The Junior Department is for youth who wish to enter one of the categories described below to compete against other youth at the Yolo County Fair. Some exhibitors are members of organizations, such as 4-H and FFA, and there may be some classes and divisions limited to members of such organizations. The Yolo County Fair provides the opportunity for young people who are not members of such organizations to exhibit in Youth Yolo Living. In some cases, depending on the number of entries, these "independent juniors" compete in the appropriate class in direct competition with an organization member. In other cases, there may be separate classes for independent juniors.

4-H DEPARTMENT

4-H Youth programs are non-formal voluntary educational programs, under the supervision of the University of California Cooperative Extension and the U.S. Department of Agriculture. The projects exhibited at fairs by members of these groups are the results of their efforts under the supervision of adult volunteers.

FFA DEPARTMENT

FFA is a national organization of students enrolled in high school vocational agriculture classes. The local unit is the chapter in each school offering vocational agriculture, under the supervision of the agricultural teacher who is also the local chapter advisor. The state unit includes all chapters in the state, under the supervision of the State Department of Education as represented by the Bureau of Agricultural Education, with its headquarters at the State Education Building, Sacramento, Calif. The national unit is the group of associates in each state and Puerto

Rico, under the supervision of the Agricultural Education Division of the U.S. Office of Health, Education and Welfare in Washington, D.C. Every Future Farmer project in livestock, poultry, fruit, or crops is part of the practical education of the vocational agriculture student who owns it. The program includes the improvement of agriculture leading to the ownership of the farms and the development of good rural citizenship. Participation in fairs and livestock shows is recognized as having educational value as well as simulation for better results and finer projects, under supervision of the qualified chapter advisor and with the cooperation of the Fair Management.

GENERAL RULES & INFORMATION

1. All State and Local rules are applicable and will be strictly enforced.
2. All Junior Livestock Showmanship, Market and Feeder classes are only open to Yolo County residents, or bona fide members of Yolo County 4-H, FFA or Grange. Junior Livestock Breeding classes are open to youth in the State of California.
3. Youth for the Quality Care of Animals (YQCA) is a Statewide required training for anyone entering livestock in a 2025 California Fair (excluding horse, cavies & dogs). Exhibitors must go to the YQCA training site at <http://yqcaprogram.org> and complete annual training. Proof of training must be provided at the time of entry. You will not be allowed to participate in the 2025 Yolo County Fair if you do not complete the course and submit proof by the entry deadline date.
4. No overnight sleeping in barn area.
5. No ropes, whips, skateboards, bicycles, rollerblades or scooters are allowed in barns.
6. Except at the sole discretion of fair management, livestock is not permitted in any area other than livestock barns.
7. The 40th District Agricultural Association (DAA) reserves the right to conduct random drug testing on livestock at its sole discretion.
8. Only animals in the Junior Livestock Auction can be sold on the fairgrounds.
9. Barn curfew is 10 pm, unless written permission is granted by the Livestock Superintendent.
10. Violations of rules will be grounds for adverse action including but not limited to any or all of the following: loss of cash prizes and awards, removal from the grounds, disqualification of entries, and forfeiture of entry fees.

LOCAL RULES

1. Any Violation of these rules is an immediate disqualification from showing and can mean an exhibitor may be banned from showing in the future at ANY California Fair.
2. Upon submittal of entry, exhibitors and their agents, parents, leaders acknowledge that:
They understand the State Rules and the local fair rules; They agree to abide by them; They certify that all information on the form is true and correct; They agree to comply with the Yolo County Fair's decision regarding any violation of the rules, and in the case of established unethical treatment of animals or violation of drug policy rules, exhibitor's name will be forwarded to Fairs and Expositions.
3. Yolo County Fair Management reserves the right to screen, reject entirely, or accept conditionally, any exhibit that, in the management's opinion, may be of questionable taste for the general fair and attending public.

