The York State Fair is closely monitoring the Avian Influenza Outbreak and will be complying with ALL PA Department of Agriculture Quarantines and Procedures. There will be no in person Poultry, Pigeon Show, or Egg Classes at the 2023 York State Fair.

Dear York State Fair Exhibitors,

I am excited to welcome you to the 2023 York State Fair! The 258th version of this time-honored event promises to be one of the best ever and you are a huge part of our success. The York State Fair truly appreciates the time and effort that each of you make in participating with your entries. Your dedication continues the outstanding tradition that our Fair has achieved in Agriculture through the years as a significant cornerstone of our Fair. Last year our Youth Livestock Sale for 4-H and FFA raised \$239,820 which shows the commitment that the York County area has toward our Livestock Program. I hope that you are each able to take some time while you are here to explore the Fair and I want you to know how much we appreciate you being here to celebrate this year's York State Fair with us. I wish each of you the best of luck with your entries and I look forward to seeing you July 21-30!

Sincerely,
Bryan Blair
York State Fair CEO

Animal Health Regulations

Section 15: Pennsylvania Rabbits

Requirements:

- The Department of Agriculture has no specific requirements for Pennsylvania rabbits at fairs. However, fair management has the authority to impose requirements designed to prevent the spread of contagious diseases.
- While on exhibit or at any time following exhibition, you are obligated to report all mass mortality events and all rabbits who are ill and bleeding from eyes, nose, mouth, or have bloody stools to the department emergency line 717-772-2852 option 1. We need your help to quickly identify and stop dangerous transmissible diseases such as Rabbit Hemorrhagic Disease Type 2 (RHDV-2) from spreading.

Recommendations:

1. A Certificate of Veterinary Inspection (CVI) issued with 14 days of exhibition of the fair with the following statements:
 - a. "All Rabbits in the shipment have been examined for and found free of infectious, contagious or communicable diseases including RHDV-2 and there have not been multiple mortality events or rabbits exhibiting hemorrhages within the last 90 days. The rabbits in this shipment have not been housed or exhibited with any rabbits associated with known mass mortality or hemorrhage events."
 - b. "In the last 90 days, the rabbits in the shipment, have not been exhibited in, housed in, or traveled to, any state or territory in which RHDV-2 has been diagnosed within the last 12 months. In addition, during the last 90 days, they have had no contact with any captive or wild rabbit originating from or travelled to one of those affected states or territories."

DEPARTMENT 9- RABBITS

Section 16: Out of State Rabbits

Requirements:

Rabbits originating from a Commonwealth, State, Territory, or Country identified as being affected by RHDV-2 within the 12 months prior to the start of the exhibition.

1. No rabbits or their products, such as meat, pelts, hides, carcasses or other items, and no equipment, exposed feed, forages, or conveyances or other items or associated materials may enter the Commonwealth of Pennsylvania from a Commonwealth, State, Territory, or Country where Rabbit Hemorrhagic Disease (RHD) has been diagnosed in the prior twelve (12) months or there is a reasonable suspicion it exists unless they meet the following requirements:
 - a. All live rabbits must be accompanied by an ICVI and must be examined by an accredited veterinarian within the seventy-two (72) hours prior to the date of shipment to the Commonwealth of Pennsylvania. The ICVI must include statements by an accredited veterinarian certifying that:
 - i. All rabbits in the shipment have been examined for and found free of infectious, contagious or communicable diseases;
 - ii. All rabbits have originated from a single premises that has no signs of infectious, contagious or communicable disease in rabbits;
 - iii. There have been no movements of rabbits onto the premises of origin with the 90 days prior to the date of the shipment; and
 - iv. The rabbits have had no contact with wild or captive rabbits other than their cohorts in the 90 days prior to the date of shipment.
 - b. No rabbits or their products, such as, meat pelts, hides, carcasses or other items, and no equipment, exposed feed or conveyances or other items or associated material may enter the Commonwealth of Pennsylvania from a premises exposed to, contaminated with or known to be affected with RHD, or where there is a reasonable suspicion the disease exists or the rabbits have been exposed to or infected with RHD.

