not permitted in any area of the fairgrounds other than the livestock barns.
7. The Yolo County Fair Association reserves the right to conduct random drug testing on livestock at its sole discretion.
8. Only animals in the Junior Livestock Auction can be sold on the fairgrounds.
9. Barn curfew is 11 pm, unless written permission is granted by the Livestock Superintendent.
10. Violations of rules will be grounds for adverse action including, but not limited to any or all of the following; loss of cash prizes and awards, removal from the grounds, disqualification of entries, and forfeiture of entry fees.

ELIGIBILITY & AGE REQUIREMENTS

FFA Members

1. FFA members may participate as members as early as entering into the seventh grade, until the end of the calendar year following the year of graduation from high school. (i.e. 2021 graduates may participate in the 2022 Fair.)
2. Students competing in the FFA division must be regularly enrolled in a school vocational agriculture program or

graduated from high school in 2021 in order to meet the requirements, rules and regulations set up by California Agriculture Teachers' Association and the State Association of FFA.

3. Exhibitor must be in good and regular standing in his/her local FFA Chapter.
4. All entries in FFA division must be from projects carried as part of the regular school agricultural program, must be owned by the student and have acceptable record books.
5. FFA members are required to show in the official FFA uniform, consisting of the following: white trousers, white dress shirt or blouse (short- or long-sleeved) with the FFA emblem attached to the left pocket, and the official FFA blue necktie for boys or FFA blue scarf for girls. The official FFA jacket is optional; if worn, the shirt emblem is not required. Hats or headgear of any kind shall not be worn with the official show uniform while showing, with the exception of horse shows.

4-H Club Members

1. **Primary members:** A 4-H member may enroll when eligible, ages 5-8 as of December 31, 2021. These members are designated as primary members and are not eligible to show livestock at the Yolo County Fair. Primary members are eligible to participate in non-livestock categories only.
2. **Junior, Intermediate & Senior:** Must be 9 years old on or before December 31, 2021. Exhibitors are eligible to compete/exhibit through December 31 of the year in which they turn 19 years of age.
3. Exhibitor must be in good and regular standing in his/her local 4-H Club.
4. All 4-H members must be enrolled in the 4-H project in which they enter. Members, who are not enrolled in a particular 4-H project, may enter the junior section.
5. 4-H members are required to wear the following: 4-H hat or Spirit Cap, white shirt or blouse (long- or short-sleeve); 4-H tie or collar; white, off-white or dark loden green slacks or green jeans. If a jacket is worn, it must be "4-H green" or white in color.

Grange Exhibitors

1. Grange members may enter appropriate FFA or 4-H classes if they meet the following age/grade requirement. Grange members must be 9 years old on January 1, 2022. Exhibitors are eligible to compete / exhibit through December 31 of the year in which they turn 19 years of age.

JUNIOR LIVESTOCK

2. Grange exhibitors must not have been project members in 4-H or FFA within 60 days (120 days for horse or market beef cattle) to be eligible to participate as a Grange exhibitor in that project.
3. Grange exhibitors must have "on ground" supervision by a responsible adult.
4. Grange members 14 years or older will show in the FFA divisions, 13 years and younger will show in the 4-H divisions. Age is as of January 1, 2022.
5. Grange exhibitors are required to show in the official competition uniform which shall consist of: Dark Blue denim pants; white long sleeved, button-front dress shirt with collar; the official red waist vest with National Grange emblem on the back.
3. Market animals will be pre-tagged for proof of ownership purposes. Please see details under Market Exhibits.
4. Online entries must be received by the Fair Office by the 4 pm on entry deadline dates, as specified in each specie section. Management reserves the right to close the entries when all available space limits are met. No list will be established.
5. Late entries for **market animals** past the online entry deadline will be accepted up to the day of ear tagging for a doubled entry fee. Entries for **non-market** animals past the online entry deadline will not be accepted.
6. No exhibit will be received unless the entry has been signed by a Chapter Advisor or Leader and parent or guardian.
7. Exhibitors are responsible for feeding, watering and maintaining their own animals. Animals must be kept thoroughly groomed, cleaned and in show condition at all times. Failure to comply with keeping animals, exhibits, stalls, pens and alleys clean and cared for at all times may result in the disqualification of exhibitor, forfeiture of all cash awards and removal of animals from the Fairgrounds. Exhibitors found in violation may also be prohibited from exhibiting in the 2023 Yolo County Fair Junior Livestock shows.
8. Exhibitors are responsible for the health and welfare of their animals on exhibit. Failure to act in the best interest of the animal's health and welfare, in the sole discretion of the Fair manager, may result in the disqualification of exhibitor, forfeiture of all cash awards and removal of animals from the fairgrounds. Exhibitors found in violation may also be prohibited from exhibiting in the 2023 Yolo County Fair Junior Livestock shows. Fair management may report such incidents to appropriate animal welfare authorities if deemed appropriate. Fair management may also intervene, if necessary, and care for the animals, at the exhibitor's expense, until such time that the animals are removed from the Fairgrounds.