ELIGIBILITY & AGE

REQUIREMENTS

FFA Members

1. FFA members may participate as members as early as entering the seventh grade, until the end of the calendar year following the year of graduation from high school. (i.e., 2024 graduates may participate in the 2025 Yolo County Fair.)
2. Students competing in the FFA division must be regularly enrolled in a school vocational agriculture program or graduated from high school in 2024 to meet the requirements, rules and regulations set up by California Agriculture Teachers' Association and the State Association of FFA.
3. Exhibitor must be in good and regular standing in his/her local FFA Chapter.
4. All entries in FFA division must be from projects carried as part of the regular school agricultural program, must be owned by the student, and have acceptable record books.
5. FFA members are required to show in the official FFA uniform, consisting of the following: white trousers, white dress shirt or blouse (short- or long-sleeved) with the FFA emblem attached to the left pocket, and the official FFA blue necktie for boys or FFA blue scarf for girls. The official FFA jacket is optional; if worn, the shirt emblem is not required. Hats or headgear of any kind shall not be worn with the official show uniform while showing, except for horse shows.

4-H Club Members

1. **Primary members:** A 4-H member may enroll when eligible, ages 5-8 as of December 31, 2024. These members are designated as primary members and are not eligible to show

livestock at the Yolo County Fair. Primary members are eligible to participate in non-livestock categories only.

2. **Junior, Intermediate & Senior:** Must be 9 years old on or before December 31, 2024. Exhibitors are eligible to compete/exhibit through December 31 of the year in which they turn 19 years of age.
3. Exhibitor must be in good and regular standing in his/her local 4-H Club.
4. All 4-H members must be enrolled in the 4-H project in which they enter.
5. 4-H members are required to wear the following: 4-H hat or Spirit Cap, white shirt, or blouse (long- or short-sleeve); 4-H tie or collar; white, off-white, or dark loden green slacks or green jeans. If a jacket is worn, it must be "4-H green" or white in color.

Grange Exhibitors

1. Grange members may enter appropriate FFA or 4-H classes if they meet the following age/grade requirement. Grange members must be 9 years old on January 1, 2025. Exhibitors are eligible to compete / exhibit through December 31 of the year in which they turn 19 years of age.
2. Grange exhibitors must not have been project members in 4-H or FFA within 60 days (120 days for horse or market beef cattle) to be eligible to participate as a Grange exhibitor in that project.
3. Grange exhibitors must have "on ground" supervision by a responsible adult.
4. Grange members 14 years or older will show in the FFA divisions, 13 years and younger will show in the

- 4-H divisions. Age is as of January 1, 2025.
5. Grange exhibitors are required to show in the official competition uniform which shall consist of: Dark Blue denim pants; white long sleeved, button-front dress shirt with collar; the official red waist vest with National Grange emblem on the back.

Independent Junior Exhibitors

1. Independent juniors not affiliated with any organization may enter appropriate FFA or 4-H classes if they meet the following age/grade requirement. Independent juniors must be 9 years old on January 1, 2025. Exhibitors are eligible to compete / exhibit through December 31 of the year in which they turn 19 years of age.
2. Juniors who have been 4-H, FFA or Grange project members within 60 days (120 days for horse and market beef) prior to the fair are not eligible to compete in that project as independent exhibitors or enter project(s) under a different organization. (Please refer to 4-H/FFA/Grange/ Fairs & Expositions Youth Agreement at www.cdfa.ca.gov/fairsandexpositions for more information).
3. Independent exhibitors must have "on ground" supervision by a responsible adult.
4. Independent juniors 14 years or older will show in the FFA Divisions, 13 years and younger will show in the 4-H Divisions. Age as of January 1, 2025.
5. Junior exhibitors are required to show in whites during competition. "Whites" shall consist of trousers or skirt and a blouse or shirt. Hats not acceptable.