****PLEASE NOTE:** Pennsylvania allows vaccination of rabbits for RHDV-2 and recognizes that other states, territories, and countries may also allow the vaccination of rabbits. However, vaccination of rabbits does not excuse the rabbit/rabbit products derived from/or equipment used for them, from meeting our import requirements in a and b above which are associated with our Rabbit Hemorrhagic Disease Interstate International Quarantine Order.

2. Fair management has the authority to impose additional requirements designed to prevent the spread of other contagious diseases if they so choose.

Recommendations:

For rabbits that originate from a from a Commonwealth, State, Territory, or Country where RHDV-2 has NOT been diagnosed in the prior twelve (12) months or there is NO reasonable suspicion it exists:

1. Certificate of Veterinary Inspection (CVI): It is highly recommended that fairs and exhibitions ask that each exhibited rabbit be listed on an interstate CVI written within 14 days of entrance. The Certificate of Veterinary inspection shall be written by an accredited veterinarian and contain the following statements:
 - a. "All Rabbits in the shipment have been examined for and found free of infectious, contagious or communicable diseases including RHDV-2 and there have not been multiple mortality events or rabbits exhibiting hemorrhages within the last 90 days. The rabbits in this shipment have not been housed or exhibited with any rabbits associated with known mass mortality or hemorrhage events."
 - b. "In the last 90 days, the rabbits in the shipment, have not been exhibited in, housed in, or traveled to, any state or territory in which RHDV-2 has been diagnosed within the last 12 months. In addition, during the last 90 days, they have had no contact with any captive or wild rabbit originating from or travelled to one of those affected states or territories."

Section 15: Pennsylvania Rabbits

Requirements:

- The Department of Agriculture has no specific requirements for Pennsylvania rabbits at fairs. However, fair management has the authority to impose requirements designed to prevent the spread of contagious diseases.
- While on exhibit or at any time following exhibition, you are obligated to report all mass mortality events and all rabbits who are ill and bleeding from eyes, nose, mouth, or have bloody stools to the department emergency line 717-772-2852 option 1. We need your help to quickly identify and stop dangerous transmissible diseases such as Rabbit Hemorrhagic Disease Type 2 (RHDV-2) from spreading.

Recommendations:

2. A Certificate of Veterinary Inspection (CVI) issued with 14 days of exhibition of the fair with the following statements:
 - a. "All Rabbits in the shipment have been examined for and found free of infectious, contagious or communicable diseases including RHDV-2 and there have not been multiple mortality events or rabbits exhibiting hemorrhages within the last 90 days. The rabbits in this shipment have not been housed or exhibited with any rabbits associated with known mass mortality or hemorrhage events."
 - b. "In the last 90 days, the rabbits in the shipment, have not been exhibited in, housed in, or traveled to, any state or territory in which RHDV-2 has been diagnosed within the last 12 months. In addition, during the last 90 days, they have had no contact with any captive or wild rabbit originating from or travelled to one of those affected states or territories."

Section 16: Out of State Rabbits

Requirements:

Rabbits originating from a Commonwealth, State, Territory, or Country identified as being affected by RHDV-2 within the 12 months prior to the start of the exhibition.

1. No rabbits or their products, such as meat, pelts, hides, carcasses or other items, and no equipment, exposed feed, forages, or conveyances or other items or associated materials may enter the Commonwealth of Pennsylvania from a Commonwealth, State, Territory, or Country where Rabbit Hemorrhagic Disease (RHD) has been diagnosed in the prior twelve (12) months or there is a reasonable suspicion it exists unless they meet the following requirements:
 - a. All live rabbits must be accompanied by an ICVI and must be examined by an accredited veterinarian within the seventy-two (72) hours prior to the date of shipment to the Commonwealth of Pennsylvania. The ICVI must include statements by an accredited veterinarian certifying that:
 - i. All rabbits in the shipment have been examined for and found free of infectious, contagious or communicable diseases;
 - ii. All rabbits have originated from a single premises that has no signs of infectious, contagious or communicable disease in rabbits;

DEPARTMENT 11-9- YOUTH RABBITS

Animal Health Regulations

- iii. There have been no movements of rabbits onto the premises of origin with the 90 days prior to the date of the shipment; and
- iv. The rabbits have had no contact with wild or captive rabbits other than their cohorts in the 90 days prior to the date of shipment.
- b. No rabbits or their products, such as, meat pelts, hides, carcasses or other items, and no equipment, exposed feed or conveyances or other items or associated material may enter the Commonwealth of Pennsylvania from a premises exposed to, contaminated with or known to be affected with RHD, or where there is a reasonable suspicion the disease exists or the rabbits have been exposed to or infected with RHD.

