Dear York State Fair Exhibitors,

I am excited to welcome you to the 2023 York State Fair! The 258th version of this time-honored event promises to be one of the best ever and you are a huge part of our success. The York State Fair truly appreciates the time and effort that each of you make in participating with your entries. Your dedication continues the outstanding tradition that our Fair has achieved in Agriculture through the years as a significant cornerstone of our Fair. Last year our Youth Livestock Sale for 4-H and FFA raised \$239,820 which shows the commitment that the York County area has toward our Livestock Program. I hope that you are each able to take some time while you are here to explore the Fair and I want you to know how much we appreciate you being here to celebrate this year's York State Fair with us. I wish each of you the best of luck with your entries and I look forward to seeing you July 21-30!

Sincerely,
Bryan Blair
York State Fair CEO

2023 YORK STATE FAIR CODE OF SHOW RING ETHICS

Exhibitors of animals at the York State Fair shall always exhibit themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at the livestock show. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the commission. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of REQUIREMENTS for all exhibitors & all livestock in competitive events:

1. All exhibitors must present, upon request of show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any fact relating there- to is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by show officials.
3. Junior exhibitors are expected to care for and groom their animals while at the show.
4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues.
 - a. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event, which culminates with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal and state statutes, regulations and rules affect the animal's performance or appearance at the event.
 - b. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is reserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
 - c. At any time after an animal arrives on the York Fair premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal, shall be administered by a licensed veterinarian or owner in consultation of a veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hooves horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action of inaction to violate this code of ethics.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the Commission for the violation of this Code of Show Ring Ethics. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Commission may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in the show is the giving of verification by the owner, exhibitor, filter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal and state statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infraction.

2023 YORK STATE FAIR CODE OF SHOW RING ETHICS REQUIREMENTS FOR CARE OF ANIMALS:

It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some requirements for the treatment of animals exhibited at the show:

1. **Restraining Animals**
 - a. Animals will be tied or penned in a manner that will not hurt the animal or restrict its breathing in any way.
 - b. Animals will be tied so that all four feet are firmly on the ground and they have enough room to stand & lie down comfortably.
 - c. Animals should be tied so that they are not able to injure animals tied near them.
 - d. Animals unaccustomed to each other should not be penned together.
2. **Handling** - Any type of rough handling which could harm the animals is prohibited. The use of whips, canes, and show sticks should be restricted to showing only and then be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling, than loud, rough handling.
3. **Bedding** - All animals should have bedding that is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure.
4. **Feeding & Water** - Animals should be well fed and have access to clean water regularly. Realizing that market animals must have restricted amounts of feed to maintain the proper weight, animals must be fed adequate amounts of feed to meet the animal's basic requirements. Animals not allowed reasonable access to feed and water will be disqualified from the show.
5. **Transportation** - Animals should be transported in a way that is both safe and considerate of the animal's well-being.
6. **Blanket/Sweat Collars** - Any type of material such as blankets or sweat collars should be large enough to permit normal body functions such as breathing, eating, drinking or lying down.
7. **Health** - It is the responsibility of the exhibitor to provide proper health care for their animals through routine inspection and consultation with health care professionals. The improper or illegal use of drugs or antibiotics prohibited. If medication is indicated, be sure to follow the label directions and allow more than the state withdrawal time. **The exhibitor is responsible for all veterinary services during the fair.**
8. **Market Animals** – Animals consigned for slaughter during or immediately following the show shall not receive any treatment with drugs or biologics within in the withdrawal time prior to slaughter. Withdrawal times for drugs and biologics are all stated on the directions for use. Label directions must be followed at all times.
9. **Grooming** – Use only grooming products that are approved for use on meat-producing animals when fitting any animal for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat. If it is not certain that a product is residue safe and approved for use on meat animals, **DO NOT USE IT!**
10. **Unethical Fitting:** Any animal showing any evidence of unethical fitting practices such as tampering with the natural fleshing and muscle development (including but NOT limited to drenching and pumping of fluids) will be barred from the show and no premiums will be awarded. **NO exhibitors shall be allowed to use any coloring agents on any animal exhibited. No aerosol cans or other pressurized containers will be allowed outside of stall/tack/fitting areas (i.e. not allowed ringside).** Altering the conformation and/or appearance of an animal for exhibition is prohibited, this includes the covering of white skin, false tail heads (or use of any false hair or other material), with the exception of false tail switches. The use of graphite, powders, hemp, or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals, or artificial filling. Any animal found to be in violation will be barred from showing.
*****IMPORTANT*** If upon slaughter, treatment with drugs, biologics, or any chemical from fitting products, is the cause of condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor.** In an effort to provide consumers with a safe, high quality product, the Junior Show Committee and the York State Fair, approve of the above statement. All 4-H and FFA market animals that will be sold at the Junior Livestock sale, should not use any fitting material that does not have USDA approval. Animals may be washed and blown dry but should not have any spray or substance that might be illegal. Any terminal animal that is found to violate this rule may not be sold on Friday, July 28th, 2023.