ENTRIES

1. All Junior Livestock Showmanship, Market, Feeder and Breeding classes are only open to Yolo County residents, or bona fide members of Yolo County 4-H, FFA or Grange.
2. All entries will be accepted online ONLY. Fees are due via credit card at the time of entry.
3. Market animals will be pre-tagged for proof of ownership purposes. Please see details under Market Exhibits.
4. Online entries must be received by 10:00 pm PST on entry deadline dates, as specified in each specie section.
5. Late entries for **market animals** past the online entry deadline will be accepted up to May 13, 2025, 10:00 pm PST for Beef Cattle, June 28, 2025, 10:00 pm PST Goats, Sheep, & Swine for a doubled entry fee.
6. Entries for **non-market** animals past the online entry deadline will be accepted for up to July 21, 2025, 10:00 pm PST for a doubled entry fee.
7. No exhibit will be received unless a Chapter Advisor or Leader and parent or guardian have approved the entry.

EXHIBITS

1. Junior, 4-H and FFA Breeding and Market Livestock receiving schedule:
 - Rabbits received Monday, August 11, 8:00 am to 10:00 am.
 - Beef, Sheep, Swine, & Goats are received Tuesday, August 12, 8:00 am to 12:00 noon.
2. All animals will be inspected upon arrival, prior to unloading. The 40th DAA reserves the sole right to make determinations regarding the health of any animal, and to make decisions regarding the

quarantine of animals. Decisions of the Yolo County Fair are official.

3. There will be a **Mandatory Exhibitor Meeting on Tuesday, August 12 at 6:30 pm**. Failure to attend will result in a **\$50.00 fine**.
4. All livestock exhibitors are to supply their own bedding, feed, water receptacles, cleaning tools and wheelbarrows for stall pens and animals. First, bedding is provided.
5. Exhibitors are required to pen their animals in the assigned area with the club or chapter they are entered under. Exhibitors may not move pens without the permission of the livestock superintendent.
6. Exhibitors are responsible for cleaning their own animal stalls, pens, and alleys no later than 9:00 am daily and must remain clean until designated release times. Manure must be deposited in designated areas by 9:00 am each day. Pathways, approaches, and the area surrounding the stalls must be kept clear for the convenience of spectators. No dumping in any public accessed area.
7. Exhibitors are responsible for feeding, watering, and maintaining their own animals. Animals must be kept thoroughly groomed, always clean, and in show condition. Failure to comply with keeping animals, exhibits, stalls, pens, and alleys clean and cared for always may result in the disqualification of exhibitor, forfeiture of all awards and removal of animals from the Fairgrounds. Exhibitors found in violation may also be prohibited from exhibiting in the future 2026 Yolo County Fair Junior Livestock shows.
8. Exhibitors failure to act in the best interest of the animal's health and welfare, at the sole discretion of the Fair Management, may result

In disqualification of exhibitor and forfeiture of all awards plus removal of the animal from the fairgrounds.

Exhibitors found in violation may also be prohibited from exhibiting in the 2026 Yolo County Fair Junior Livestock shows. Fair management may report such incidents to appropriate animal welfare authorities if deemed appropriate. Fair management may also intervene, if necessary, and care for the animals, at the exhibitor's expense, until such time that the animals are removed from the Fairgrounds.

9. All exhibitors of livestock must display a stall sign for each entry, which should include the Exhibitors Name, Club/Chapter, type of project and Ear Tag number. Other information including animal names may be included, but the names must be suitable for viewing.
10. Owners must show animals, except in cases where the owner has 2 animals entered in the same class. In this case, the owner must show one of the animals personally.
11. Junior Exhibitors are expected to fit and groom their own animals with **No Professional Assistance**. Only current leaders, advisors, or parents may verbally instruct exhibitors. Only other current Yolo County Fair Junior Exhibitors may give direct assistance. The owner/Junior Exhibitors must be actively engaged in the grooming process while assistance is being given. Violations of this rule will be cause for disqualification. No fitting will be allowed between 10:00 p.m. and 6:00 a.m.
12. County, district, and state fairs cannot legally carry liability

insurance covering junior exhibitors and/or their exhibits, keeping in mind that the 40th DAA assumes no responsibility for loss as set forth in Local Rule 8. Liability insurance is the responsibility and at the discretion of the junior exhibitor. Therefore, it is suggested that junior exhibitors consider taking out a liability policy covering themselves and their exhibit.

