WHY KEEP RECORDS

- To have an account of all your accomplishments in one place.
- Records point out the advantages and disadvantages of projects.
- Records reflect your interest as a 4-H/FFA member.
- Records show self-improvement and service to others.
- Records show others what you have done.
- By keeping records, this will train you for future work.
- Records can qualify you for contests, awards and scholarships.

HELPFUL HINTS

- Read the whole record book through before you start. You may want to make a copy of your record book to use as a rough draft.
- Fill in the beginning inventory first.
- Keep your records up-to-date.
- If you need more pages, make them yourself and fasten them in the book.
- When items or supplies have been donated to you for use in your project, make sure to give the item or supply a value and carry the value through to the total of the section and throughout the Record Book.
- Do not include materials in the Record Book that will add “bulk” (example: various scrapbook embellishments, such as buttons, eyelets, ribbons, dimensional stickers, letters, etc.) Use only “flat” stickers, photos, etc.
- Do not confuse page numbers with section numbers.

NOTICE TO PARENTS: Parents may provide leadership and guidance for the member. However, the Record Book must be compiled and completed by the member in their own handwriting.

CURRENT YEAR: All information in this Record Book is to include those activities and events you have done this year. Do not include information that you did last year or the years before, only include current information.

NEATNESS: You can use either a pencil or pen. You may either print or use cursive writing. You may use lined or plain papers for your story and picture pages. (Make sure there are no ragged edges). If you make a mistake, erase it, or use white-out to correct pen errors. Make your records as neat as possible. **THE ONLY PAGE THAT CAN BE TYPED IS THE STORY & AUCTIONEER’S STATEMENT.**

ACTIVITIES: A total of six activities need to be completed. The activities can be found in the skill-a-thon book. Certificates for interactive activities and workshops may count toward your six required activities. If you are using a workshop in place of an activity please fill out the 4-H record book activity form to explain what you learned. It is recommended that you complete the activities provided in the skill-a-thon book to help prepare you for the skill-a-thon.

DEPRECIATION INFORMATION **FOR CLOSING EQUIPMENT INVENTORY**

The value of equipment at the end of the year will be less than when it was new, because you have used it. This is called depreciation. The formula below is used to calculate exactly how much the value decreased. An example shows how the math is done. Use it when figuring the ending inventory value.

$$\frac{\text{Value new}}{\text{Number of useful years}} = \text{Amount subtracted each year}$$

EXAMPLE:

\$50.00 show halter

Estimated useful life: 10 years

\$50.00 $\$50.00 \div 10 = \5.00
10 years

Year 1: $\$50.00 - \$5.00 = 45.00$ (value at ending inventory)

Year 2: $\$45.00 - \$5.00 = \$40.00$ (value at ending inventory)

Continue deducting \$5.00 through the tenth year when
the show halter will be depreciated to \$0.00 value.

Examples of “useful life” for some of your equipment for depreciation purposes:

- Show halter - 10 years
- Covered pen - 7 years
- Low cost items such as water hoses, brushes, rakes, shovels, etc. - 2 years

Use your best estimate in determining the useful life of other equipment.

If the item is no longer usable then do not list item in ending inventory. If the depreciation value is \$0.00 and you still use it, list it on your ending inventory as \$0.00.

(Rev. 7/21)

CLOSING EQUIPMENT INVENTORY

(8) CLOSING INVENTORY

This record tells you what you have at the end of your project. This should include all the equipment you started the project with [(2) EQUIPMENT] and equipment you purchased during the project [(5) EQUIPMENT EXPENSES] and still have at the end of your project. [Do not include **NON-EQUIPMENT EXPENSES** from Section (6).]

Please round to two decimal places.

DESCRIPTION OF EQUIPMENT	ORIGINAL PURCHASE PRICE OF EQUIPMENT	YEAR ITEM WAS PURCHASED	ESTIMATED YEARS OF LIFE	DEPRECIATION (item price divided by item years of life (a))	VALUE OF ITEM AT END OF THIS PROJECT YEAR (b)
Example: show box	\$400.00	2021	5	\$80.00	\$320.00

Leadership

Leadership is defined as any time when you teach or lead others. For example: camp counselor, club officer, show others how to groom an animal, Farm City Ambassador, etc. Keep in mind that sometimes a demonstration can be considered leadership. This is only if the audience is also doing the task at the same time. Remember, an activity can only be listed once. **If it is listed as a demonstration, it cannot be listed for leadership.**

- Juniors and Intermediates must have at least two leadership activities
- Seniors must have at least four.
- Two points will automatically be deducted if NO leadership is listed in project area.

Citizenship/Community Service

Citizenship is anytime you have helped others. Did you help someone out? Did you donate something? Did you help the environment? Example: helping a friend build a hog pen, help pick-up litter, and donate your old show shirt to a 4-H member.

- Juniors and Intermediates must have at least two citizenship/community service activities
- Seniors must have at least four citizenship/community service activities.
List citizenship/community experiences below; use additional page if necessary.

PROJECT HIGHLIGHTS

Project highlights are an important part of your record book. It shows what you have learned, challenges you have faced, successes and accomplishments you have had and, along with what you may do differently next time. When completing the challenges faced section, make sure you explain how you handled them. More explanation is always better.

- Juniors (ages 8-10) list a minimum of **one** thing learned in each category.
- Intermediates (ages 11-13) list a minimum of **two** things learned in each category.
- Seniors (ages 14-18) list a minimum of **two** things learned in each category.

List information and skills learned through project experiences:

Example:

- I learned how to properly feed my animal so that my animal makes weight at the Osceola County Fair.

List challenges faced when completing project work and how you handled them:

Example:

- One challenge I faced was breaking my animal. At first, I could not get a hold of my animal without the help of adults. After much practice and help from my dad, I was able to put a halter on my animal and lead him around.

List major successes/accomplishments in your project:

Example:

- One major accomplishment in my project was giving a demonstration at county events on my animal. I had to research and practice my speech in order to do a good job.

What I will do different next time/future plans:

Example:

- One thing that I will do differently is to begin my demonstration earlier in the year. This was the first year I did county events and I was very nervous. I could have used some more practice.

4-H Project Activities

(ONLY for 4-H Members)

Please list the six activities you completed in your 4-H project area using table below. If activities were completed in group setting, please attach certificates with County Agent signature. There must be at least six activities—these can be found in the skill-a-thon book, activity certificates or a combination of skill-a-thon activity and activity certificates.

NEW-An Activity Form needs to be completed for:

- a workshop (if no certificate was given)
- a show that was not put on by 4-H/KVLS
- any activity completed outside of the record book

The purpose of the activity sheet is to share what you learned. A form is included and can be found on the next page.

Examples:

- Steer Parts, 10/1/18, Page 17
- Steer identification plate, 12/3/18, Activity Form and picture page 25
- Pin the parts on the hog, 1/7/19, Certificate from club leader (activity done at a club meeting)
- Goat Workshop, 11/25/18, Activity Form and certificate