By signing, exhibitor verifies that the exhibitor has read, understands, consents to, & agrees to abide by the terms & conditions state herein in the 2023 York State Fair Code of Show Ring Ethics, failure to follow the rules listed above will result in immediate excusal from the fair, withholding of all premiums for the 2023 York State Fair & the exhibitor may be prohibited from exhibiting at the York State Fair for up to three (3) years.

Department 2 & 3 Animal Health Regulation CATTLE

Section 3: Pennsylvania Cattle:

Requirements:

1. Cattle shall be identified by an official ear tag or other unique identification device approved by PDA. Official identification includes:
 - A USDA- issued National Uniform Ear tagging System (NUES) ear tag having a US shield ; or
 - A 15 digit Animal Identification Number (AIN) ear tag starting with "840" and having a US shield ; or
 - Other identification approved by the PDA (brands and breed registrations with tattoos are not acceptable).
2. Certificate of Veterinary Inspection (CVI) issued after May 1, 2023.
3. Rodeo: It is required that rodeo cattle of all ages be negative of an official tuberculin test within 60 days prior to the start of the fair unless they are members of and originate from an accredited tuberculosis-free herd. The cattle can be accompanied by the negative test report or the tuberculosis test results can be recorded by the veterinarian on a CVI.
4. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.

Recommendations:

1. A current rabies vaccination administered by a licensed veterinarian for animals 3 months of age and older (observe appropriate slaughter withdraw time.)

Section 4: Out of State Cattle:

Requirements:

1. Federal regulations (USDA) require a Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation.
2. Vesicular Stomatitis (VS): This applies to cattle entering Pennsylvania from states that experienced a Vesicular Stomatitis outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals have neither been exposed to VS nor were located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.
4. Federal regulation (USDA) requires individual official animal identification. Official ID will have a US shield  and includes:
 - A USDA-issued National Uniform Eartagging System (NUES) tag; or
 - A 15-digit Animal Identification Number (AIN) ear tag starting with "840"; or

ALL ENTRY FEES MUST BE PAID AT TIME THE ENTRIES ARE MADE.

ENTRY MONEY WILL BE REFUNDED IF THE FAIR IS CANCELLED DUE TO COVID-19 RESTRICTIONS!