13. All breeding and non-sale animals will remain on display until release on Sunday, August 17, 2025, at 9:00 am. Violation of this rule may result in the forfeiture of premiums and exhibiting at the 2026 Yolo County Fair.
14. **Exhibitor Credentials:** Each exhibitor is provided with 1 (one) exhibitor wristband at no cost. Only 1 (one) **Livestock** Parking Permit will be issued per household at no cost (for example if one household has 2 exhibitors, you will receive 2 wristbands and 1 parking pass at no cost). Additional **General** Parking passes may be purchased for \$40.00 each.

MARKET EXHIBITS

1. Market exhibits are **ONLY** open to residents of Yolo County or members of a Yolo County 4-H Club, FFA Chapter or recognized Grange. Grange and Independent exhibitors 14 years or older will show in the FFA divisions, 13 years and younger will show in the 4-H divisions. Age is as of January 1, 2025.
2. All exhibitors, regardless of organization, will be limited to two (2) market entries in small animals

(Rabbits and Cavy) and two (2) market entries in large animals (Beef, Goats, Sheep and Swine) at the 2025 Yolo County Fair. Limits are based on all species combined.

Examples:

Small Animals: 2-Rabbit Meat Pens, 1-Roaster Rabbit
Large Animals; 2 Lambs OR 1-Steer & 1-Goat.

3. All Market Beef, Goat, Sheep, Swine, and Rabbit exhibitors must submit online entries and entry fees on or before the dates noted in the table shown.
4. Per State Rules for California Fairs, Independent junior exhibitors entering market animals must provide Yolo County Fair Management with a picture of their animal, appropriate proof of purchase/ownership, permanent tag, tattoo and/or hog ear notch information 120 days prior to the Yolo County Fair for beef (April 15, 2025) and 60 days (June 14, 2025) for sheep, swine, and goats.

<u>Official Ownership Deadline</u>	<u>Entry Deadline Date</u>
Beef - 120 days (April 15, 2024)	April 23, 2025
Goats - 60 days (June 14, 2024)	June 18, 2025
Sheep - 60 days (June 14, 2024)	June 18, 2025
Swine - 60 days (June 14, 2024)	June 18, 2025
Rabbits – 30 days (July 14, 2025)	July 14, 2025
All Other including Eggs (July 14, 2025)	July 14, 2025

5. EAR TAGGING: All Beef, Goat, Sheep and Swine exhibitors are required to have leader/advisors pick-up ear tags, pre-tag their animals and provide photos by the dates noted in their specie

- Section of their book.
6. Due to weight variances, entries in Market Animal Classes should be made by division only (FFA or 4-H). No cash awards are offered for Market and Feeder classes.
 7. At the time of health check, market lambs will be screened by a Fair official which may consist of Fair staff, and/or veterinarian to ensure that they are eligible for exhibit according to State rules. To qualify for exhibit, market lambs must show lamb teeth and must be docked such that the tail (dock) is healed and can be lifted from the exterior. Lambs that do not have lamb teeth and/or have no dock will not be eligible to exhibit.
 8. At the time of health check, market goats will be screened by a Fair official which may consist of Fair staff, and/or veterinarian to ensure that they are eligible for exhibit according to State rules. To qualify for the exhibit, market goats must show milk teeth.
 9. Weigh-in will be Monday, August 11, 2025, at time of check-in for Small Animals. Weigh-In for Large Animals will be at time of check-in on Tuesday August 12, 2025. Animals will be officially weighed at the time specified and will be sold based on those weights. Re-weighs can only be requested when an animal has not met the minimum or maximum show weight requirements in that species. A re-weigh must be requested while the animal is still on the scale. The animal is not to leave the scale area while the scale is being balanced and cleared for the animal to be re-weighed. The second weigh becomes the official weight. Maximum number of re-weighs per animal is one.
 10. It is the intent of the Fairs and

Exposition Branch that the quality Standards established for market animals be maintained. Therefore, classifications will be subject to change in the event there are changes made in Federal grading.

