Purebred Cattle Show

Osceola County Fair Angus Show

Judging: Sunday, February 23, 2025

PARTICIPATION STATEMENT FOR THE AMERICAN ANGUS ASSOCIATION

The American Angus Association, 3201 Frederick Boulevard, St. Joseph, Missouri, will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expenses and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation for the following year.

Premiums from the association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The association does not pay on championship or any group classes, (i.e. get-of-sire, junior get-of-sire or breeder six-head).

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with a calf at side: the calf must be the cow's most recent natural calf and the calf must be registered by show date and have proof of registration at check-in.

Only one person at a time shall lead an animal into the show ring.

February 14th – 23rd 2025

www.osceolacountyfair.com

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 – 810. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of percentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

Purebred Cattle Show

AMERICAN ANGUS ASSOCIATION PREMIUM PARTICIPATION SCHEDULE

Any classes listed in this classification, which exceed 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.

Example 1: If 16 head are entered in class 4, the class should be broken into two classes of 8; a class of 7 and 9; or a class of 10 and 6.

Example 2: If 32 head are entered in class 4, the class should be divided into 3 classes consisting of two classes with 11 head and one with 10 head or similar without putting animals with the same birth date in different classes.

Class breaks will be at the discretion of the American Angus Association staff in attendance.

Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown – Champion and Reserve Champion placings are not counted in the number of head shown.

Any female that qualifies for female classes in the Association's standard classifications is not eligible to show in the cow/calf classes. However, the calf at the side of the female is eligible to show in its respective class.

Osceola County Fair Brangus Show

Judging: Monday, February 16 and Tuesday February 17, 2025

SPECIAL RULES AND REGULATIONS

Show Eligibility and Inspection of Exhibits

1. The owner(s) of record on all animals entered in an IBBA National or Regional point show must be an active member(s) of the IBBA in good standing.
2. Animals must be registered Brangus, Red Brangus, UltraBlack, or UltraRed with the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA-sponsored show. Animals recorded in the IBBA Appendix registry are ineligible to show.
3. UltraBlacks and UltraReds must show separately from Brangus and Red Brangus, with the exception of calves shown at the side of their dams in both the Female and Cow-Calf show. The registration prefix of the dam determines the classification of the pair.
4. All calves exhibited at the side of the female must be registered with the IBBA and meet all rules required for show eligibility and inspections of exhibits (refer to Rule 9.a.). The registration prefix of the dam determines the classification of the pair.
5. Animals eligible to be shown in group classes must be entered and shown in respective individual classes. Cows exhibited in the cow/calf classes are not eligible for the group classes.

Animal Identification

6. The registration certificate (or photocopy) for each entry must be available for presentation to the Superintendent or show manager at the time entries are verified prior to judging. Digital images and herd book data sheets will not be accepted.
7. Once an animal's identification has been verified by visual inspection of a brand or ear tattoo, its registration papers will be stamped with the seal of the IBBA with the date of the inspection. In future shows, this registration certificate with the seal will need to be presented at check-in for identification purposes only. If this registration certificate is presented with the seal of the IBBA, the additional inspection of a brand or ear tattoo is not required. If a new or unstamped certificate is presented, the animal's identification must be verified again before a stamp is received again. Any animal is subject to recheck by the IBBA Ethics Committee at any show at any time.
8. Any animal upon check-in that does not have a legible tattoo or brand corresponding to its registration certificate is ineligible to show. An animal may be tattooed immediately at a show

February 14th – 23rd 2025

www.osceolacountyfair.com

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

for reinspection.

Parent Verification

9. All animals are required to have completed parent, both sire and dam, verification on file at IBBA prior to the show check-in. If an animal does not have **DNA parent verification** completed at that time, they will be ineligible to show. DNA parent verification is defined as having submitted DNA samples per the IBBA DNA testing process of the animals being entered, their sire, and their dam, and then having the show animal's genotype match that of both parents as determined by the IBBA. a. If the calf at the side is over 90 days of age by the date of show check-in, it must have parent verification completed by show check-in. If it is under 90 days, parent verification of the calf is not required.

b. Cows in the cow/calf pair classes are exempt from the parent verification requirement if they are born prior to September 1, 2016.

10. IBBA reserves the right to collect DNA samples at any IBBA-sanctioned show. The collection will be conducted by random draw for retesting of parentage at the association's expense. At the six national IBBA-sanctioned shows, three random samples will be collected from Brangus and UltraBlack entries and three random samples will be collected from Red Brangus and UltraRed entries. An animal found to not match the stated pedigree must resolve the question before it is allowed to show again.