Read rules under caption "Exhibits and Exhibitors"

Rules & Regulations:

1. This Show is sanctioned by the American Dairy Goat Association and ADGA rules shall govern. The Junior and senior shows are not separately sanctioned. The order of the show is not subject to change.
2. **No more than two entries per class to the same exhibitor.**
3. Entries showing breed and class number must be made on approval forms which will be provided upon request. All fees must accompany entries, which must be made no later than June 12th, 2023. The management reserves the right to limit the number of entries of any exhibitor.
4. Use a separate line for each animal & group classes. Keep each breed together & class numbers in order. Entries in Breeder's Young Herd, Dairy Herd, Best Udder & Best Doe Bred by exhibitor shall be made using the class name.
5. The base date for computing the age of the animal is Show Day.
6. Get of Sire shall consist of 3 does. Sire need not be owned by the exhibitor. Entries in this class shall be made in the name of the Sire. **(Limited to ONLY 2 entries)**
7. Entries in Dam/Daughter and Produce of Dam shall be made in the name of the Dam. **(Limited to ONLY 2 entries)**

Animal Health Regulation Goats

Section 11: Pennsylvania Goats

Requirements:

1. Individual official animal identification is required for all goats. Official ID includes:
 - A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible OR
 - A USDA ear tag with a US shield ; which includes scrapie program tags (animals bearing identification with blue colored scrapie program tags labelled "meat" with a US shield  are not permitted to be exhibited in Pennsylvania—please call the department at 717-783-6851 if such a tag is encountered); or
 - A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. scrapie tattoo (flock ID in the right ear—state postal code and letters/numbers—and individual animal ID in the left ear);
 - Identification used for goats must be permanently affixed to the individual animal.
2. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2023.
3. All animals must be free of evidence of infectious and contagious diseases; a statement of this should be written on the CVI.

Section 12: Out of State Goats

Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued within 30 days prior to the date of importation.
2. Vesicular Stomatitis (VS) statement: This applies to states that experienced a VS outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals were not located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.
4. Individual official animal identification is required for all goats. Official ID includes:
 - A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible OR
 - A USDA ear tag with a US shield ; which includes scrapie program tags (animals bearing identification with blue colored scrapie program tags labelled "meat" with a US shield  are not permitted to be exhibited in Pennsylvania—please call the department at 717-783-6851 if such a tag is encountered); or

Animal Health Regulation Goats

5. Tuberculosis testing requirements:

- No test is required for animals originating from states or zones designated as accredited-free by the USDA.
- All animals originating from states or zones designated modified accredited advanced by the USDA must be test negative within the 60 days prior to the date of importation. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original report is acceptable).
- All animals originating from states or zones designated modified accredited must originate from herds in which all animals 12 months of age and older have tested negative within the 12 months prior to the date of importation; and the individual animals (all ages) to be imported have also tested negative within the 60 days prior to the date of importation and at least 60 days after the negative whole herd test was completed. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original test report is acceptable).

Recommendations:

1. All out of state goats must meet all criteria listed above as "requirements". PDA has no additional recommendations to prevent the introduction of contagious disease from out of state goats.

Animal Health Regulation

Section 3: Pennsylvania Cattle:

Requirements:

1. Cattle shall be identified by an official ear tag or other unique identification device approved by PDA. Official identification includes:
 - A USDA- issued National Uniform Ear tagging System (NUES) ear tag having a US shield ; or
 - A 15 digit Animal Identification Number (AIN) ear tag starting with "840" and having a US shield ; or
 - Other identification approved by the PDA (brands and breed registrations with tattoos are not acceptable).
2. Certificate of Veterinary Inspection (CVI) issued after May 1, 2023.
3. Rodeo: It is required that rodeo cattle of all ages be negative of an official tuberculin test within 60 days prior to the start of the fair unless they are members of and originate from an accredited tuberculosis-free herd. The cattle can be accompanied by the negative test report or the tuberculosis test results can be recorded by the veterinarian on a CVI.
4. All animals must be free of evidence of infectious and contagious diseases and a statement of this should be written on the CVI.

Recommendations:

1. A current rabies vaccination administered by a licensed veterinarian for animals 3 months of age and older (observe appropriate slaughter withdraw time.)

