Dear York State Fair Exhibitors,

I am excited to welcome you to the  
2023 York State Fair! The 258<sup>th</sup>  
version of this time-honored event  
promises to be one of the best ever and  
you are a huge part of our  
success. The York State Fair truly  
appreciates the time and effort that  
each of you make in participating with  
your entries. Your dedication  
continues the outstanding tradition that  
our Fair has achieved in Agriculture  
through the years as a significant  
cornerstone of our Fair. Last year our  
Youth Livestock Sale for 4-H and FFA  
raised \$239,820 which shows the  
commitment that the York County area  
has toward our Livestock Program. I  
hope that you are each able to take  
some time while you are here to  
explore the Fair and I want you to know  
how much we appreciate you being  
here to celebrate this year's York State  
Fair with us. I wish each of you the  
best of luck with your entries and I look  
forward to seeing you July 21-30!

Sincerely,  
Bryan Blair  
York State Fair CEO

- Exhibits in Cut Specimen Annuals must be cut flowers grown by the exhibitor and must conform to the variety type, number of blooms, spikes, or stems specified in each class.
- **Management requires that exhibitors provide and display their cut specimens in clean, CLEAR, sturdy glass containers containing water.**
- An exhibitor may enter more than one horticultural specimen in a single class provided each entry is of a different variety. Multiple entries of the same cultivar are not permitted.
- Trueness to variety type, uniformity of size, shape, height, & color are important factors for judging. Groom your specimen ensuring it is free of dirt, insect, disease, & remove foliage below the water line.
- Read the premium book carefully following all rules and regulations. If an entry calls for 5 blooms, be sure to exhibit 5 blooms, not 3 or 4.