Physical Inspection and Eligibility

11. Prior to check-in, the heads of exhibited animals must be clipped of all hair, including topknots, and be free of scurs and/or slick spots. Animals not in compliance at check-in will be required to comply before check-in is complete, or they will not be allowed to show.

12. Any animal found to have scurs and/or slick spots; or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel, or dewlap; including scars from caesarean sections, will be disqualified from showing. They shall be disqualified at the show where the violation is determined and all future IBBA-sponsored and sanctioned shows. A veterinary statement of purpose or cause will not be accepted.

13. Animals with illegal white (defined as white in front of the navel) or any indication of brindling (a color pattern characterized by red streaks mingled with black), or red animals with any unacceptable coloring (according to the IBBA Red High Color Scale – available at gobrangus.com – and including Brown, Grey, Yellow, Light to White, White Legs or Black Muzzle) are ineligible

for the show at the show in which the color issue is found. The animal is eligible for inspection at

February 14th – 23rd 2025

www.osceolacountyfair.com

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

future shows.

14. No animal may be shown that has been pumped with any amount of liquid at any time once the animal enters the grounds of a show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from the exhibition.

a. A protest of this violation must be submitted per the Violation Policy

b. Penalty: The fitter and ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show.

15. All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by the IBBA in order to determine whether dental development is within allowable limits for the class so entered. If the veterinarian determines that in his opinion dental development exceeds maximum allowable limits, the animal shall be disqualified from the show where the error is determined and all future shows.

Fitting and Presentation

16. Animals unethically fitted to alter the conformation or appearance of the animal, as determined by the appointed IBBA Ethics Committee or IBBA Staff, will be immediately disqualified at the show in which the violation occurred. This includes: a. No animal may be shown that has had any foreign objects glued to or otherwise attached in a manner so as to alter its conformation or change its appearance.

b. Paint or coloring agents of any kind are not to be used on any animal exhibited at IBBA-sponsored shows.

17. All bulls must have a nose ring or nose restraint with the lead attached at all times, with the exception of being tied in the stalls and tie-outs. This includes but is not limited to being in the show ring and during check-in. The nose lead/nose restraint must be an additional lead and not part of the halter. For example, running the lead of the halter through the nose ring as the restraint is **not** within guidelines. Bulls 250 days and younger are exempt from this requirement.

18. Unruly animals that cannot be kept under control will be disqualified at the said show. If an animal breaks away from its handlers three times, they will be dismissed from the show ring and not eligible to show at that particular show.

Fertility and Performance Requirements

19. Weights and scrotal measurements will be taken on all bulls at check-in at all six of the

February 14th – 23rd 2025

www.osceolacountyfair.com

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

IBBA National Shows.

20. All Brangus bulls 18 months of age or older that are exhibited at IBBA-sponsored shows must have passed a fertility examination given by a non-owner licensed veterinarian or a non-owner certified technician to the standards of the Society of Theriology to be eligible to show. The results of the examination must be available at check-in. Once a bull has a positive examination, retesting is not required.

21. All females 20 months of age or older exhibited at IBBA-sanctioned shows, must have available at the time of check-in, a certificate of pregnancy issued by an accredited non-owner veterinarian, non-owner certified professional, or blood test results certificate. If a blood test results certificate is provided, it must be blood collected by a non-owner veterinarian or non-owner certified professional and documented. Females showing in the Senior Heifer Division of Spring Shows (January 1 through May 31) must adhere to the classifications and have an IBBA registered natural calf, not older than 250 days of age on the show date.

Show Rules Violation Policy and Penalties

23. The IBBA and its representative have the authority to request and require such tests as they deem necessary to verify the accuracy of the classification, pedigree of exhibited animals and enforce all show rules as adopted by the IBBA. IBBA representatives shall include the appointed Ethics Committee at each show. A decision by the Ethics Committee and/or the IBBA representative shall stand at the show in which it is made.

24. Owners are responsible for any infraction committed by a non-member, or anyone employed or contracted by the owner.

25. A valid show rules violation complaint must be accompanied by a written statement describing the violation, the perpetrator of the violation, and signed by an active member of the IBBA. This written complaint will be presented to an Ethics Committee consisting of the Chairman of the Show Committee and the three-person Ethics Committee that has been previously appointed for the show where the complaint is presented. All four people will be current members of the Show Committee.

26. The Ethics Committee shall rule on the validity of the rule violation. The Ethics Committee shall visit with the perpetrator, present the written complaint, and make a ruling on the complaint if valid. The penalty will be applied according to each stated rule above.