Section 4: Out of State Cattle:

Requirements:

1. Federal regulations (USDA) require a Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation.
2. Vesicular Stomatitis (VS): This applies to cattle entering Pennsylvania from states that experienced a Vesicular Stomatitis outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals have neither been exposed to VS nor were located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.
4. Federal regulation (USDA) requires individual official animal identification. Official ID will have a US shield  and includes:
 - A USDA-issued National Uniform Eartagging System (NUES) tag; or
 - A 15-digit Animal Identification Number (AIN) ear tag starting with "840"; or
 - Other official identification approved by USDA (brands and breed registrations with tattoos are not acceptable).
5. Tuberculosis testing requirements:
 - No test is required for animals originating from states or zones designated as accredited free by the USDA.
 - All animals originating from states or zones designated modified accredited advanced by the USDA must be test negative within 60 days prior to the date of importation. The negative test results and dates of tests must be included on the CVI or the animal must be accompanied by a negatives test report (a copy of the original report is acceptable).
 - All animals originating from states or zones designated modified accredited by the USDA must originate from herds in which all animals 12 months of age and older are test negative within the 12 months prior to the date of importation and the individual animals (all ages) to be imported are also test negative within the 60 days prior to the date of importation and at least 60 days after the negative whole herd test was completed. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original test report is acceptable).
 - **Special Tuberculosis Test requirement for Rodeo Cattle:** All rodeo cattle and bison from out of state must be negative on an official tuberculosis test within 60 days prior to entering Pennsylvania unless they originate from and are members of an Accredited Tuberculosis-free herd within an accredited Tuberculosis-free state or zone. This requirement for rodeo cattle from out of stat is in additional to all other requirements listed above for out of state cattle.

Recommendations:

1. A current rabies vaccination administered by a licensed veterinarian is recommended for animals 3 months of age and older (observe appropriate slaughter withdraw time).

9. Purebred breeding cattle may not be dehorned.
10. All bulls 12 months or older must be shown with a nose ring or nose lead. Note: We recommend that bulls be experienced with nose ring or nose lead prior to showing the animal.
11. All ROE shows attended will be counted in the cow/calf division. In the case of a tie for the cow/calf division, the cow/calf that has defeated the most animals will be the winner.
12. **Registered and unregistered** market animals (both pure and crossbred) and **registered** Sovereign heifers, will be included for the number of animals in a point show.
13. Only **registered** pure and crossbred market animals and **registered** Sovereign heifers will count toward the Premier Breeder and Exhibitor awards at all ROE shows.
14. Animals in group classes Get-of-Sire, Produce-of-Dam and Breeders Herd must be registered purebred Highland cattle.
15. Jackpot classes will be left to the discretion of each individual show to structure as they see fit: purebred, Sovereign, & crossbred.
16. Show organizers need to use the Herdbook Search on AHCA's website to verify all animal names/numbers are correct in show catalogs before printing.
17. All owners should be verified as current AHCA members and cattle entered on their entry forms are in their ownership.
18. A junior's age is determined as their age on January 1st and can show in junior classes through age 21.
19. Special consideration will be extended at all shows for persons with developmental disabilities to show in the junior show through age 26.

DEPARTMENT 10 - Youth Livestock

Applications for entries will be received in person, by mail or online at the office of the York County Agricultural Society, 334 Carlisle Ave., York, PA 17404, up to and including **June 12th, 2023**. NO ENTRY FEES.

Youth Rules & Regulations:

1. ALL Youth exhibitors must meet one or both of the following criteria below:
 - a. **YOUTH EXHIBIT I — 4-H Members and Clubs:** Eligible to Exhibit: York County 4-H Club members (active) carrying a project under the supervision of the Pennsylvania State University / York County Extension Service. Age of members will be determined as of January 1 of the current year for classes where members enter based on age. 4-H members 8-18 years old (as of Jan. 1st) are eligible to enter the junior livestock show.