Independent Junior Exhibitors

1. Independent juniors not affiliated with any organization may enter appropriate FFA or 4-H classes if they meet the following age/grade requirement. Independent juniors must be 9 years old on January 1, 2022. Exhibitors are eligible to compete / exhibit through December 31 of the year in which they turn 19 years of age.
 2. Juniors who have been 4-H, FFA or Grange project members within 60 days (120 days for horse and market beef) prior to the fair are not eligible to compete in that project as Independent exhibitors or enter project(s) under a different organization. (Please refer to 4-H/FFA/Grange/ Fairs & Expositions Youth Agreement at www.cdfa.ca.gov/fairsandexpositions for more information).
 3. Independent exhibitors must have "on ground" supervision by a responsible adult.
 4. Independent juniors 14 years or older will show in the FFA Divisions, 13 years and younger will show in the 4-H Divisions. Age as of January 1, 2022.
 5. Junior exhibitors are required to show in whites during competition. "Whites" shall consist of new appearing trousers or skirt and a new appearing blouse or shirt. Hats not acceptable.
- ## EXHIBITS
1. Junior, 4-H and FFA Breeding and Market Livestock receiving schedule:
 - Dog, received Saturday, August 13, 9am to 9:45 am.
 - Cavy, Rabbits and Poultry received Sunday, August 14, 8 am to 10 am.
 - Beef, Sheep, Swine, Dairy Cattle and Goats received Tuesday, August 16, 4 pm to 7 pm.
 2. All animals will be inspected upon arrival, prior to unloading. The Yolo County Fair Association reserves the sole right to make determinations regarding the health of any animal, and to make decisions regarding the quarantine of animals. Decisions of the Yolo County Fair are official.
 3. There will be a mandatory exhibitor meeting on Tuesday, August 17 at 6:00 pm.
 4. All livestock exhibitors are to supply their own bedding, feed, water receptacles, cleaning tools and wheelbarrows for stall pens and animals. First bedding will not be provided.
 5. Exhibitors are required to pen their animals in the assigned area with the club or chapter they are entered under. Exhibitors may not move pens without the permission of the superintendent.
 6. Exhibitors are responsible for cleaning their own animal stalls, pens and alleys no later than 9 am daily and must remain clean until designated release times. Manure must be deposited in designated areas only by 9 am each day. Pathways, approaches and area surrounding stalls must be kept clear for the convenience of spectators. No dumping in any public accessed area.
 9. All exhibitors of livestock must display a stall sign for each entry, which should include the Exhibitors Name, Club/Chapter, type of project and Ear Tag number. Other information including animal names may be included, but the names must be suitable for family viewing.
 10. Animals must be shown by owners, except in cases where the owner has 2 animals entered in the same. In this case, the owner must show one of the animals personally.
 11. Junior Exhibitors are expected to fit and groom their own animals with **NO PROFESSIONAL ASSISTANCE**. Only current leaders, advisors, or parents may verbally instruct exhibitors. Only other current Yolo County Fair Junior Exhibitors may give hands on assistance. The owner/Junior Exhibitors must be actively engaged in the grooming process while assistance is being given. Violations of this rule will be cause for disqualification. No fitting will be allowed between 10:00 p.m. and 6:00 a.m.
 12. County, district and state fairs cannot legally carry liability insurance covering junior exhibitors and/or their exhibits, keeping in mind that the Association assumes no responsibility for loss as set forth in Local Rule 8. Liability insurance is

JUNIOR LIVESTOCK

the responsibility and at the discretion of the junior exhibitor. Therefore, it is suggested that junior exhibitors consider taking out a liability policy covering themselves and their exhibit.

13. All breeding and non-sale animals will remain on display until release on Sunday, August 21st, between 9am and 11 am. Violation of this rule may result in the forfeiture of premiums and exhibiting at the 2023 Yolo County Fair.
14. Credentials:
 - Exhibitor – 1 exhibitor wristband & 1 General Livestock Parking Permit