****PLEASE NOTE:** Pennsylvania allows vaccination of rabbits for RHDV-2 and recognizes that other states, territories, and countries may also allow the vaccination of rabbits. However, vaccination of rabbits does not excuse the rabbit/rabbit products derived from/or equipment used for them, from meeting our import requirements in a and b above which are associated with our Rabbit Hemorrhagic Disease Interstate International Quarantine Order.

2. Fair management has the authority to impose additional requirements designed to prevent the spread of other contagious diseases if they so choose.

Recommendations:

For rabbits that originate from a from a Commonwealth, State, Territory, or Country where RHDV-2 has NOT been diagnosed in the prior twelve (12) months or there is NO reasonable suspicion it exists:

1. Certificate of Veterinary Inspection (CVI): It is highly recommended that fairs and exhibitions ask that each exhibited rabbit be listed on an interstate CVI written within 14 days of entrance. The Certificate of Veterinary inspection shall be written by an accredited veterinarian and contain the following statements:
 - a. "All Rabbits in the shipment have been examined for and found free of infectious, contagious or communicable diseases including RHDV-2 and there have not been multiple mortality events or rabbits exhibiting hemorrhages within the last 90 days. The rabbits in this shipment have not been housed or exhibited with any rabbits associated with known mass mortality or hemorrhage events."
 - b. "In the last 90 days, the rabbits in the shipment, have not been exhibited in, housed in, or traveled to, any state or territory in which RHDV-2 has been diagnosed within the last 12 months. In addition, during the last 90 days, they have had no contact with any captive or wild rabbit originating from or travelled to one of those affected states or territories."

Department 11-9- Youth Rabbit Agility

Show Time: Thursday, July 27th, 2023, 5:00 P.M.

General Rules:

1. The rabbit and handler are considered a team. Exhibitor may not hand their rabbit over to anyone else during competition to compete in other events.
2. Hopping rabbits **DO NOT** have to be entered in the show to compete, but all RHD and health regulations apply and the York State Fair reserves the right to check animals and ask for their removal, if ill.
3. All rabbits must be at least 4 months of age to compete.
4. The rabbit must comply with all general rules and requirements listed in the 2023 YSF PPRC catalog.
5. The rabbit needs to be properly socialized able to move freely, meaning the rabbit needs to be structurally sound: free of physical abnormalities and injury, as well as not overweight.
6. If the rabbit is pregnant or nursing babies, she cannot compete.
7. All and any mistreatment of a rabbit will not be tolerated.
8. If the rabbit is out of its carrier or cage, it must never be left unattended or tied up in the competition area.
9. The rabbit must hop through the course at their own free will. Handlers may encourage or guide their rabbits forward vocally (softly) or with gentle touches/tickles.

Department 11-9- Youth Rabbit Agility

Handlers:

1. During the event, exhibitors clothing should be clean and neat in appearance. Jeans are acceptable and should have no tears or holes in them. No flip flops or sandals are permitted.
2. You may not jump the jumps and/or walk over or through any equipment with your rabbit.
3. You are responsible for repairing or replacing any damaged or wrecked equipment because of your actions.
4. You should bring your own rabbit to the hopping course for competition.
5. You may use voice commands or hand commands, to guide your rabbit through the course. Handlers will be allowed to touch their rabbits to encourage them to move, with your voice or gentle touches by your hands. No directing with feet.
6. You are encouraged to talk to and cheer your rabbit on as he or she does the course, but do not scream at your rabbit.
7. Do not drag your rabbit through, onto or over a jump by its leash.