DEPARTMENT 10 - Youth Livestock

b. **YOUTH EXHIBIT II — FFA:** Eligible to Exhibit: FFA members on the current roster of a Nationally Chartered FFA Chapter carrying a project (SAE) in classes entered. Age of members will be determined as of January 1 of the current year for classes where members enter based on age.

i. **Members who have not passed their 21st birthday by January 1 of the current year are eligible to enter the junior livestock show.**

2. **Read ALL rules on pages 3-6!**

3. All Livestock entries are required to meet **2023 Pennsylvania Animal Livestock Health Requirements**

4. **Youth exhibitors are reminded to observe all general and special rules and conduct themselves in a proper way on the Fairgrounds to avoid forfeiture of privileges and/or premiums.**

5. **Youth Showmanship Age is the age of the exhibitor as of January 1st of the current year.**

6. **Youth Members may show either a breeding or market animal in the showmanship shows.**

a. **The animal must be owned by the exhibitor. Exceptions MUST be approved by the department superintendent and only for circumstances outside the exhibitor's control.**

Youth PeeWee Showmanship

The PeeWee Showmanship is for youth 5 - 7 years old by the date of the show. PeeWee classes will be included in the Beef, Sheep, Swine, Dairy, Dairy Beef, Goats and Alpaca shows. Each species superintendent will post the time of the PeeWee class. Participants, especially in Beef, are encouraged to have an older 4-H or FFA member assist them in the ring while exhibiting their animal. Each participant will receive a ribbon and additional items to be determined by the class sponsor. PeeWee participants will not receive premiums. All PeeWee participants MUST inform the species superintendent during check in if they wish to participate in the PeeWee class.

Youth Supreme Showmanship Contest

Supported by: Helena Agri-Enterprises LLC

Each species will have the opportunity to have the Grand Champion Showman for that species compete in a Round Robin competition for the York State Fair Supreme Junior Showman. The species that will be represented are: Beef, Dairy Beef, Meat Goats, Sheep, and Swine.

If the species Champion Showman wins in more than one specie, they must select which species they wish to show and the Reserve Champion Showman will represent the alternate species. In the event that the Grand and Reserve Showman in a species are already selected to show and there is a vacancy to show a species, the showman in the honorable mention position (selected by the showmanship judge of each species during their specie show) will represent that species.

Each champion showman will procure an animal from each species to show. The animal must have been exhibited in the contest year at the York State Fair. The champion showman may use their own animal or select another animal. Each showman will need to have proper equipment in the ring during the show. They may borrow equipment from other members.

The Supreme Champion Youth Showman will be selected by an appointed judge who will be familiar with how all the species are shown. The judge will place the showman in each round, ranking them 1st-5th place on a scorecard. Each placing is valued at their numerical value (ex. – 1st = 1 point, 2nd = 2 points, 3rd = 3 points, etc.) The numerical values of each placing will be tallied from all of the rounds and the showman with the lowest score, wins. In the event of a tie, the appointed judge will make the final decision. There will be no premiums associated with this contest.

Youth Supreme Market Animal Contest

Supported by: Cold Spring Farm and Pet, LLC, Bill Carpenter

The Supreme Champion Market Animal will be selected by an appointed judge who will be familiar with all the species (beef, dairy beef, meat goats, sheep, and swine). The judge will evaluate the Grand Champion Youth Market animal from each species (beef, dairy beef, meat goats, sheep, and swine). They are to keep in mind the primary function of the market animal is for meat production. Frame size and structural correctness are examined, but to a slightly lesser degree than in the breeding portion of each species.

The appointed judge will alone select the Youth Supreme Market Animal. All decisions are final. There is no monetary award, but the Youth Supreme Market Animal will be the first animal to sell in the Junior Livestock Sale. The contest is meant to be fun and educational to the public.