Youth for the Quality Care of Animals (YQCA) is a Statewide required training for anyone entering livestock in a 2025 California Fair (excluding cavies).

Exhibitors must go to the YQCA training site at:

<http://yqcaprogram.org>

and complete annual training.

Proof of training must be provided at the time of entry.

DRUG RESIDUE STATEMENT & POLICY

1. DRUG STATEMENT

- a) The owner acknowledges that the Federal Food, Drug and Cosmetic Act prohibits the introduction or delivery into interstate commerce of any food that is adulterated or misbranded. Adulteration is defined in 21 USC Section 351 and includes any poisonous or deleterious substances, as well as new animal drugs defined as unsafe within the meaning of 21 USC Section 360b.
- b) No food animal may exceed FDA/EPA/USDA established tolerances for any foreign substances, including drugs, pesticides, feed additives or other chemicals. The owner acknowledges that none of his or her animals exceed the established tolerances for foreign substances.
- c) The owner further acknowledges that any misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud.
- d) If an animal has been administered a drug that is FDA approved for its species and class, sufficient time must have passed so that the animal does not test positive for that drug upon arrival at the Yolo County Fair. Animals must remain free and clear of all drug and chemical residues while on Fairgrounds unless being treated by the Yolo County Fair Veterinarian or a licensed veterinarian while the Yolo County Fair veterinarian is present.
- e) Prior to showing any animal, Owner must report the following information to management regarding all drugs or medications administered to an animal that might still be detected at time of showing: (1) the name of the drug, (2) the purpose of the drug, (3) the time and date of administration of the drug.
- f) It is the policy of the 40th DAA that no animal which is entered for auction in the Yolo County Fair shall contain any trace residues of any substance which is not approved by the Food and Drug Administration and/or the United States Department of Agriculture for slaughter animals, unless disclosed on the Medication Declaration Form.
- g) The showing of any animal that has been administered during its life any quantity of any unapproved drug, chemical or medication is strictly prohibited. Such drugs include, but are not limited to, any diuretic, unapproved growth simulant or other unapproved medication. Unapproved means not approved by the Food and Drug Administration (FDA) and/or U.S. Department of Agriculture (USDA) for slaughter animals including animals that may be designated for human consumption.
- h) It is the sole responsibility of the Exhibitor to ensure that the animal is free of the above prescribed drugs and substances. Extent of knowledge on the part of the Exhibitor with regards to the drugs or substance found in an animal is not relevant to any issue, and it shall not be the defense that person or persons unknown introduced the prescribed substance into the animal prior to, or at arrival, or after arrival on the Yolo County Fairgrounds property.
- i) Only animals with a declared medication waiting period **not to exceed the date of sale** will be eligible to sell in the Junior Livestock auction. Animals with a declared medication waiting period more than the date of sale will be eligible to participate in showmanship and market classes but will NOT be eligible for Champion awards or sell in the Junior Livestock auction.
- j) The 40th DAA reserves the right to test any animal officially entered in any division at any time without notice for foreign substance including, but not limited to drugs, chemicals, or feed additives as well as DNA testing.
- k) The owner is responsible for all costs and damages associated with animals that are rejected at the processing center due to the presence of drug residues, or if substance is detected as part of random testing conducted by the Yolo County Fair.