Rabbit Equipment:

1. Harnesses must be plain, flat "H" style harness. The harness needs to be loose enough not to restrict the rabbit's movement, but not let the rabbit slip out of the harness.
2. Leashes must be between 4 and 6 feet long depending on the size of the competitor.
3. Leashes and harnesses not meeting safety standards for rabbits will not be allowed to be used on the rabbit.
4. No treats (for the exhibitor or rabbit) will be allowed on the hopping course.
5. You will be told what the course will be before you compete.

General Competition:

1. Leashes need to be held at all times.
2. You are responsible for cleaning up after your rabbit. Cleaning equipment will be available for disinfecting and cleaning equipment if your rabbits make messes on the course.
3. **Your rabbit will be allowed three tries at any jump before the judge will ask you to place the rabbit over the jump.**
4. If the rabbit leaves the course, it is not a penalty as long as the rabbit re-enters the course at the point where it left within the time limit.
5. The rabbit must finish the course or it will be disqualified.
6. The rabbit has completed the course when on two different instances the rabbit has been able to complete all of the jumps on the course without elimination.
7. Course direction will be announced at the start of the class by the Judge.

2023 YORK STATE FAIR YOUTH MEAT RABBITS

Youth Rabbit Meat Pen Competition and Compliance Statement

This year the York State Fair will be holding a rabbit meat pen competition as part of its fair scheduling. All rabbit meat pen entries will be included in the youth livestock sale to be held Friday, July 28th, 2023.

Rules for competing are as follows.

1. Youth must be an enrolled York County 4-H Rabbit and Small Animal club member and/or FFA member in good standing to participate in this show and sale. Barn checks may be conducted for every member participating in this project as deemed necessary by 4-H leaders and Extension Staff to ensure members are making progress with their projects.
2. Youth must notify their 4-H leader or FFA advisor by **APRIL 1ST** of their intent to show a Market Pen at the York State Fair. Youth must enter their Market Pen through the York State Fair online entry system or by mail, pay close attention to the entry due date as this is a closed entry show.
 - a. Each entry should be entered under Division 10-Youth Meat Rabbits.
3. An entry form must be sent to the York State Fair or submitted online by **July 7th, 2023**.
4. You must own the doe(s) by April 1st and kit's must be kindled in the owner's rabbitry. Plan to breed your does 100 days or less from the day of the show but not before **APRIL 12TH, 2023** (100 days before the start of the York State Fair)
5. All rabbits must be tattooed prior to the fair and in the presence of a York County 4-H Rabbit and Small Animal Club leader, FFA advisor or a York County Extension Agent. Youth may tattoo up to ten rabbits but may only show their top three rabbits at the Fair. The tattoo date for 2023 is to be determined by the York Co 4-H office.
6. Members may only show and sell rabbits younger than 69 days old as of the check in at the York State Fair.
7. All rabbits must be accepted ARBA breeds and EACH rabbit in the Meat Pen (consisting of three rabbits) MUST weigh between at least 3 ½ pounds and no more than 5 ½ pounds at York State Fair check in. Ideal average weight is 5 pounds.
8. Premiums will be awarded as such:

1 st - \$5.00	2 nd - \$4.00	3 rd - \$3.00	4 th – 10 th - \$2.00
--------------------------	--------------------------	--------------------------	---
9. The 2023 York State Fair Rabbit Show is the first Monday of the fair (Monday, July 24th, 2023 at 8am). Members do not need to be present at the show but are encouraged to be there to hear the judge's comments on their Market Pen as a learning experience.
10. Youth may enter one Market pen (consisting of three rabbits) per exhibitor. The Champion and Reserve Champion Market pens MUST be sold at the Livestock Sale on the second Friday of the York State Fair, July 28th, 2023. All exhibitors selling must be present at the sale and bring the rabbits into the sale ring. Appropriate dress is expected.
11. A compliance statement must be brought with the rabbits submitted. All entries must be within the guidelines as presented above.

By signing below you are stating that your entries are all in compliance with all rules as listed above and will fill out the additional compliance statement.