MARKET EXHIBITS

1. Market exhibits are **ONLY** open to residents of Yolo County or members of a Yolo County 4-H Club, FFA Chapter or recognized Grange. Grange and Independent exhibitors 14 years or older will show in the FFA divisions, 13 years and younger will show in the 4-H divisions. Age is as of January 1, 2022.
2. All exhibitors, regardless of organization, will be limited to four (4) market entries in small animals (Poultry and Rabbits) and two (2) market entries in large animals (Beef, Goats, Sheep and Swine) at the 2022 Yolo County Fair. Limits are based on all species combined.
Examples:
Small Animals; 4-Turkeys OR 2-Rabbit Meat Pens, 1-Roaster Rabbit, 1-Pen of Chickens.
Large Animals; 2 Lambs OR 1-Steer & 1-Goat.
3. All Market Beef, Goat, Sheep, Swine, Poultry and Rabbit exhibitors must submit online entries and entry fees on or before the dates noted in the table shown.
4. Per State Rules for California Fairs, Independent junior exhibitors entering market animals must provide Fair Management with a picture of their animal, appropriate proof of ownership, permanent tag, tattoo and/or hog ear notch information 120 days prior to the fair for beef (April 18, 2022) and 60 days (June 18, 2022) for sheep, swine and goats.
5. **EAR TAGGING:** All Beef, Goat, Sheep and Swine exhibitors will be required to have leader/advisors pick-up ear tags, pre-tag their animals and provide photos by the dates noted in their specie section of the book. Exhibitors must submit a copy of the bill of sale and signed entry receipt with their photos.

6. Market Goats and Sheep must have a Scrapie Tag in ear at the time of entry/ear tagging and must remain in place until end of the Fair. The breeder of the animal is responsible for providing the Scrapie tags. Animals without a Scrapie Tag will not be ear tagged for fair.

<u>Official Ownership Deadline</u>	<u>Entry Deadline Date</u>
Beef - 120 days (April 18, 2022)	April 20, 2022
Goats - 60 days (June 18, 2022)	June 20, 2022
Sheep - 60 days (June 18, 2022)	June 20, 2022
Swine - 60 days (June 18, 2022)	June 20, 2022
Poultry – 30 days July 18, 2022	July 20, 2022
Rabbits – 30 days July 18, 2022	July 20, 2022

7. Due to weight variances, entries in Market Animal Classes should be made by division only (FFA or 4-H). Weight Certificates must be submitted to the management for classification by divisions prior to the day of the judging. No cash awards are offered for Market and Feeder classes.
8. At the time of health check, market lambs will be screened by a Fair official which may consist of Fair staff, and/or veterinarian to ensure that they are eligible for exhibit according to State rules. To qualify for exhibit, market lambs must show lambs teeth and must be docked such that the tail (dock) is healed and can be lifted from the exterior. Lambs that do not have lamb teeth and/or have no dock will not be eligible to exhibit
9. At the time of health check, market goats will be screened by a Fair official which may consist of Fair staff, and/or veterinarian to ensure that they are eligible for exhibit according to State rules. To qualify for exhibit, market goats must show milk teeth.
10. Weigh-in will be Sunday, August 14 at time of check-in for Small Animals and Tuesday, August 16 at time of check-in for Large Animals. Animals will be officially weighed at the time specified and will be sold on the basis of those weights. Re-weighs can only be requested when an animal has not met the minimum or maximum show weight requirements in

that species. A re-weigh must be requested while the animal is still on the scale. The animal is not to leave the scale area while the scale is being balanced and cleared for the animal to be re-weighed. If the animal is removed from the immediate scale area and then returns to the scale for a re-weigh, no re-weigh will be allowed. The second weigh becomes the official weight. Maximum number of re-weighs per animal is one.

11. It is the intent of the Division of Fairs and Expositions that the quality standards established for market animals be maintained. Therefore, classifications will be subject to change in the event there are changes made in Federal grading.

Youth for the Quality Care of Animals (YQCA) is a Statewide required training for anyone entering livestock in a 2022 California Fair (excluding horse, cavies & dogs). Exhibitors must go to the YQCA training site at <http://yqca.org/> and complete annual training. Proof of training must be provided at time of entry.