- l) Owner is responsible for any fees incurred by the processor in caring for an animal that has been administered drugs during the specified waiting period. If the processor refuses care of the animal during the specified waiting period, the Owner must care for the animal and make the appropriate arrangements with the buyer and the processor.
- m) Animals testing positive to an unapproved foreign substance including but not limited to drugs, chemicals, or feed additives, will be disqualified, and forfeit all awards, premium money, or sale proceeds. The live market animal or carcass that tests positive will immediately become the property of the 40th DAA and the exhibitor may be compensated for the market value, less expenses, if the animal passes inspection. Carcass of disqualified animal will be disposed of per instructions by CAHFS if disposed of before entering the food chain or by written instructions from USDA or FDA if already in the food chain.
- n) If an entry is disqualified, the entry and/or the exhibitor will be declared ineligible and will not receive awards, premiums and/or any sale proceeds, further the exhibitor will be responsible for payment of all fees (including attorneys' fees), fines, and costs incurred by the 40th DAA. The owner/exhibitor and members of his/her immediate family may not be eligible to compete in subsequent Yolo County Fair programs. The extent and degree of future eligibility shall be determined by Fair management.

2. INDEMNITY

The owner agrees, for him/herself and his/her heirs, executors, administrators, or assigns to indemnify and hold harmless, the 40th DAA, the County of Yolo, the State of California, and each entity's respective officers, agents, and employees from any and all losses, claims, actions, or proceedings of any kind which may be initiated by purchasers, handlers or consumers of Owner's animal(s) and/or any other person or organization; including reimbursement for all legal costs and attorney fees incurred by the indemnified parties or any of them, for defense of any such actions which may hereafter impact directly or indirectly from the sale, handling and human consumption of Owner's animal(s).

2025 State Rules for California Fairs

X. ANIMAL HEALTH RULES

Fairs will make a reasonable effort to enforce state and federal animal health regulations, and they have the right to seek assistance from the appropriate agencies. For assistance with California's requirements, or to obtain an entry permit if importing livestock from out-of-state, contact the California Department of Food & Agriculture (CDFA), Animal Health and Food Safety Services (AHFSS) Animal Health Branch (AHB). Headquarters: 1220 N St., Sacramento, CA 95814, (916) 900-5052.

These rules are subject to change to reflect any changes, updates, and/or alerts communicated by the CDFA AHB as they pertain to animal health regulations. To view the latest announcements made by the CDFA AHFSS AHB, please visit their website at <https://www.cdfa.ca.gov/ahfss/>.

Eligibility. *See also Eligibility Rule II - 1.*

1. Any inhumane activity to animals by the exhibitor, as determined by fair management in consultation with the fair veterinarian, may cause disqualification, forfeiture of awards, and removal of the exhibit or exhibitor from the fairgrounds.
2. Animal health decisions will be made in the best interest of the animal and for the other animals at the fair as determined by fair management in consultation with the fair veterinarian.
3. No animal that shows any evidence of any active, unsightly, or communicable disease, or any unsightly disease or other condition shall be admitted or allowed to remain on the fairgrounds.
4. No animal shall be admitted to a fairground from any premises under quarantine for disease.
5. Management reserves the right to require health inspections and/or diagnostic tests to be performed before, during or after animals are on the fairgrounds and to implement disease control procedures, which may become necessary in the event of an emergency. The health of animals, when determined by the official veterinarian, shall be final. Exhibitors who refuse to allow their animals to be examined shall be disqualified and such a violation shall be reported to F&E. No refund will be made.
6. All exhibitors must comply with all state and federal animal health regulations and the fair's health requirements, including submittal of the fair's certificate of animal medication. State animal health officials may enforce additional entry requirements if there is a disease outbreak in California or other states. This may include disease testing or restrictions on entering certain geographical areas.
7. Drench guns are not approved for use while on the fairgrounds. Anyone found to be using any type of drench gun to administer liquids or paste into any animal without the supervision and direction of the official fair veterinarian and/or designated fair official will result in exhibit and/or exhibitor being disqualified.
8. Castration sites shall be healed and free of inflammation.
9. Sellers are responsible for animals that are condemned or rejected at processing centers unless contamination/injury occurred after the sale.

