Tips for Radio Ad:

- When you pay for a radio ad that is 30 seconds, it is strictly 30 seconds of air time.
- When is the fair?
- Use the fair website to help you become knowledgeable about what is happening at the fair this year.
 - Do not try to list every piece of entertainment at the fair
 - What is new this year?
 - Highlight free entertainment
 - Food & rides
 - 4-H and FFA exhibits, the agriculture heritage
- Where can I go to learn more about the fair?
- The radio advertisement does not need to be memorized. Put some energy and enthusiasm behind it while reading it. You want to sell the fair to the audience as an experience they won't want to miss.