DRUG RESIDUE STATEMENT & POLICY

1. DRUG STATEMENT

- a) Owner acknowledges that the Federal Food, Drug and Cosmetic Act prohibit the introduction or delivery into interstate commerce of any food that is adulterated or misbranded. Adulteration is defined in 21 USC Section 351 and includes any poisonous or deleterious substances, as well as new animal drugs defined as unsafe within the meaning of 21 USC Section 360b.
- b) No food animal may exceed FDA/EPA/USDA established tolerances for any foreign substances, including drugs, pesticides, feed additives or other chemicals. Owner acknowledges that none of his or her animals exceeds the established tolerances for foreign substances.
- c) Owner further acknowledges that any misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud.
- d) If an animal has been administered a drug that is FDA approved for its species and class, sufficient time must have passed so that the animal does not test positive for that drug upon arrival at the Yolo County Fair. Animals must remain free and clear of all drug and chemical residues while on Fairgrounds unless being treated by the fair Veterinarian or a licensed veterinarian while the Fair veterinarian is present.
- e) Prior to showing any animal, Owner must report the following information to management regarding any and all drugs or medications administered to an animal that might still be detected at time of showing: (1) the name of the drug, (2) the purpose of the drug, (3) the time and date of administration of the drug.
- f) It is the policy of the Yolo County Fair that no animal which is entered for auction in the Yolo County Fair shall contain any trace residues of any substance which is not approved by the Food and Drug Administration and/or the United States Department of Agriculture for slaughter animals, unless disclosed on the Medication Declaration Form.
- g) The showing of any animal that has been administered during its life any quantity of any unapproved drug, chemical or medication is strictly prohibited. Such drugs include, but are not limited to, any diuretic, unapproved growth simulant or other unapproved medication. Unapproved means not approved by the Food and Drug Administration (FDA) and/or U.S. Department of Agriculture (USDA) for slaughter animals including animals that may be designated for human consumption.
- h) It is the sole responsibility of the Exhibitor to ensure that the animal is free of the above prescribed drugs and substances. Extent of knowledge on the part of the Exhibitor with regards to the drugs or substance found in an animal is not relevant to any issue, and it shall not be the defense that person or persons unknown introduced the prescribed substance into the animal prior to, or at arrival, or after arrival on the Yolo County Fairgrounds property.
- i) Only animals with a declared medication waiting period **not to exceed the date of sale**, will be eligible to sell in the Junior Livestock auction. Animals with a declared medication waiting period in excess of the date of sale will be eligible to participate in showmanship and market classes but will NOT be eligible for Champion awards or sell in the Junior Livestock auction.
- j) If an animal has been administered any drug that requires a waiting period prior to processing, the animal will be held from processing for the specified time period. The time period that the animal will be held is based on the type of drug administered to the animal but **may not exceed the waiting period stated above**.
- k) The Association reserves the right to test any animal officially entered in any division at any time without notice for foreign substance including, but not limited to drugs, chemicals or feed additives as well as DNA testing.
- l) Owner is responsible for all costs and damages associated with animals that are rejected at the processing center due to the presence of drug residues, or if substance is detected as part of random testing conducted by the Fair.
- m) Owner is responsible for any fees incurred by the processor in caring for an animal that has been administered drugs during the specified waiting period. If the processor refuses care of the animal during the specified waiting period, the Owner must care for the animal and make the appropriate arrangements with the buyer and the processor.
- n) Animals testing positive to an unapproved foreign substance including but not limited to drugs, chemicals, or feed additives, will be disqualified and forfeit all awards, premium money or sale proceeds. The live market animal or carcass that tests positive will immediately become the property of the Association and the exhibitor may be compensated for the market value, less expenses, if the animal passes inspection. Carcass of disqualified animal will be disposed of per instructions by CAHFS if disposed of before entering the food chain or by written instructions from USDA or FDA if already in the food chain.
- o) *If an entry is disqualified, the entry and/or the exhibitor will be declared ineligible and will not receive awards, premiums and/or any sale proceeds, further the exhibitor will be responsible for payment of all fees (including attorneys' fees), fines, and costs incurred by the Yolo County Fair Association. The owner/exhibitor and members of his/her immediate family may not be eligible to compete in subsequent Yolo County Fair programs. The extent and degree of future eligibility shall be determined by Fair management.*

2. INDEMNITY

The owner agrees, for him/herself and his/her heirs, executors, administrators, or assigns to indemnify and hold harmless, the Association, the County of Yolo, the State of California, and each entity's respective officers, agents, and employees from any and all losses, claims, actions, or proceedings of any kind which may be initiated by purchasers, handlers or consumers of Owner's animal(s) and/or any other person or organization; including reimbursement for all legal costs and attorney fees incurred by the indemnified parties or any of them, for defense of any such actions which may hereafter impact directly or indirectly from the sale, handling and human consumption of Owner's animal(s).

JUNIOR LIVESTOCK

X. ANIMAL HEALTH RULES

Fairs will make a reasonable effort to enforce state and federal animal health regulations, and they have the right to seek assistance from the appropriate agencies. For assistance or an entry permit contact the California Department of Food & Agriculture (CDFA), Animal Health and Food Safety Services (AHFSS) Animal Health Branch (AHB). Headquarters: 1220 N St., Sacramento, CA 95814, (916) 900-5052.

Eligibility. See also *Eligibility Rule II - 1*.