Use of Pharmaceuticals in Market Animals:

1. Signature on entry form signifies compliance with all manufacturer and veterinarian pharmaceutical, biologic and chemical instructions and withdrawal requirements, and that all off- label treatments to market animals have been administered lawfully in accordance with a prescription from a California-licensed veterinarian whose statement notes dosage, date, and purpose for administration.
2. All exhibitors must advise management of any drugs and medications administered to an animal that might still be detected at the time of showing and at meat inspection. The name of the drug, its purpose, withdrawal time, route, time, and date of administration must be presented to management prior to the showing and sale of the animal. Livestock treated within the specified withdrawal period cannot be sold without notifying the buyer.
3. Exhibitors must complete the fair's medication certificate prior to sale.

Junior Livestock Auction

9:00 am - Saturday, August 16

Livestock to be sold at the Yolo County Fair Junior Livestock Auction must be entered under the following conditions:

1. Market exhibits are ONLY open to residents of Yolo County or members of a Yolo County 4-H Club, FFA Chapter or recognized Grange.
2. The Junior Livestock Auction is a non-terminal sale for all species. The buyers will determine if animal is harvested or live pick-up upon winning bid. Transportation to the processing facility is organized by the Fair.
3. Animals to be entered in the auction must be declared within one hour after completion of judging by signing a sale declaration form in the livestock office. This is for all exhibitors, even if you only have one animal entered, you must sign the form in the office.
4. Livestock sold in the auction must have been entered and exhibited in the 2025 Yolo Fair. Animals will be officially weighed at the time specified previously and will be sold based on those weights.
5. Animals must meet the specified weight classification given in the Guidebook for that division.
6. Animals exceeding the top weight limitation may show and sell if meeting the standards of the class. Animals sold will only be paid up to the top weight limit. See special rules for each specie for weight limits.
7. Exhibitors must be in full uniform and present at the sale ring when their project animal is sold, or the animal will be disqualified.
8. Animals will be brought into the auction ring by the owner/exhibitor in full uniform.
9. The Sale order will be posted in the livestock barns. Fair Management reserves the right to arrange the sale order in a manner which seems fair to all consignors.
10. All animals to be sold must have been owned by the seller and be a project of that member for the following time periods and must not have been shown by another exhibitor as a market animal at any previous Fair:
 - a. Rabbits: for at least 30 consecutive days prior to the opening day of 2025 Yolo County Fair (July 14, 2025).
 - b. Goats, Sheep, & Swine: for at least 60 Consecutive days prior to the opening day of the 2025 Yolo County Fair (June 14, 2025).
 - c. Beef: for at least 120 days prior to the opening day of the 2025 Yolo County Fair (April 15, 2025).
11. Only those beef, goats, swine, sheep, and rabbits with grades of "Market Ready" will be eligible for the auction.
12. An exhibitor may only sell one (1) animal in the auction.
13. Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids by declaring all bids invalid and reselling the animal in question
14. All exhibitors selling animals at the auction shall be assessed **8%** of the selling price to offset auction expenses and to maintain a reserve for Goats, sheep, and swine: auction contingencies.
15. The seller must care for their animal if they remain on the Fairgrounds. Management reserves the right to withhold any prizes from any exhibitor who does not comply.
16. Exhibitors must conform to U.S. Dept. of Agriculture rules. The Yolo County Fair will not be responsible for any rejection of market animal carcasses.
17. Each exhibitor should attempt to secure a buyer for the Auction and is responsible for sending a "Thank You" note to their buyers after the sale.
18. No animal will be allowed in the auction ring unless completely tamed as considered by the Fair management.
19. If two or more market animals are shown, the Livestock Superintendent must be informed which animal will be sold, within one hour after final judging of all market animals in that specie.
20. No animal may be donated back to be re-sold during the Livestock Auction.
21. Sellers must sign the Drug Residue form and Sale Consignment agreement before selling of the animal will be allowed. Forms can be found on the website.