27. The perpetrator is entitled to appeal any decision made by an IBBA representative, the Ethics Committee, a veterinarian, a certified industry professional, or designated association representatives to the IBBA Board of Directors. The following requirements must be met: 1) the appeal is in writing and is signed by the appealing party; and 2) the appealing party files the

February 14th – 23rd 2025

www.osceolacountyfair.com

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

written appeal with the IBBA Board of Directors as soon as possible after the decision is rendered however, the ruling will stand at the show in which the violation occurred. If the IBBA Board of Directors overturns the ruling of the Show Committee Ethics Committee, the exhibitor and or animal in question will be allowed to return to future shows. The IBBA Board of Directors has the right to disqualify the perpetrator from the IBBA-approved show after hearing an appeal. The IBBA's Board of Directors' decision is final.

28. Entries that have not complied with all of the above rules will not be eligible to show, receive premium monies, or earn points in the IBBA's Show Sire of the Year, Show Dam of the Year, Show Bull of the Year, Show Heifer of the Year and Show Cow Calf Pair awards.

29. For and in consideration of the opportunity to participate in any function each exhibitor hereby releases the Association, its officers, directors, and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decision there from.

Presentation of Classes for International Brangus & Red Brangus Shows

An IBBA National Point show shall be conducted in the order described below. Regional and non-Point Shows may choose to conduct a show in a different manner.

IBBA National Point Show class order:

I. The Brangus Show will begin with the Black Female classes. Junior Heifer Calf classes will be judged through Junior Heifer Calf Champion and Reserve Junior Heifer Calf Champion.

II. Then, the Red Female classes will enter the ring and will be judged through Junior Heifer Calf Champion and Reserve Junior Heifer Calf Champion.

III. This procedure will alternate between the Black and Red Shows until all age champions have been selected.

IV. After this, the Black Female Age Division Champions (Junior Heifer Calf Champion, Senior Heifer Calf Champion, Summer Champion Heifer, Yearling Champion Heifer, and Senior Champion Heifer) will be brought back to the ring for the Black Female Grand Drive. The judge will select the Grand Champion Black Female and Reserve Grand Champion Black Female.

V. Upon completion of the Black Grand Drive, the Red Female Age Champions will be brought back to the ring for the Red Female Grand Drive.

VI. The Cow/Calf classes will begin with the Black females. The Black Cow/Calves will be judged through Champion and Reserve

VII. Champion Cow/Calf. Then, the Red Cow/Calf classes will be judged through Champion and Reserve Champion Red Cow/Calf.

February 14th – 23rd 2025

www.osceolacountyfair.com

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

VIII. The above procedure will be followed in the bull judging, beginning with the Black classes and alternating between Red and Black Shows. If a division does not have any cattle entered, the division will be skipped.

IX. Group classes will be judged with Black Group Classes all being exhibited first, followed by all Red Group Classes.

New Rules in Yellow
All rules are subject to change

Purebred Cattle Show

Osceola County Fairy Grey and Red Brahman Show

Judging: Saturday, February 15 and Sunday, February 16, 2025

Subject to the immediately following ABBA Official Show Class Special Conditions, Animals exhibited at both Sponsored and Sanctioned American Brahman Breeders Association ("ABBA") Open Shows shall be presented for judging as Grey Brahman and Red Brahmans classifications within the Official Classes and Divisions set out herein below:

ABBA OFFICIAL SHOW CLASS SPECIAL CONDITIONS

1. All Animals exhibited must be registered with the American Brahman Breeders Association ("ABBA") and be appropriately fire branded as provided by ABBA requirements for registration in the ABBA Official Brahman Herdbook.
2. All Animals exhibited are subject to the ABBA Color Classification Rules as established from time to time. A copy of the most current ABBA Color Classification Rules may be obtained from the ABBA.
3. All animals exhibited are subject to the ABBA DNA Verification Rules as established from time to time. A copy of the most current ABBA DNA Verification Rules may be obtained from the ABBA.
4. All Females exhibited in the Senior Division must either [1] be accompanied by a certificate of pregnancy issued by a licensed veterinarian (within 90 days prior to the date of the Show) certifying the Animal is pregnant and such certificate shall be made available for inspection and verification upon request, [2] be in a lactating stage and have her natural, nursing calf at side, which Calf has not exceeded 240 days old as of the date of the Show, or [3] have weaned her natural calf which Calf is registered in the ABBA Official Brahman Herdbook and the Calf's registration certificate is available for inspection and verification upon request.
5. All Females exhibited in the Aged Senior Division must either [1] be in a lactating stage and have her natural, nursing calf at side which Calf has not exceeded 240 days old as of the date of the Show, or [2] have weaned her natural calf which Calf is registered in the ABBA Official Brahman Herdbook and the Calf's registration certificate is available for inspection and verification upon request.
6. All Bulls must be exhibited with a permanent or temporary nose ring with an

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

appropriate lead attached.