1. Any inhumane activity to animals by the exhibitor, as determined by fair management in consultation with the fair veterinarian, may cause disqualification, forfeiture of awards, and removal of the exhibit or exhibitor from the fairgrounds
2. Animal health decisions will be made in the best interest of the animal and for the other animals at the fair as determined by fair management in consultation with the fair veterinarian.
3. No animal that shows any evidence of any active, unsightly, or communicable disease, or any unsightly disease or other condition shall be admitted or allowed to remain on the fairgrounds.
4. No animal shall be admitted to a fairgrounds from any premises under quarantine for disease.
5. Management reserves the right to require health inspections and/or diagnostic tests to be performed before, during or after animals are on the fairgrounds and to implement disease control procedures, which may become necessary in the event of an emergency. The health of animals, when determined by the official veterinarian, shall be final. Exhibitors who refuse to allow their animals to be examined shall be disqualified and such violation shall be reported to F&E. No refund will be made.
6. All exhibitors must comply with all state and federal animal health regulations and the fair's health requirements, including submittal of the fair's certificate of animal medication. State animal health officials may enforce additional entry requirements if there is a disease outbreak in California or other states. This may include disease testing or restrictions on entering certain geographical areas.
7. Drench guns are not approved for use while on the fairgrounds. Anyone found to be using any type of drench gun to administer liquids or paste into any animal without the supervision and direction of the official fair veterinarian and/or designated fair official will result in exhibit and/or exhibitor being disqualified.
8. Castration sites shall be healed and free of inflammation.
9. Sellers are responsible for animals that are condemned or rejected at processing centers, unless contamination/injury occurred after the sale.

Use of Pharmaceuticals in Market Animals:

1. Signature on entry form signifies compliance with all manufacturer and veterinarian pharmaceutical, biologic and chemical instructions and withdrawal requirements, and that all off-label treatments to market animals have been administered lawfully in accordance with a prescription from a California-licensed veterinarian whose statement notes dosage, date, and purpose for administration.
2. All exhibitors must advise management of any drugs and medications administered to an animal that might still be detected at the time of showing and at meat inspection. The name of the drug, its purpose, withdrawal time, route, time, and date of administration must be presented to management prior to the showing and sale of the animal. Livestock treated within the specified withdrawal period cannot be sold without notifying the buyer.
3. Exhibitors must complete the fair's medication certificate prior to sale.

CATTLE

Cattle Entries from California

1. All female dairy cattle four (4) months of age and over must bear evidence of official calfhood vaccination against brucellosis with a legible, official tattoo visible in the right ear.
2. All dairy cattle, all beef bulls 18 months of age and over, and non-virgin beef bulls less than 18 months of age changing ownership require an official identification eartag.
3. Acceptable methods for official identification of cattle include:
 - a. Official USDA individual identification eartags:
 - i. National Uniform Eartagging System (NUES) eartags:
 - USDA metal brucellosis calfhood vaccination (orange) eartags for females
 - USDA metal "silver brite" eartags
 - ii. Animal Identification Number (AIN) eartag (15 digits long, must begin with 840, usually Radio Frequency Identification Devices [RFID])
 - b. Breed registration tattoos.
4. It is unlawful to remove official identification eartags. Requests to remove an official identification eartag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the eartag. The request must include a photo of the eartag, the reason the eartag must be removed, and all other official eartags on the animal.

Cattle Entries from Other States

1. All exhibition cattle entering California require individual official identification, an Interstate Livestock Entry Permit issued within 15 days prior to entry, and an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state. Official identification must be listed on the ICIV.

JUNIOR LIVESTOCK

2. Acceptable methods for official identification of cattle include:
 - a. Official USDA individual identification eartags:
 - i. National Uniform Eartagging System (NUES) eartags:
 - USDA metal brucellosis calfhood vaccination (orange) eartags for females
 - USDA metal “silver brite” eartags
 - ii. Animal Identification Number (AIN) eartag (15 digits long, must begin with 840, usually Radio Frequency Identification Devices [RFID])
 - b. Breed registration tattoos.
3. It is unlawful to remove official identification eartags. Requests to remove an official identification eartag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the eartag. The request must include a photo of the eartag, the reason the eartag must be removed, and all other official eartags on the animal.
4. Testing and/or vaccination requirements include the following:
 - a. All female dairy cattle four (4) months of age and over must bear evidence of official calfhood vaccination against brucellosis with a legible, official tattoo visible in the right ear.
 - b. All sexually intact dairy cattle six (6) months of age and over require a negative tuberculosis (TB) test within 60 days prior to entering California or must originate from a TB accredited free herd with documentation of the herd number and test date.
 - c. Cattle do not require a brucellosis test unless originating from a designated brucellosis surveillance area.
 - d. All bulls 18 months of age and over, and non-virgin bulls less than 18 months of age, require a negative PCR trichomoniasis test performed within 60 days prior to entry, except bulls used solely for exhibition that were confined to the exhibition location, without access to mature female cattle and will return directly to the state of origin after exhibition. If testing is required, the sample must be run individually and cannot be pooled.