Youth for the Quality Care of Animals (YQCA) is a Statewide required training for anyone entering livestock in a 2024 California Fair (excluding horse, cavies & dogs). Exhibitors must go to the YQCA training site at <http://yqcaprogram.org> and complete annual training.

Proof of training must be provided at the time of entry.

Score Card

Exhibitor Summary/Story

up to 100 points

Exhibitors are required to complete our Exhibitor Summary and Story. This is information about your project to help us get to know you, what you have done in your project, your record keeping skills, and what you have learned this past year with your project. We also want to know other things you do; participation in other clubs/groups/activities, have you taken on leadership roles, etc.

Interview up to 100 points.

Contestants will participate in a 5-minute interview. Each exhibitor will be asked by a panel of two judges questions. The same questions will be for each exhibitor. You will be scored on your poise, posture, ability to communicate, as well as subject knowledge. Exhibitors should be in full show uniform for interviews.

Written Test up to 100 points.

Each exhibitor will be given a 100-question test that is specific to their specie of animal. Most questions are multiple choice and range from Health Care, Feed & Nutrition, Body Parts and More.

Public Image/Ed Display

up to 100 points.

Exhibitors will need to provide an educational display, which will remain on exhibit near their animals throughout the fair. Your educational display, as well as daily clean pen judging will be 50 of the points in this area. The second 50 points will be earned through your ability to interact, communicate, and educate the public about your project in a pre-determined 2-hour period during the fair.

SPECIAL RULES & INFORMATION

1. Open only to residents of Yolo County or members of a Yolo County 4-H Club, FFA Chapter or Recognized Grange.
2. Open to Junior Livestock exhibitors who have never won the Yolo County Fair Supreme Exhibitor competition.
3. All applicants must complete and submit at the time of the written exam our Exhibitor summary record and story form from our website.
4. Exhibitors must identify or choose a species at entry time.

Adding and Editing Animals On Your Profile

Showman's updated **Exhibitors & Animals** section in your account Profile makes managing saved animals easier than ever. You now have the ability to **add** new animals directly from your Profile. Additionally, you can **edit** any existing animal information.

Step 1: Navigate to your Profile.

The screenshot displays the Showman app interface. At the top, there is a navigation bar with the following items: Showman, Shows, Show Series, Sponsor a Show, and Past Shows. On the right side of the navigation bar, there is a '+ Create a st 1' button and a user profile dropdown for 'Casey Jones'. Below the navigation bar, there is a link for 'Having technical trouble? Click here for help. Or send an email to Support@showman.app'. The main content area is divided into two sections: 'Find a show' and 'Upcoming Shows'. The 'Find a show' section includes search filters for 'Search by name', 'Filter by species', and 'Filter by state'. The 'Upcoming Shows' section features three show cards: 'Howard County Fair and', 'Polk County Livestock', and '2nd Annual Carter County'. On the right side, there is a 'Recent Admin Links' list and a 'Showman Admin' dropdown menu with 'My Profile' highlighted by a red box and a '2' next to it.

Locating Class lists, Divisions / Breeds and Placings

Follow these steps to determine what breeds, divisions, and placings your show is offering:

1. Navigate to the specific show you want to view. You can do this by searching for the show on Showman:

The screenshot shows the Showman website interface. At the top left is the Showman logo with navigation links: Shows, Show Series, and Sponsor a Show. At the top right is a 'Create a show' button. Below the navigation is a search bar with the text 'Find a show' and 'Search by name'. To the right of the search bar are filters for 'Filter by species' (set to 'All Species') and 'Filter by state' (set to 'All States'). Below the search bar is a red circle highlighting the search input field. Below the filters is the 'Upcoming Shows' section, which displays three show cards. Each card includes a show image, the date, the show name, the location, and a list of species offered.