DEPARTMENT 10-2 – Youth Dairy Cattle 4-H & FFA

Animal Health Regulation Goats

Section 11: Pennsylvania Goats

Requirements:

1. Individual official animal identification is required for all goats. Official ID includes:
 - A USDA ear tag with a US shield ; which includes scrapie program tags (animals bearing identification with blue colored scrapie program tags labelled "meat" with a US shield  are not permitted to be exhibited in Pennsylvania—please call the department at 717-783-6851 if such a tag is encountered); or
 - A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. scrapie tattoo (flock ID in the right ear—state postal code and letters/numbers—and individual animal ID in the left ear); or
 - A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible.
 - Identification used for goats must be permanently affixed to the individual animal.
2. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2023.
3. All animals must be free of evidence of infectious and contagious diseases; a statement of this should be written on the CVI.
4. For post-exhibition sales the following requirements apply:
 - Market goats must be documented on sales slips which contain the following information:
 - i. Official identification (as described above)
 - ii. Sale date
 - iii. Sale location
 - iv. Name, address and phone number of the exhibitor
 - v. Hauler contact information
 - vi. Destination name and contact information
 - vii. Total number of animals in the shipment
 - viii. Type of goat (i.e. meat, dairy, specific breed)
 - ix. Signature of consignee, agent, or hauler
 1. Those slips or a document capturing all of the above must follow the goats to their final destination (including slaughter facilities).
 - Goats which are purchased with the intent of breeding and are traveling via interstate movement must have a valid interstate Certificate of Veterinary Inspection (ICVI) prior to movement to the destination state.
 - A copy of the sale records slips as delineated above and a copy of any ICVIs (in the above statement) must be kept by the sale organizer/extension for 5 years.

Section 12: Out of State Goats

Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued within 30 days prior to the date of importation.
2. Vesicular Stomatitis (VS) statement: This applies to states that experienced a VS outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals were not located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.
4. Individual official animal identification is required for all goats. Official ID includes:
 - A USDA ear tag with a US shield ; which includes scrapie program tags (animals bearing identification with blue colored scrapie program tags labelled "meat" with a US shield  are not permitted to be exhibited in Pennsylvania—please call the department at 717-783-6851 if such a tag is encountered); or
 - A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database a.k.a. scrapie tattoo (flock ID in the right ear—state postal code and letters/numbers—and individual animal ID in the left ear);
 - A breed registration tattoo if the animal is accompanied by a registration certificate and the tattoo is legible.
 - Identification used for goats must be permanently affixed to the individual animal.
5. Tuberculosis testing requirements:
 - No test is required for animals originating from states or zones designated as accredited-free by the USDA.

Animal Health Regulation

Goats

- All animals originating from states or zones designated modified accredited advanced by the USDA must be test negative within the 60 days prior to the date of importation. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original report is acceptable).
 - All animals originating from states or zones designated modified accredited must originate from herds in which all animals 12 months of age and older have tested negative within the 12 months prior to the date of importation; and the individual animals (all ages) to be imported have also tested negative within the 60 days prior to the date of importation and at least 60 days after the negative whole herd test was completed. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original test report is acceptable).
6. For post-exhibition sales the following requirements apply:
- Market goats must be documented on sales slips which contain the following information:
 - i. Official identification (as described above)
 - ii. Sale date
 - iii. Sale location
 - iv. Name, address and phone number of the exhibitor
 - v. Hauler contact information
 - vi. Destination name and contact information
 - vii. Total number of animals in the shipment
 - viii. Type of goat (i.e. meat, dairy, specific breed)
 - ix. Signature of consignee, agent, or hauler
 1. Those slips or a document capturing all of the above must follow the goats to their final destination (including slaughter facilities).
 - Goats which are purchased with the intent of breeding and are traveling via interstate movement must have a valid interstate Certificate of Veterinary Inspection (ICVI) prior to movement to the destination state.
 - A copy of the sale records slips as delineated above and a copy of any ICVIs (in the above statement) must be kept by the sale organizer/extension for 5 years.

Recommendations:

1. All out of state goats must meet all criteria listed above as “requirements”. PDA has no additional recommendations to prevent the introduction of contagious disease from out of state goats.