SHEEP AND GOATS

Sheep and Goat Entries from California

1. All sheep and goats entering fairs require individual official identification that must be kept on the animals. Acceptable methods of official identification of sheep and goats include:
 - a. Official USDA individual identification eartags:
 - Animal Identification Number (AIN) eartags (15 digits long, must begin with 840, usually Radio Frequency Identification Devices [RFID])
 - Scrapie eartags: either flock identification eartags (flock identification number with individual animal number) or serial eartags (alphanumeric combination for individual animal).
 - b. Legible breed registration tattoos in the ears (or tail-web of earless goats) if accompanied by breed association registration papers. Breed associations that are approved by USDA to serve as official identification can be found at USDA’s scrapie program website, https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/sa_animal_disease_information/sheep-goat/registry-tattoos-as-official-id.
 - c. Electronic implants (microchips) when accompanied by registration papers and microchip scanner. Microchips must be ISO 11784/11785 compliant, contain 15 digits, and begin with 840. Since 2019, microchipped sheep and goats must be tattooed with a legible “E” if the implant is at the base of the ear or an “ET” if the implant is in the tail fold; the tattoo must be at least 0.3 inches high in the ear, or in the case of earless animals, the tail fold.
2. It is unlawful to remove official identification eartags. Requests to remove an official identification eartag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the eartag. The request must include a photo of the eartag, the reason the eartag must be removed, and all other official eartags on the animal.
3. Fairs will not accept:
 - a. Animals from scrapie-infected flocks, scrapie source flocks, or scrapie “non-compliant” flocks
 - b. Animals that are scrapie-positive, scrapie suspects or scrapie exposed unless they have been evaluated and approved for exhibition by the state scrapie epidemiologist.
4. Fairs will keep records of the consignor, buyer, and animal identification for five (5) years when animals change ownership in a public sale at the fair.
5. Fairs will try to accommodate Scrapie Flock Certification Program members with separate space if practical. Breeding animals should be housed in separate enclosures or locations from animals that are not in the certification program, if practical.
6. Sheep or goats within 30 days pre- or post-parturition, or with vaginal discharge, shall if practical, be kept separate from animals from different flocks and in an area that can be properly cleaned and disinfected.

Sheep and Goat Entries from Other States

1. All exhibition sheep and goats entering California require individual official identification, an Interstate Livestock Entry Permit issued within 15 days prior to entry, and an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state with the following scrapie statement “The animals are not scrapie positive or suspect or from a scrapie non-compliant flock”. Official identification must be listed on the ICVI.
2. Acceptable methods of official identification of sheep and goats include:
 - a. Official USDA individual identification eartags
 - Animal Identification Number (AIN) eartags (15 digits long, must begin with 840, usually Radio Frequency Identification Devices [RFID])

JUNIOR LIVESTOCK

- Scrapie eartags: either flock identification eartags (flock identification number with individual animal number) or serial eartags (alphanumeric combination for individual animal).
- b. Legible breed registration tattoos in the ears (or tail-web of earless goats) if accompanied by breed association registration papers. Breed associations that are approved by USDA to serve as official identification can be found at USDA's scrapie program website, https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/sa_animal_disease_information/sheep-goat/registry-tattoos-as-official-id.
- c. Electronic implants (microchips) when accompanied by registration papers and microchip scanner. Microchips must be ISO 11784/11785 compliant, contain 15 digits, and begin with 840. Since 2019, microchipped sheep and goats must be tattooed with a legible "E" if the implant is at the base of the ear or an "ET" if the implant is in the tail fold; the tattoo must be at least 0.3 inches high in the ear, or in the case of earless animals, the tail fold.
- 3. It is unlawful to remove official identification eartags. Requests to remove an official identification eartag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the eartag. The request must include a photo of the eartag, the reason the eartag must be removed, and all other official eartags on the animal.
- 4. Rams six (6) months of age and over imported into California require a negative *Brucella ovis* test within 60 days before entry OR must originate from a *Brucella ovis* certified free flock. The ICVI must include the animal's official identification number, test results, name of the approved laboratory, date of the test, and the "*Brucella ovis* free flock number", if present.

SWINE

Swine Entries from Other States

1. All exhibition swine entering California require individual official identification (ID), an Interstate Livestock Entry Permit issued within 15 days prior to entry, and an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state. Official identification must be listed on the ICVI.
2. Acceptable methods for official identification of swine include:
 - i. National Uniform Eartagging System (NUES) eartags:
 - USDA metal "silver brite" eartags
 - USDA plastic swine eartags
 - ii. Animal Identification Number (AIN) eartag (15 digits long, must begin with 840, usually Radio Frequency Identification Devices [RFID])
 - iii. Premises Identification Number (PIN) eartags.
- b. Ear notches or tattoos (ear or inner flank) if recorded with a purebred registry association with registration papers attached to the ICVI
3. It is unlawful to remove official identification eartags. Requests to remove an official identification eartag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the eartag. The request must include a photo of the eartag, the reason the eartag must be removed, and all other official eartags on the animal.
4. No testing, including brucellosis and pseudorabies, is currently required.

