## **WHY KEEP RECORDS**

- To have an account of all your accomplishments in one place.
- Records point out the advantages and disadvantages of projects.
- Records reflect your interest as a 4-H/FFA member.
- Records show self-improvement and service to others.
- Records show others what you have done.
- By keeping records, this will train you for future work.
- Records can qualify you for contests, awards and scholarships.

## **HELPFUL HINTS**

- Read the whole record book through before you start. You may want to make a copy of your record book to use as a rough draft.
- Fill in the beginning inventory first.
- Keep your records up-to-date.
- If you need more pages, make them yourself and fasten them in the book.
- When items or supplies have been donated to you for use in your project, make sure to give the item or supply a value and carry the value through to the total of the section and throughout the Record Book.
- Do not include materials in the Record Book that will add “bulk” (example: various scrapbook embellishments, such as buttons, eyelets, ribbons, dimensional stickers, letters, etc.) Use only “flat” stickers, photos, etc.
- Do not confuse page numbers with section numbers.

**NOTICE TO PARENTS:**Parents may provide leadership and guidance for the member. However, the Record Book must be compiled and completed by the member in their own handwriting.

**CURRENT YEAR:**All information in this Record Book is to include those activities and events you have done this year. Do not include information that you did last year or the years before, only include current information.

**NEATNESS:**You can use either a pencil or pen. You may either print or use cursive writing. You may use lined or plain papers for your story and picture pages. (Make sure there are no ragged edges). If you make a mistake, erase it, or use white-out to correct pen errors. Make your records as neat as possible. **THE ONLY PAGE THAT CAN BE TYPED IS THE STORY & AUCTIONEER’S STATEMENT.**

**ACTIVITIES:** A total of six activities need to be completed. The activities can be found in the skill-a-thon book. Certificates for interactive activities and workshops may count toward your six required activities. If you are using a workshop in place of an activity please fill out the 4-H record book activity form to explain what you learned. It is recommended that you complete the activities provided in the skill-a-thon book to help prepare you for the skill-a-thon.