7. All Bulls exhibited in the Senior and Aged Senior Divisions must be accompanied by a valid, satisfactory Breeding Soundness Exam (BSE) certification issued by a licensed veterinarian (within one year prior to the date of the Show) and such certification shall be made available for inspection and verification upon request.

8. All Animals in the Calf and Junior Yearling Divisions which have been previously disqualified from being exhibited at an ABBA Approved Show based on not meeting Weights and Measures Parameters may not be exhibited at another ABBA Approved Show until such time as [1] the Animal re-qualifies by meeting Weights and Measures Parameters at a subsequent ABBA Approved Show where weights and measures are taken, or [2] the Animal is no longer being exhibited in the Calf or Junior Yearling Divisions at ABBA Approved Shows.

9. All Group Classes will be exhibited at the beginning of the ABBA Approved Show prior to any individual classes being exhibited in such Show. All individual Animals exhibited in Group Classes must be presented by an individual Showman for each participating Animal for the Group to be placed by the Judge(s).

10. All Animals exhibited in the Get of Sire, Natural Produce of Dam and Embryo Produce of Dam Group Classes at an ABBA Approved Show must be exhibited under the registered color of the represented Sire or Dam; NOT the color of the progeny comprising the Group. The Breeders Genetic Group and Breeder's Herd shall be exhibited under the registered color of the individual Animals (which all must be registered as the same color) comprising the Group.

11. All Classes which exceed more than fifteen (15) Animals MAY be broken into smaller Classes each no larger than 15 Animals, at the sole discretion of Show Management, by dividing the Classes as evenly as possible without splitting Animals with the same birth date. Additional Classes resulting from splitting Classes shall be treated as new individual Classes (and not as heats of a single Class) for purposes of class placings, competition within Divisions, and ABBA Register of Renown Points awarded.

New Rules in Yellow

All rules are subject to change

Purebred Cattle Show

Class Number and Name

Groups

1. Produce of Dam - Two (2) natural born Animals both produced by the same Dam, either or both sexes may be represented. Each Animal in the Group must also be exhibited in the appropriate individual Class for such Animal. No ownership requirement for the participating individual Animals in the Group. No single Exhibitor shall be permitted to show more than one entry per Dam. All entries in this Class must be placed by the Judge(s). There will be named a Champion and Reserve Champion of this Group Class.

2. Embryo Produce of Dam - Two (2) Animals both produced by the same Dam via embryo transfer, either or both sexes may be represented. Each Animal in the Group must also be exhibited in the appropriate individual Class for such Animal for the participating individual Animals in the Group. No ownership requirement for the participating individual Animals in the Group. No single Exhibitor shall be permitted to show more than one entry per Dam. All entries in this Class must be placed by the Judge(s). There will be named a Champion and Reserve Champion of this Group Class.

3. Get of Sire - Four (4) Animals all by the same Sire from at least two different Dams, both sexes must be represented. Each Animal in the Group must also be exhibited in the appropriate individual Class for such Animal. No ownership requirement for the participating individual Animals in the Group. No single Exhibitor shall be permitted to show more than one entry per Sire. All entries in this Class must be placed by the Judge(s). There will be named a Champion and Reserve Champion of this Group Class.

4. Breeder's Genetic Group - Three (3) genetically

similar Animals all by the same Sire and same Dam, either or both sexes may be represented. All individual Animals comprising this Group shall be registered with the ABBA as the same color and shall be exhibited based on the color of the individual Animals comprising the Group as registered with the ABBA. Each Animal in the Group must also be exhibited in the appropriate individual Class for such Animal. No ownership requirement for the participating individual Animals in the Group. No single Exhibitor shall be permitted to show more than one entry per Sire and Dam mating combination. All entries in this Class must be placed by the Judges(s). There will be named a Champion and Reserve Champion of this Group Class.

5. Breeder's Herd - Four (4) Animals, both sexes must be represented. All individual Animals comprising this Group must have the same (Breeder's) holding brand. All individual Animals comprising this Group shall be registered with the ABBA as the same color and shall be exhibited based on the color of the individual Animals comprising the Group as registered with the ABBA. Each Animal in the Group must also be exhibited in the appropriate individual Class for such Animal. All entries in this Class must be placed by the Judges(s). There will be named a Champion and Reserve Champion of this Group Class. NO REGISTER OF RENOWN POINTS SHALL BE AWARDED FOR THIS GROUP CLASS.