POULTRY

Poultry Entries from Other States

1. All exhibition poultry entering California require official identification (ID) and an Interstate Certificate of Veterinary Inspection (ICVI), unless coming from a flock participating in the National Poultry Improvement Program (NPPIP) and accompanied by the documentation required by that program (VS Form 9-3).
2. All exhibition poultry entering California shall be free of any evidence of Avian Influenza, Virulent Newcastle Disease, and all other contagious diseases.
3. Acceptable methods of official identification of poultry include:
 - a. Identification devices or methods approved for use in the NPPIP, such as sealed and numbered leg bands or wing bands.

RABBIT AND CAVY

Rabbit and Cavy Entries from Other States

1. All rabbits and cavies are recommended to have an Interstate Certificate of Veterinary Inspection (ICVI). An ICVI is required if coming from a state affected by Rabbit Hemorrhagic Disease (RHD). Animals must be inspected by an accredited veterinarian within 72 hours prior to shipping to California. The following statements, listed on California's regional quarantine, must be included on the ICVI:
 - All rabbits and hares in the shipment have been examined for and found free of communicable diseases, and
 - All rabbits and hares have originated from a single premise that has no signs of a communicable disease, and
 - There have been no movements of rabbit and hares onto the premises over the past 30 days, and
 - The animals have had no contact with wild rabbits or hares in the past 30 days.
2. Persons who intend to bring their animals back to the origin state after the show should check with their state's department of agriculture to make sure the animals will be allowed to return to origin state.

Junior Livestock Auction 11:00 am - Saturday, August 20

Livestock to be sold at the Yolo County Fair Junior Livestock Auction must be entered under the following conditions:

- Market exhibits are ONLY open to residents of Yolo County or members of a Yolo County 4-H Club, FFA Chapter or recognized Grange.**
- The Junior Livestock Auction is a terminal auction for all species. There will not be any live pick-up allowed.
- Animals to be entered in the auction must be declared within one hour after completion of judging.
- Livestock sold in the auction must have been entered and exhibited in the 2022 Yolo Fair. Animals will be officially weighed at the time specified below and will be sold based on those weights. Re-weighs can only be requested when an animal has not met the minimum or maximum show weight requirements in that species. A re-weigh must be requested while the animal is still on the scale. The animal is not to leave the scale area while the scale is being balanced and cleared for the animal to be re-weighed. If the animal is removed from the immediate scale area and then returns to the scale for a re-weigh, no re-weigh will be allowed. The second weigh becomes the official weight. Maximum number of re-weighs per animal is one.
 - Small Animals**
 - Poultry & Rabbits**
Sunday, August 14 - Weigh In at time of check in 8 am to 10 am
 - Large Animals**
 - Beef, Goat, Sheep & Swine**
Tuesday, August 16 - Weigh In at time of arrival 4 pm to 7 pm
 - Animals must meet the specified weight classification given in the Guidebook for that particular division.
 - Animals exceeding the top weight limitation may show and sell if meeting the standards of the class. Animals sold will only be paid up to the top weight limit. See special rules for each specie for weight limits.
 - Exhibitors must be in full uniform and present at the sale ring when their project animal is sold or animal will be disqualified.
 - Animals will be brought into the auction ring by owner/exhibitor in full uniform.
 - Sale order will be posted in the livestock barns. Management reserves the right to arrange the sale order in a manner which seems fair to all consignors.
 - All animals to be sold must have been owned by the seller and be a project of that member for the following time periods and must not have been shown by another exhibitor as a market animal at any previous Fair:
 - Poultry & Rabbits: for at least 30 consecutive days prior to opening day of the Fair. (July 18)
 - Goats, Sheep and Swine: for at least 60 consecutive days prior to opening day of the Fair. (June 18)
 - Beef: for at least 120 consecutive days prior to opening day of the Fair. (April 19)
 - Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids by declaring all bids invalid and reselling the animal in question.
 - Only those beef, goats, swine, sheep, poultry and rabbits with grades of "Market Ready" will be eligible for the auction.
- An exhibitor may only sell one (1) animal in the auction. EXCEPTION: All Champions and Reserve Champions must be sold in the auction.
- All exhibitors selling animals at the auction shall be assessed **8%** of the selling price to offset auction expenses and to maintain a reserve for auction contingencies.
- The seller must care for their animal as long as they remain on the Fairgrounds. Management reserves the right to withhold any prizes from any exhibitor who does not comply.
- Exhibitors must conform to U.S. Dept. of Agriculture rules. The Yolo County Fair will not be responsible for any rejection of market animal carcasses.
- Each exhibitor should attempt to secure a buyer for the Auction and is responsible for sending a "Thank You" note to their buyers after the sale.
- No animal will be allowed in the auction ring unless completely tamed as considered by the Fair management.
- If two or more market animals are shown, the Livestock Superintendent must be informed which animal will be sold, within one hour after final judging of all market animals in that specie.
- No animal may be donated back to be re-sold during the Junior Livestock Auction.
- Sellers must sign the "Drug Residue Policy", before selling of the animal will be allowed. Forms can be found on the fair website.

