FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

COMMISSIONER NICOLE "NIKKI" FRIED

Welcome to the Osceola County Fair & Livestock Show!

Each year, approximately 5 million people attend one of the numerous fairs around our state. As Florida's Commissioner of Agriculture, I am enthusiastic about the positive impact fairs and livestock shows have on the agricultural industry.

Events like the Osceola County Fair & Livestock Show are an excellent platform for showcasing the finest "Fresh From Florida" products as well as the industry's latest technological advancements and innovations.

The Florida Department of Agriculture and Consumer Services created and maintains the "Fresh From Florida" program, which assists small and large producers alike by promoting the wide variety of high-quality products that are grown and harvested in Florida. I hope we can also count on your support of this program; just look for items with the "Fresh From Florida" label. Together, we can help our state's agricultural industry thrive.

While you are visiting the Osceola County Fair & Livestock Show today, I hope you will take the opportunity to enjoy the outstanding food, entertainment, contests and youth exhibits. Most importantly, I hope your day at the fair will allow you to experience Florida's agricultural roots and its impact on our great state. Enjoy!

Sincerely,

Nicole Fried Commissioner

Welcome to our 77th Annual Osceola County Fair and Kissimmee Valley Livestock show as we celebrate “Strength in Youth, Strong in Heritage.” With grounds acts, fantastic music, wonderful food, and so much more, we bring you the largest single attended event in Osceola County. The fair is expected to be bigger and better, and we are happy to have you as a part of the next Osceola County Fair. Our fair is more than just carnival rides and funnel cakes, as we feature the youth and future of Osceola County. KVLS is a not-for-profit organization with our charter to foster development in education, commerce, industry, and agriculture for thousands of youth in the Kissimmee Valley area. Each year we present and award educational scholarships, and have provided over \$108,000 to those wishing to continue their education. We also award an average of over \$75,000 in premiums and trophies, and hold market sale actions to residents of Osceola County with average sales of approximately \$600,000 annually. There’s opportunity for everyone to get involved from 4H and FFA students, all the way up to seniors and everyone in between. Get started today and be a part of this amazing tradition. We hope all of our residents of Central Florida and beyond, take the time to enjoy a day at the fair. Although the acts are better each year, the rides are bigger, and the food is more creative and yummiier, our heritage and sense of family remains the same. Whether you can stop by for an afternoon or spend the entire ten days with us, we promise you will enjoy the next Osceola County Fair which will be held February 12 – 21, 2021.

Join us for the magic and fun, and we’ll see you at the fair.

Sincerely,

Dawn Rowe, President

Kissimmee Valley Livestock Show and Osceola County Fair

NATIONAL CODE OF SHOW RING ETHICS
IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

Exhibitors of animals at livestock shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event, which culminates with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested (by the approved laboratory to which it is sent) is the one taken from the animal in question. Its integrity is preserved and all procedures of said collection and preservation transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

SIGNATURES REQUIRED ON THE BACK OF THIS FORM!

7. Direct criticism or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of

their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show against such individuals published in any publication of the International Association of Fairs and Expositions, including *Fairs and Expositions* and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the AFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
