

BUYER PARKING INFORMATION

1. Buyer parking is located near the Astros facility, directly behind and across the street from the KVLS Pavilion and/or in the Extension Services parking lot. (Please see map below.)
2. Buyers **MUST** have their invitation letter to walk through the KVLS Member Gate or the gate near the corner of KVLS and Extension services.
3. Regrettably, due to a lack of space, Buyers are not allowed to park inside the Livestock Gate or the KVLS Member Gate.

The Buyer parking areas will be designated with new, large YELLOW signage and flags. We will be working in conjunction with the Osceola County Sheriff's department, Sentry Security, Accurate Parking, and our Gate/Ticket Team to ensure accurate information is relayed at all times on property. Our goal is to have a safe, hassle free Fair. We cannot do so without your attention to these details and continued cooperation.

THANK YOU!

Kissimmee Valley Livestock Show