THANK YOU!

DEPARTMENT RULES

1. Online entries for small animals close on Wednesday, July 20, 2022.
2. The 2022 Cavy, Poultry and Rabbit shows will be held pre-fair as a carry-cage show. Exhibitors are responsible for providing their own cages at the show.
3. Cavies, Poultry and Rabbits will be received on Sunday, June 14 from 8 am – 10 noon. All non-sale animals will be released at the conclusion of the shows.
4. Show order will be Market, Breeding, 4-H Showmanship, FFA Showmanship for rabbit and poultry shows.
5. Uniforms are required for all shows and classes Market, Breeding and Showmanship. Exhibitors must be present for judging in uniform or they will be disqualified.
6. Only Market Poultry and Rabbits intended to sell in the Junior Livestock Auction will remain at the fairgrounds for display. Based on space availability, Champion Breeding Poultry and Rabbits, may also remain on display.
7. Exhibitors must provide their own feeders, waterers, ice bottles, fans, etc. It is the intent of the fair to only have one (1) animal per pen/cage. Example; Pen of 3 Rabbits will have 3 cages. Please plan accordingly for feeders/waterers.
8. Only feeders and waterers designed for rabbits and poultry will be allowed. Cups and other human food containers are NOT acceptable.
9. Exhibitors may not place locks on cages. Zip ties to deter opening are acceptable.
10. All rabbit exhibitors must display a stall sign for each entry that should include the following information: animal's name; breed; breeder; age; weight (if market animal); owner and club/chapter. Animal name must be suitable for family viewing.
11. Non-sale Rabbits must be removed from the Fairgrounds on Sunday, August 21 between 9 am and 11 am.
12. Release slips will not be issued by the Dept. Superintendent until the following has been completed by each exhibitor. Feeders and waterers must be emptied in designated containers. Each cage and tray used by the exhibitor is cleaned.
13. Exhibitors are responsible for cleaning their own animal stalls, pens and alleys no later than 9 am daily and must remain clean until designated release times. Manure must be deposited in designated areas only by 9 am each day. Pathways, approaches and area surrounding stalls must be kept clear for the convenience of spectators. No dumping in any public accessed area.
14. Exhibitors are responsible for feeding, watering, and maintaining their own animals. Animals must be kept thoroughly groomed, cleaned and in show condition at all times. Failure to comply with keeping animals, exhibits, stalls, pens and alleys clean and cared for at all times; may result in the disqualification of exhibitor, forfeiture of all cash awards and removal of animals from the fairgrounds. Exhibitors found in violation may also be prohibited from exhibiting in the 2023 Yolo County Fair Junior Livestock shows.
15. Exhibitors are responsible for the health and welfare of their animals on exhibit. Failure to act in the best interest of the animal's health and welfare, in the sole discretion of the fair manager, may result in the disqualification of exhibitor, forfeiture of all cash awards and removal of animals from the fairgrounds. Exhibitors found in violation may also be prohibited from exhibiting in the 2023 Yolo County Fair Junior Livestock shows. Fair management may report such incidents to appropriate animal welfare authorities if deemed appropriate. Fair management may also intervene, if necessary, and care for the animals, at

the exhibitor's expense, until such time that they are removed from the Fairgrounds.

16. Only animals in the Junior Livestock Auction can be sold on the Fairgrounds.

RALLY OBEDIENCE

Class

Novice - All dogs will be on leash. Evidence of teamwork between dog and handler, but perfect "heel position" is not required. The team starts with 100 points, and the judge deducts points for mistakes such as a tight leash, crooked sits, or performing an exercise incorrectly. There is no time limit and the team moves at their own pace, however at competition level, the performance is timed, and in the event of a tied score, the fastest team wins. The judge expects to see the dog demonstrate willingness and enjoyment. Unlimited communication between handler and dog is encouraged. Handlers may give multiple commands and signals but may not physically guide or correct the dog. Food or toys are not permitted in competition. Courses are designed by the judge and are different in every trial. Handlers receive a course map from the judge and can walk the course without their dogs prior to the start of the competition.
